VW SPORT ACCESSORIES

ZONKER

Our yellow Zonker is a GTI 16V constructed of parts out of the VW Sport Catalog. The big difference is that it features all-wheel drive and ABS brake system. It is our evaluation vehicle for things to come and is traveling with the VW Sport Caravan to selected motorsport events.

"KICK A LITTLE ASPHALT" T-SHIRT

This colorful heavy-weight Ocean Pacific™ T-shirt features a five-color graphic on the back with the famous OP logo on the front. (Available while supply lasts.) M, L, XL.

RECARO™ SEATS

Recaro seats reflect timeless elegance while enhancing the Volkswagen driving experience. Only the best materials are used in Recaro seats. From the steel hull used for basic construction, spring elements, and air-conditioning fleece, right through to the covering materials, everything ensures maximum, long lasting comfort.

Our VW Sport Recaro seat features adjustments for lumbar support, extended seat cushions, and sport-style side supports.

The VW Sport Recaro is available in black velour or leather. Matching rear seat covers and additional fabric colors are available as special order items. Contact VW Sport Direct for details.

BOGSH® FOG LIGHTS & DRIVING LIGHTS

See and be seen with VW Sport Halogen Fog Lights or Driving Lights. Some of the features include:

- Wide angle beam projection extends illumination to road shoulders
- Peripheral vision increased from 48% to 100%

- Improves night-time visibility, even in clear weather.
 - Undercuts fog, haze, rain and snow.
 - Reduces glare on road surface.
- A set of two lights comes complete with an original equipment switch, wiring, relay, mounting hardware and instructions.

BBS® WHEELS

The counter-pressure method of casting these wheels was pioneered by BBS and continues to be the state of the art in casting technology. BBS wheels' precise cross-spoke design allows optimum air-flow for brake cooling effi-

ciency during performance driving conditions. The lightweight design and precision manufacturing translates into improved vehicle handling.

Available in sizes for all Volkswagen models.

BBS® AERODYNAMIC SYSTEM

BBS Aerodynamic styling is classical and yet very functional. Each kit has been developed in extensive wind tunnel testing with the final design perfectly matched to each Volkswagen model's distinctive look. BBS Aerodynamic systems

allow owners to increase their vehicle's performance while making a statement of individuality and style. All BBS components are constructed from reaction injection molded polyurethane, which retains elasticity even under extreme temperatures. Slight impacts are effortlessly absorbed without deforming the original shape. All BBS Aerodynamic systems are chemically pre-treated, tempered and primed with a neutral colored elastic primer to guarantee optimal paint adhesion.

Available for Rabbit, Cabriolet, Jetta, Golf II, Jetta II and Scirocco.

WORLD'S FASTEST CAR
VW Sport has the fastest car in the world and around the world.

Would you believe a Jetta with a speed of over 800 mph? How about a Jetta that traveled around the world (23,100 miles) in 36 hours and 54 minutes and 15 seconds? It is all true—start at...

The Volkswagen Jetta we are talking about was carried on Friendship One, a Boeing 747, which set a new around-the-world speed record on January 29-30, 1988. The flight raised more than \$500,000 for charity and the Jetta will be raffled off in late 1988 to raise additional money for charity.

VW WINNER'S CIRCLE CAP

This is the same cap worn by all the race winners in victory circle. A one-size-fits-all, deluxe contoured cap with the famous Volkswagen trademark embroidered on the front. Grey or Navy.

VW SPORT RACE PARKA

Our Woolrich™ Race Parka is 60% polyester/35% cotton and the Thru-ulate insulation under the wool lining is comfortable and very warm. Like our other jackets, the Race Parka features rain/stain repeller and the VW Sport logo is embroidered on the left chest. Grey, S, M, L, XL.

VW SPORT ACTION SHORT

This 100% combed cotton mesh shirt is a classic with its fashion color and well-cut. The two button pocket is reinforced and dyed to match the buttons. Our short

VOLKSWAGEN SERVICE MANUALS

Robert Bentley is the factory-authorized publisher of Volkswagen Service and Repair Manuals in the United States and Canada.

Robert Bentley Manuals are the most complete and easy-to-use service manuals available. Do-it-yourself owners like the large, clear illustrations and easy step-by-step instructions in plain English. Expert mechanics applaud the late-model coverage and inclusion of specifications and repair procedures needed for extensive rebuilding and overhaul work. These are the only do-it-yourself manuals written to professional mechanic's standards.

If you enjoy the satisfaction of hands-on automotive maintenance and repair, stop in at your local Volkswagen dealership and ask for the Robert Bentley repair manual specifically written for your Volkswagen.

Every Robert Bentley Service Manual includes:

- Tune-up, lubrication, and maintenance instructions
- Troubleshooting, repair, and replacement of every electrical component including dashboard gauges and complete factory wiring diagrams for each model
- Fuel injection troubleshooting, repair, rebuilding, and adjustment
- Emission control maintenance, repair, and adjustment procedures
- Front suspension repair and rebuilding including wheel alignment, steering gear overhaul and adjustment, and strut replacement
- Rear axle and rear suspension repair, rebuilding, and adjustment including shock absorber replacement
- Exhaust system repair and replacement
- Wheel, tire, and brake service with complete rebuilding instructions for hydraulic brake cylinders and calipers
- Complete engine repair, removal, and rebuilding procedures
- Transmission repair and rebuilding including 4-speed, 5-speed, overdrive, manual or automatic
- Clutch adjustment and replacement
- Body and frame repairs including accurate factory dimensions for everything from fender height to suspension mounting points
- And many other explanations and procedures all in plain English that make Robert Bentley Complete Service Manuals the best.
