

1988 NEW YORKER

B Y C H R Y S L E R

New Yorker Landau, shown in Charcoal Pearl Coat.

In my 40 years in the business, I've run into some pretty tough customers. The toughest? People who buy luxury cars. They want everything!

Well, at Chrysler, we made a commitment to be the *best*. That means giving even the toughest customers what they want. You can't do it with one car, so we're bringing out more new luxury models than anyone over the next two years.

Now, for 1988, the spotlight is on our *all-new* Chrysler New Yorker

and New Yorker Landau. These aren't cars with just a lot of plush appointments and soft leather cushions to sit on. They're great driving cars with a responsive V-6, advanced front-wheel drive, and outstanding handling. They're built to survive, and we'll match them against anybody's luxury cars, anywhere in the world. That's why we back them with our unique Chrysler New Yorker Crystal Key Owner Care Program, described on page 11.

To be the *best*. That's our goal at Chrysler. It's a tough order from some very tough customers, but we're filling it with the luxurious and great-handling automobiles displayed throughout this catalog. Built to give today's luxury car buyers what they want. *Everything!*

I'm proud to present our remarkable all-new 1988 New Yorker and New Yorker Landau. At Chrysler, we're driving to be the *best*.

Lee A. Iacocca

CHRYSLER NEW YORKER LANDAU

Luxury abounds. Prestigious, comfortably quiet, smoothly maneuverable luxury...in Chrysler's all-new sedans, New Yorker and New Yorker Landau. Distinctively styled in the traditional big-car manner. Accented with such elegant touches as a classically graceful grille and concealed headlights. Engineered for stability

New Yorker Landau, shown in Charcoal Pearl Coat.

with front-wheel drive; for performance with V-6 power*; for comfort and quiet with road-smoothing suspension. And for the most discriminating and demanding drivers, a most extensive list of standard features. Designed for luxury and backed by Chrysler's exclusive Crystal Key owner care program (see page 11).

*See Power Train chart, page 12.

THE ONE THING YOU'VE ALWAYS WANTED IN A LUXURY CAR...EVERYTHING.

Interior shown with available Mark Cross leather in Charcoal.

CHRYSLER NEW YORKER LANDAU

Dependably responsive power. It is supplied by a state-of-the-art 3.0-liter V-6 multipoint electronically fuel-injected engine,* with single overhead cam design and tuned induction system. Responsive handling is another luxury the New Yorkers provide with calibrated suspension, with precision-feel 18:1 ratio power-assisted steering, and with an optional antilock four-wheel braking system for

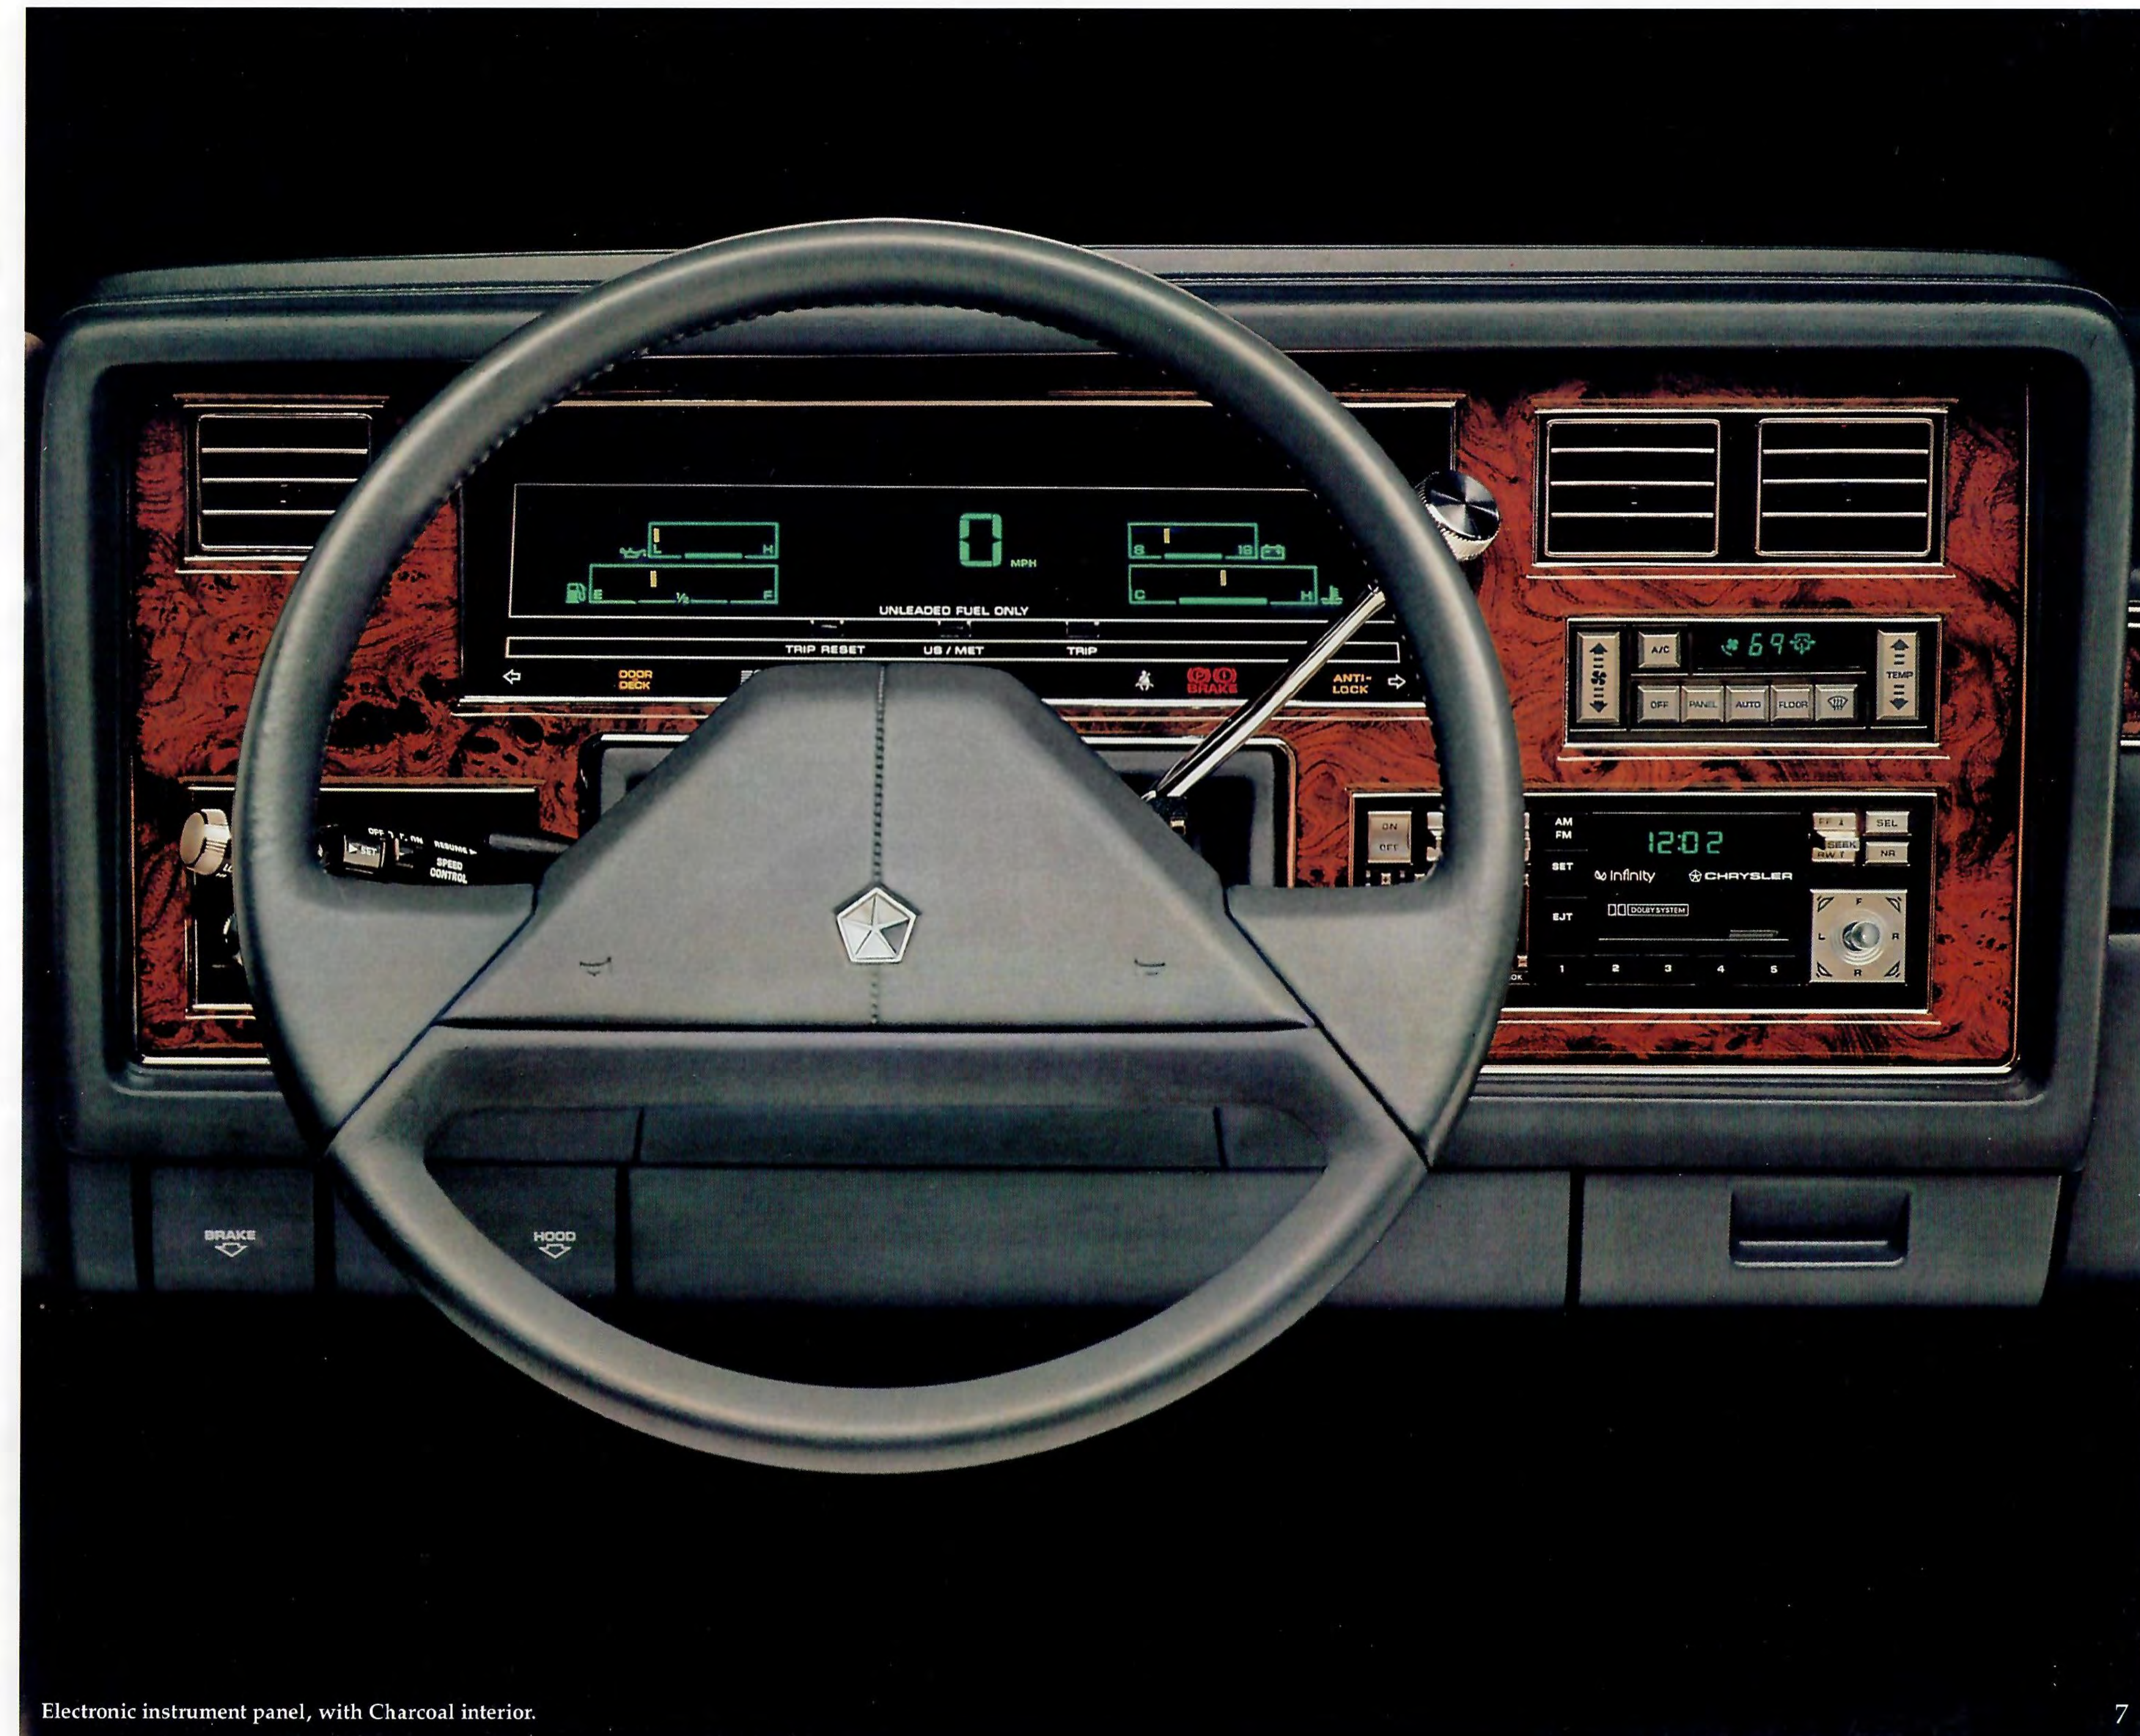

Overhead console.

better stability on slippery surfaces. EVIC (electronic vehicle information center)† provides instantaneous information with reports on everything from compass heading and outside temperature to average fuel economy...24 functions in all in the key areas of vehicle operation, maintenance, and passenger convenience and safety.

*See Power Train chart, page 12.
†Available only as part of the Luxury Equipment Discount Package on New Yorker Landau and as a separate extra-cost option on New Yorker equipped with that package.

EVERY DRIVE IS A LUXURIOUS DRIVING EXPERIENCE.

Electronic instrument panel, with Charcoal interior.

CHRYSLER NEW YORKER

New Yorker. All-new companion sedan to Landau—with advanced V-6* front-wheel drive performance, remarkable roadability, and an outstanding offering of standard luxury. What's more, it has all the room that six adults need. The luxury of *room* is accompanied by the luxury of a driver-oriented *ride*. The suspension system is tuned for

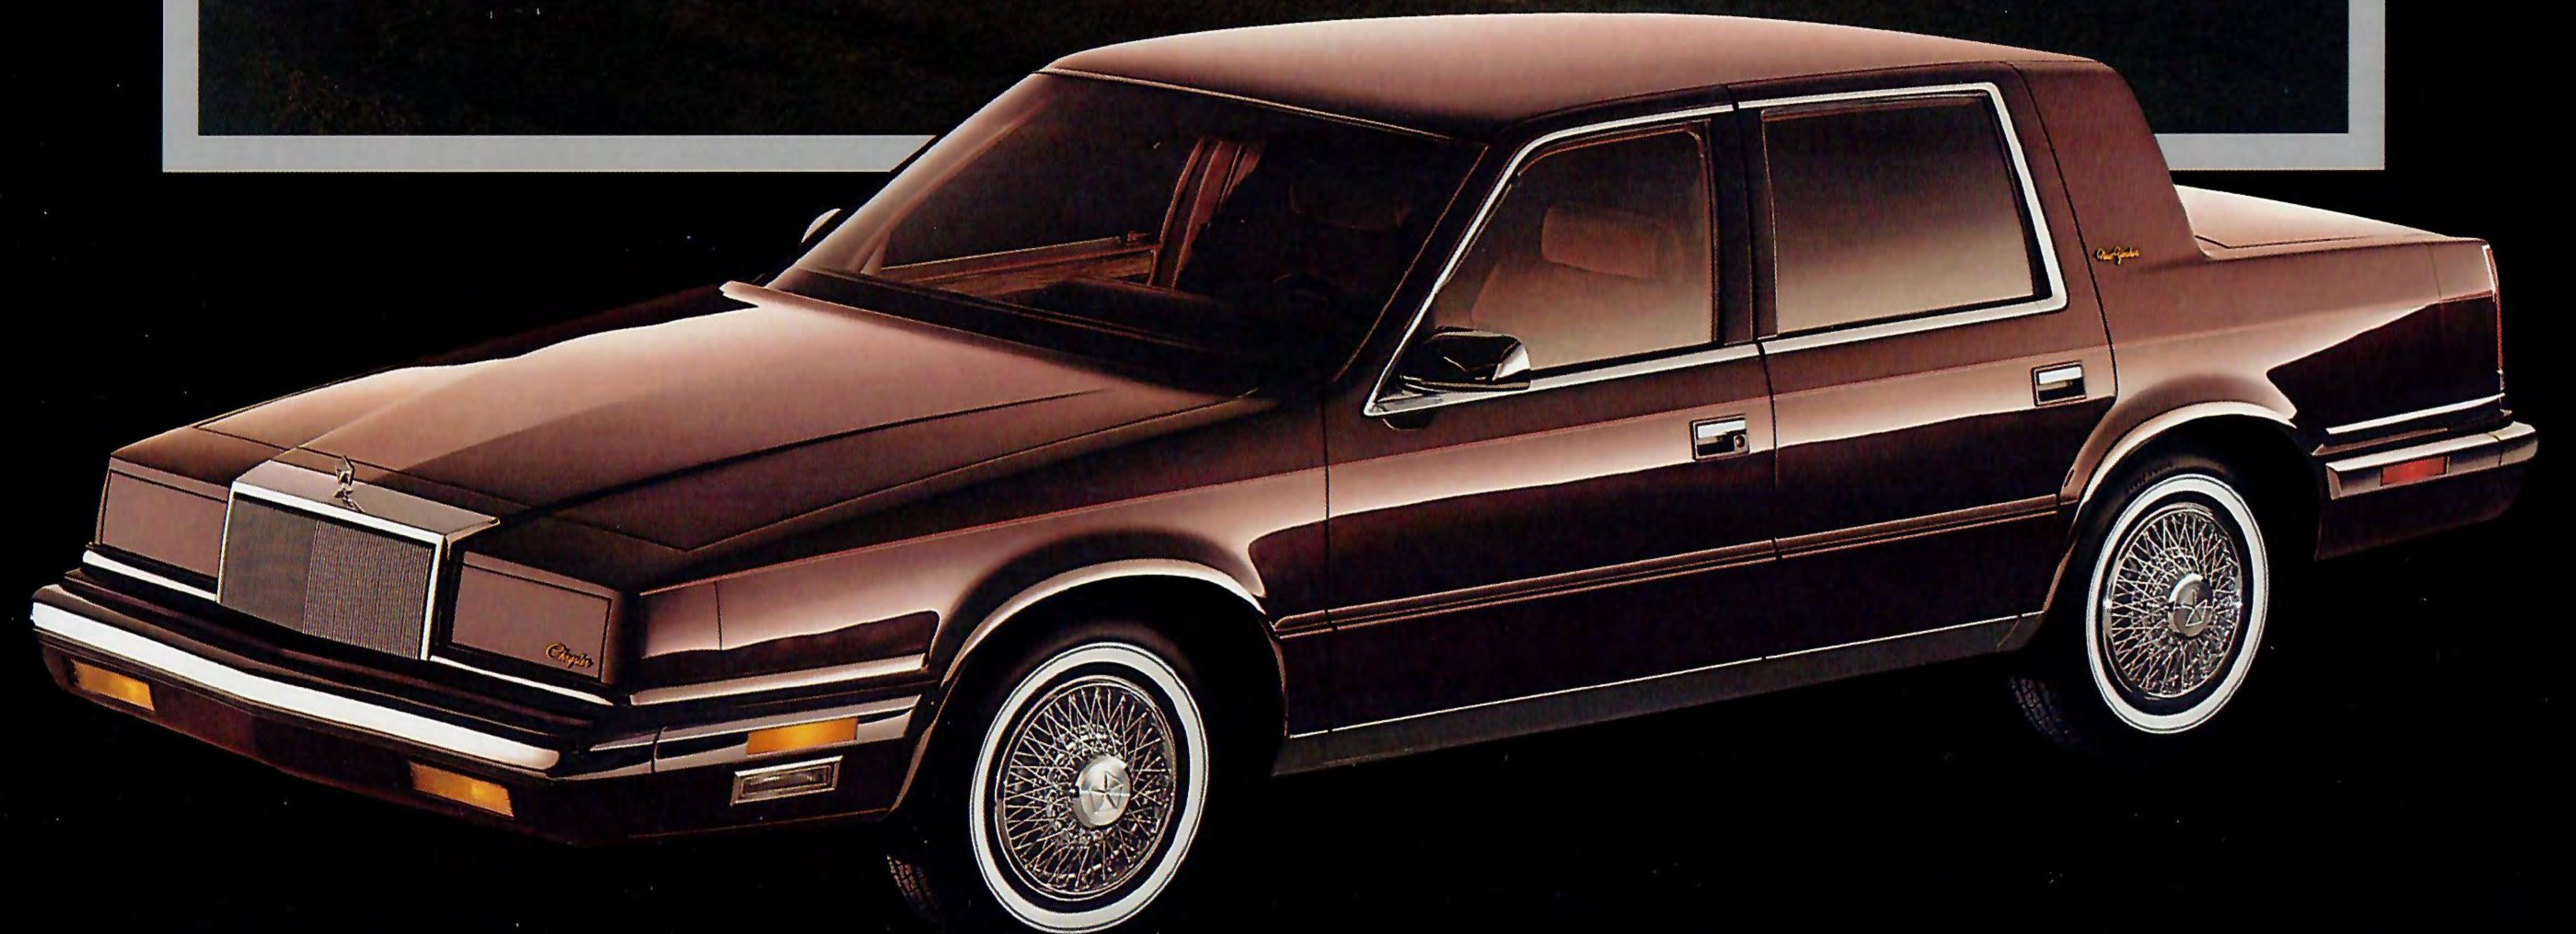

New Yorker interior, shown in Bordeaux.

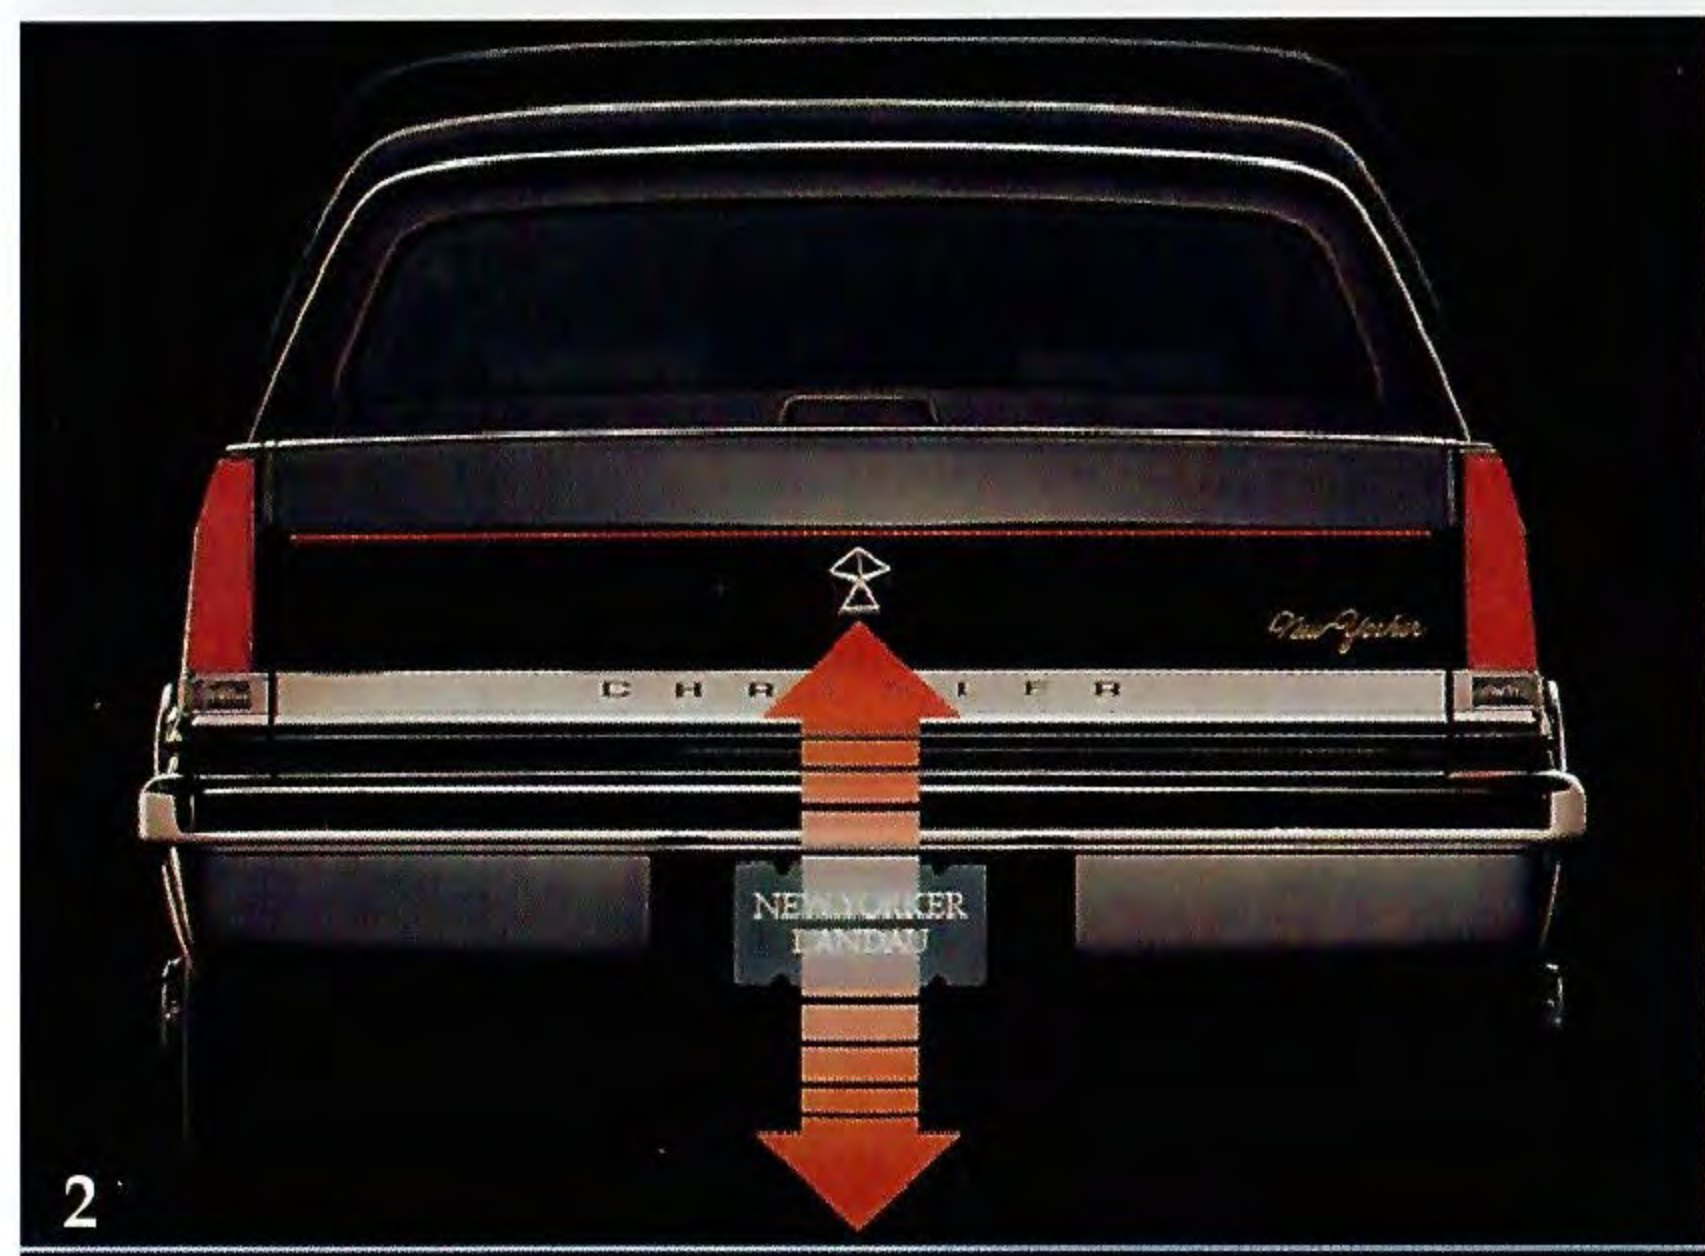

a smooth, comfortable ride with a variable front-strut damping system that helps reduce the noise and jarring of severe road bumps. Quiet is achieved with the flush-mounted glass of the windshield and rear window and a system of silencers, seals, pads, and liners—37 different treatments—that locks out the world's intrusions.

*See Power Train chart, page 12.

COMFORT: THE ROOM AND THE RIDE.

New Yorker, shown in Black Cherry Pearl Coat.

THE STRENGTH OF NEW YORKER DESIGN

The integrity of New Yorker is the result of thoughtfully designed and meticulously engineered components, among them:

1. The 3.0-liter V-6 standard engine* with multipoint electronic fuel injection offers 136 horsepower at 4,800 rpm and 168 pounds-foot of torque at 2,800 rpm. Smooth highway performance and plenty of passing power.

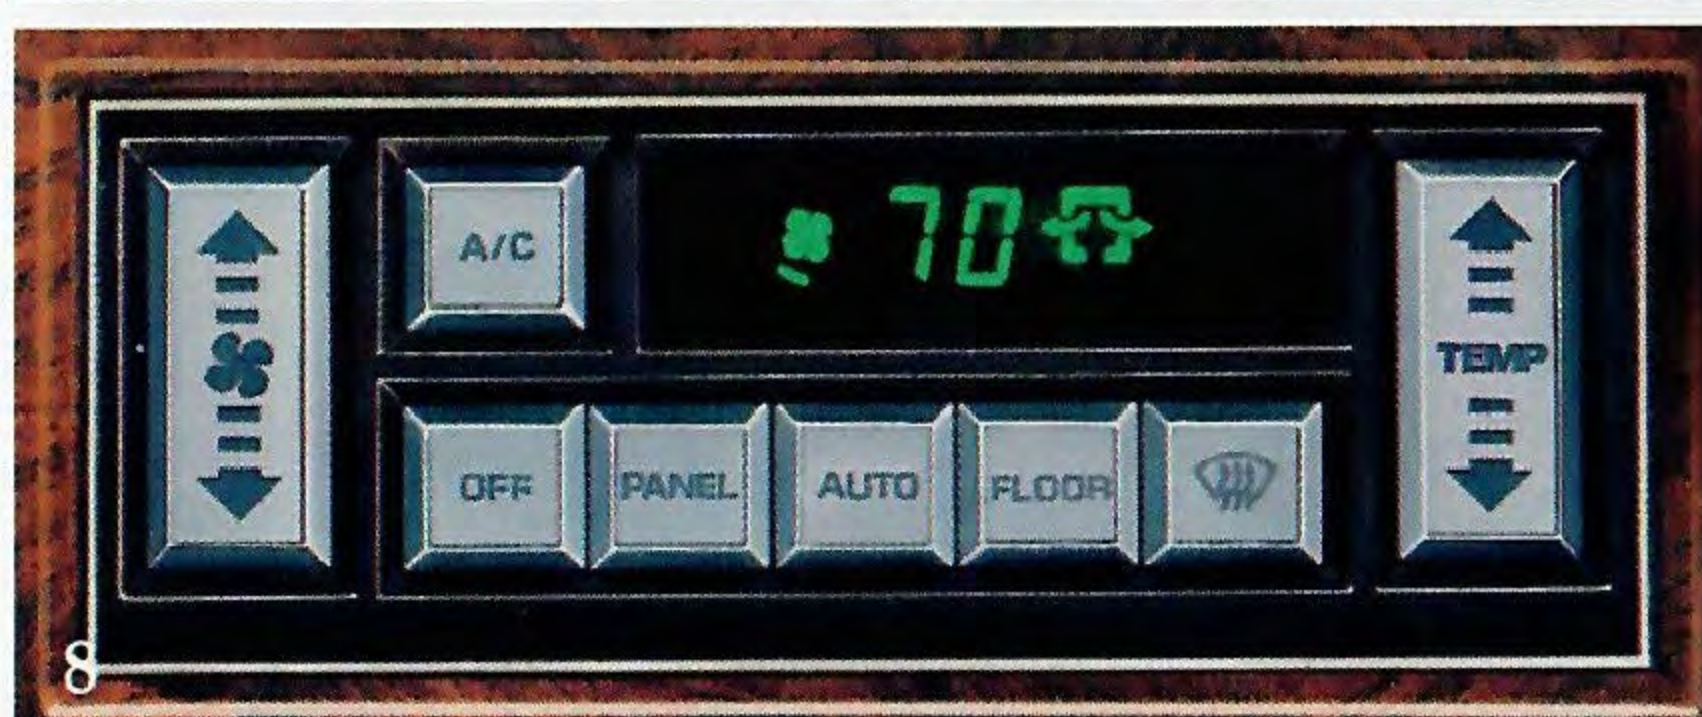

2. Load-leveling suspension automatically adjusts rear suspension system to accommodate additional weight and maintain a level ride. Standard on Landau, optional on New Yorker.

3. Stainless steel exhaust system provides long-lasting corrosion protection for muffler and exhaust pipes. Standard.

4. Antilock brakes achieve minimum stopping distance by automatically "pumping" the brakes. The electronically controlled system increases stability on slippery surfaces and assists the driver in maintaining steering control in extreme stopping conditions. Optional on both models.

5. The Crystal Clear paint process is an exclusive standard feature of New Yorker and New Yorker Landau. New techniques and a new process have resulted in a finish that is nearly equal in reflective readings to polished black glass.

*See Power Train chart, page 12.

NEW YORKER/NEW YORKER LANDAU STANDARD FEATURES AND OPTIONS

Among the standard features and options that make New Yorker and New Yorker Landau stand out are these:

6. Chrysler Infinity II Sound System optional package. AM stereo*/FM stereo electronically tuned radio with a number of sophisticated features including: Infinity equalized eight-speaker system; cassette tape player with automatic reverse, Dolby B† Noise Reduction and five-band electronic graphic equalizer; integral digital clock‡.

7. Remote control outside mirrors. For convenience and safety, New Yorkers are equipped with heated power remote control mirrors on both driver and passenger sides. Standard.

8. Automatic climate control. Provides the exact temperature you want and holds it automatically. Rate and direction of air flow can be precisely adjusted. Standard.

9. Concealed headlights. A smoothing touch of contemporary aerodynamic styling, and accented with cornering lights. Headlight doors open and close automatically with headlight switch. Standard.

10. Power sun roof, with sliding sunshade. When opened, the sun roof panel is concealed beneath the roof and an air deflector rises to reduce wind noise. The rear edge of the panel can also be raised to improve ventilation. (Extra-cost option. Late availability.)

*Some AM stereo broadcasting may not be compatible with this radio.
†Dolby B is a trademark of Dolby Laboratories.
‡Late availability. See your dealer for details.

Not Rolls Royce. Not Mercedes. No other luxury sedan.
Only the all-new Chrysler New Yorker protects the entire car for 5 years or 50,000 miles.
Just take care of the normal upkeep. We cover the rest. No ifs, ands, or buts.

If the luxury sedan you own doesn't have Chrysler New Yorker's Crystal Key Program, you don't have everything.

INTRODUCING CHRYSLER NEW YORKER'S CRYSTAL KEY OWNER CARE PROGRAM

With Chrysler's new Crystal Key Owner Care Program, for five years or 50,000 miles,* all you do is take care of normal maintenance, adjustments and wear items. Chrysler takes care of everything else. Engine, power train, air conditioning, steering, electrical. Everything right down to the door handles. And you're still protected on the engine and power train for seven years or 70,000 miles and outer body rust-through for 100,000 miles.† And if you have a question or need assistance, there's a 24-hour toll-free hotline.

How does the competition stack up? They *don't*—as the comparison chart at the left shows!

The program includes:

Five-Year or 50,000-Mile Complete Car Warranty.* Extends the basic car warranty, including major components, from one year or 12,000 miles to a full five years or 50,000 miles, whichever comes first.

Seven-Year or 70,000-Mile Protection Plan.† Covers engine and power train. And seven-year or 100,000-mile protection against outer body rust-through. (See page 13 for details.)

Customer Hotline. An "800" number to call 24 hours a day provides you with product information, dealer locations, warranty and towing information.

*See copy of limited warranty at dealer, restrictions apply. Excludes Turbo model.

STANDARD AND
OPTIONAL EQUIPMENT

Air Conditioning ¹ —Fully automatic temperature control	S	S
Alternator—90-ampere	S	S
Assist Straps—Front seatbacks	NA	S
Battery—500-ampere, maintenance-free; with integral test indicator	S	S
Brakes—Antilock braking system; four-wheel disc: power-assisted	E	E
Brakes—Dual braking system, split diagonally; vented front disc, self-adjusting drum rear: power-assisted	S	S
Bumper Guards—Rear	S	S
Carpeting—Passenger compartment: color-keyed	S	S
Carpeting—Trunk: gray	S	S
Chimes—Fasten seat belt, headlights on, key in ignition	S	S
Cigar Lighter	S	S
Clock—Digital: integral with all radios	S	S
Coat Hooks—Rear: two	S	S
Console—Overhead; includes twin map/ courtesy lights	S	S
Corrosion Protection—Urethane protective coating on lower body panels; extensive use of galvanized steel	S	S
Cup Holder—Slides out of instrument panel	S	S
Deck Lid—Automatic pull-down	P	E
Deck Lid Release—Remote control	S	S
Defroster—Rear window: electric	S	S
Demisters—Front door window	S	S
Door Locks—Power: automatic speed-sensitive actuation	E	S
Electronic Ignition and Multipoint Fuel Injection	S	S
Electronic Speed Control	P	S
Emissions Controls and Testing—Required on all vehicles registered in California; not available otherwise	E	E
Engines and Systems—See Power Train Chart		
Exhaust System—Stainless steel	S	S
Front Drive	S	S
Fuel Filler Cap—Tethered	S	S
Fuel Filler Door Release—Remote cable release with lockout feature	S	S
Fuel Tank—With curbside fuel filler door: 16-gallon	S	S
Glass—Tinted: all windows	S	S
Glove Box—Locking; with trunk release button and removable coin holder	S	S
Headlight System—Concealed; single actuated motor for up-swinging headlight doors	S	S
Headlights—Halogen: quad	S	S
Headliner—Cloth covered: color-keyed	S	S
Heater and Defroster—With bi-level ventilation and low travel controls	S	S
Hood—Counterbalanced; inside hood release	S	S
Horn—Dual note	S	S
Instrument Cluster—Analog electromechanical: includes electric speedometer, odometer, trip odometer; gauges for electrical system voltage, engine coolant temperature, engine oil pressure, and fuel level; warning lights for brakes, check engine, engine oil pressure, high beams, seat belts, and turn signals	S	NA

Instrument Cluster—Electronic: includes vacuum fluorescent digital displays for speedometer (U.S. and metric readouts), odometer and trip odometer; analog displays for electrical system voltage, engine coolant temperature, and engine oil pressure; gauge alert for charging system malfunction, engine coolant temperature high, and engine oil pressure low; warning lights for brakes, check engine, high beams, seat belts, and turn signals	P	S
Insulation—Hood pad	S	S
Insulation—Sound: premium	S	S
Light—Stop, supplemental: center high-mounted	S	S
Lights—Ash receiver; cornering; courtesy, door-mounted; courtesy reading, front, overhead (two); courtesy reading, rear, (two); glove box; ignition switch with time delay; trunk; underhood	S	S
Message Center ² —Graphic displays for door ajar, low fuel, low washer fluid, trunk ajar	S	NA
Mirror—Interior rearview, inside day/night	S	S
Mirrors—Exterior dual power remote control, heated: bright	S	S
Mirrors—Interior visor vanity, driver and passenger	S	S
Moldings—Belt: bright; bumper rub bar and extensions, front and rear; deck lid, lower edge and extensions: bright; door frame, narrow upper front and rear: bright; grille and grille extensions: bright;	S	S
Molding—Landau vinyl roof band: bright	NA	S
Molding—Rear window: bright	S	NA
Moldings—Bright: wide lower sill, windshield, wheel opening	S	S
Multifunction Control Lever—Mounted on steering column: includes controls for turn signals with lane-change feature and day/night flash/pass feature, headlight dimmer, intermittent windshield wiper/ washer, and controls for optional electronic speed control when ordered	S	S
Paint—Special high-luster finish	S	S
Pockets—Front seatbacks and front door trim panels	S	S
Radio—Am stereo ³ /FM stereo: electronically tuned; four-speakers; integral digital clock	S	S
Radio—Premium AM stereo ³ /FM stereo: electronically tuned; with memory scan, up-and-down seek-and-scan, and Dynamic Noise Reduction ⁴ ; electronic cassette tape player with automatic reverse, true fast-forward and rewind, automatic metal tape sensor, tape program music search, joystick balance/fader speaker control, and Chrysler four-speaker system; integral digital clock	E	E
Roof—Landau: padded vinyl	NA	S
Seat—Driver: power, six-way	E	S
Seat—Passenger: power, six-way	P	E
Seat Belts—Active automatic retractor; Unibelt for outboard front seats, lap belts at all other locations: color-keyed	S	S
Seats—See Interior Trim		
Steering—Rack-and-pinion, precision-feel: power-assisted	S	S
Steering Column—Tilt	P	S
Steering Wheel—Luxury, leather-wrapped, two-spoke: color-keyed	P	S
Steering Wheel—Luxury, two-spoke: color-keyed	S	NA
Stripe—Upper bodyside and deck lid: painted	S	S
Sun Roof—Power; with solar filter glass	E	E

Sun Visors—Driver and passenger: cloth, with vanity mirrors	S	S
Suspension—Firm ride and handling; includes gas-charged struts and gas-filled rear shocks	E	NA
Suspension—Front: includes gas-charged Iso-Struts and antisway bar	S	S
Suspension—Rear: automatic load leveling and height control	E	S
Suspension—Rear: beam axle with trailing arms, coil springs, gas-charged shock absorbers and tubular antisway bar	S	NA
Tire—Spare: compact 115/70D15	S	S
Tire—Spare: full-size	E	E
Tires—P195/75R14 steel-belted radial white sidewall (set of four)	S	S
Transaxle—Three-speed automatic; with electronically controlled lockup torque converter	S	S
Travel Trip Computer—Mini: includes digital read-outs for average miles per gallon, distance to empty, elapsed travel time, present miles per gallon, trip odometer	P	S
Wheel Covers—Lace, 14-inch (set of four)	S	NA
Wheel Covers—Luxury, 14-inch (set of four)	NA	S
Wheel Covers—Wire, 14-inch (set of four)	E	E
Wheels—Cast aluminum, 14-inch (set of four)	E	E
Windshield Wipers—Deluxe two-speed, with electric washers and intermittent wipe: concealed	S	S
Windows—Power	S	S
S—Standard. E—Extra cost. P—Package. NA—Not available.		
¹ There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.		
² Not available with mini travel trip computer.		
³ Some AM stereo broadcasting may not be compatible with this radio.

Available in Charcoal, Twilight Blue, Bordeaux, Taupe.

Standard on New Yorker. Kimberly cloth 50/50 bench seat with dual center armrests, two-way adjustable head restraints, reclining seatbacks and seatback pockets. Rear seat features include center folding armrest and formed integral headrests. Available in Charcoal, Twilight Blue, Bordeaux, Taupe.

1988 EXTERIOR COLORS

Bright White Clear Coat	Black Cherry Pearl Coat
Radiant Silver Clear Coat	Dark Pewter Pearl Coat
Charcoal Pearl Coat	Light Pewter Pearl Coat*
Ice Blue Clear Coat	Dark Forest Green Clear Coat
Claret Red Pearl Coat*	Twilight Blue Pearl Coat*

*Extra cost.

NOTE: Due to printing limitations, the colors shown will vary slightly from actual hues. See your Chrysler dealer for accurate color chips. Clear Coat finish is standard on every 1988 passenger car built by Chrysler Motors.

7/ 70 POWER TRAIN LIMITED WARRANTY

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles, whichever comes first. A deductible applies. See your dealer for a copy of the warranty. Law enforcement, limousine, taxi and export vehicles excluded.

7/ 100 LIMITED ANTI-CORROSION LIMITED WARRANTY. Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles, whichever comes first. See your dealer for a copy of the warranty.

STAINLESS STEEL EXHAUST SYSTEM. On all Chrysler Motors cars and trucks, all components of the exhaust system employ corrosion-resistant steel, which has superior resistance to rust and fatigue caused by high heat. This system provides longer life than conventional exhaust systems. Chrysler Motors provides the stainless steel exhaust system on all its 1988 cars and trucks, both domestic and import.

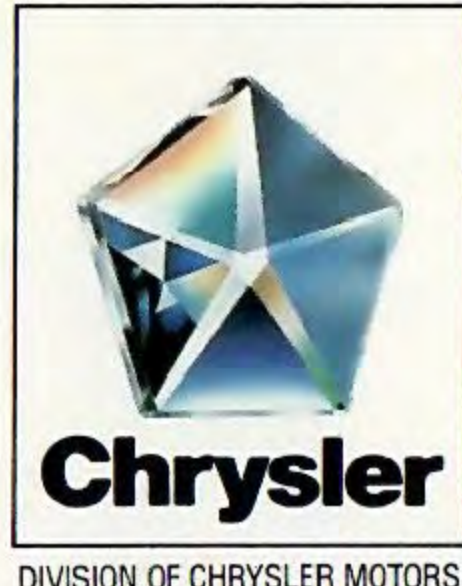

OPTIONAL SERVICE CONTRACT COVERAGE. Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

CONSIDER LEASING. More consumers are considering leasing as an alternative to buying. Leasing a new New Yorker usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

CHRYSLER PURCHASE ASSISTANCE PROGRAM FOR THE PHYSICALLY CHALLENGED. Cash rebates up to \$500 are available for qualified adaptive driving devices on 1988 Chrysler Motors cars and trucks. For further information, contact your dealer or the Physically Challenged Resource Center at 800-255-9877.

MOPAR parts are engineered by Chrysler Motors for use in your new Chrysler New Yorker. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

Buckle up for safety.

Chrysler. Driving to be the best.

*At Chrysler, our goal is
to provide the best in engineering,
quality, luxury and prestige.
Whether it's an elegant luxury sedan
or powerful road car, each
fine Chrysler automobile is carefully
crafted to be the best.*
