360°

Innovation in your hands.

360°

Ford C-MAX has practicality in its DNA, helping you get the most out of family life. The Ford C-MAX is a spacious five-seater, while the larger Ford Grand C-MAX has dual sliding rear doors and up to seven seats. The elevated seating position and generous glass area enable you to see more of the road ahead, giving everyone on board a great view of the outside world.

“Call John”

“Listen to message”

“Find town centre”

“I need fuel”

“I need to park”

“I’m hungry”

Ford SYNC 3 with Voice Control and 8" Touchscreen

Connects with your voice, responds to your touch.

A new generation of Ford's remarkable SYNC technology enhances the C-MAX experience. SYNC 3 gives you control of everything from music to satellite navigation (option at extra cost), and will even manage phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen display lets you configure your home screen how you want it, while AppLink, Apple CarPlay and Android Auto, allow you to bring your compatible smartphone technology into your car. (Standard on Titanium and Titanium X. Option with Navigation at extra cost on Zetec)

The new FordPass app lets you access a range of Ford services designed to help make journeys easier and more enjoyable. These include:

- **Live Traffic*** – delivers regular data for the best-calculated journey times possible
- **Find fuel** – lets you search for refuelling points and refine your search by brand or fuel grade
- **Parking** – search for available parking spaces, check costs, opening hours and ratings
- **Destinations** – Search for points of interest around your current location or en route to your planned destination. FordPass will automatically send these locations to your SYNC 3 Navigation system when you connect through AppLink

*Live Traffic access is complimentary for the first 2 years following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence fee is payable.

Hands-free tailgate
Lends a hand when yours are full.

Opening or closing your C-MAX tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the **hands-free tailgate** (option on Titanium and Titanium X) will operate without you having to touch a thing.

The story of less fuel, more power.

With turbocharging, direct petrol injection and variable valve timing, our award-winning Ford EcoBoost engines deliver the same performance as larger traditional engines, but with much better fuel economy and lower emissions.

Engineered for economy.

Active Park Assist helps you find a space.

And get in. And get out.

Active Park Assist is designed to steer you into parallel or perpendicular parking spaces just 20% longer or wider than the car. Simply push a button and the sensors of this innovative system locate a suitable space as you drive past. Then it automatically steers you in, while you operate the accelerator, brake and gears following on-screen instructions and audible signals.

Park-Out Assist works like Active Park Assist in reverse, helping you manoeuvre out of a parallel space. The system steers while you keep control of the accelerator, brake and gears. When the system has cleared the space, it gives you a 'Take control of steering' message through the cluster.

Enhanced Active Park Assist
Parking made easy.

Active Park Assist is designed to park your C-MAX for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears. (Option at extra cost on Titanium and Titanium X)

C-MAX 5-seats. *Flexible space and seating.*

With an adjustable system that offers a variety of seating arrangements to accommodate up to five passengers, the Ford C-MAX provides both comfort and convenience. The rear seats fold and tumble forward or can be completely removed for extra luggage room. Useful safety features include front-to-rear curtain airbags on the first and second rows, power child locks (standard on all Grand C-MAX series, and Titanium and Titanium X for C-MAX) and seat belt reminders on both front seats.

Fully removable seats

The seats in the Ford C-MAX take adaptability to a new level. The rear seats fold and tumble forward or can be completely removed to create a spacious load area. Interior bike carriers are also available (accessory).

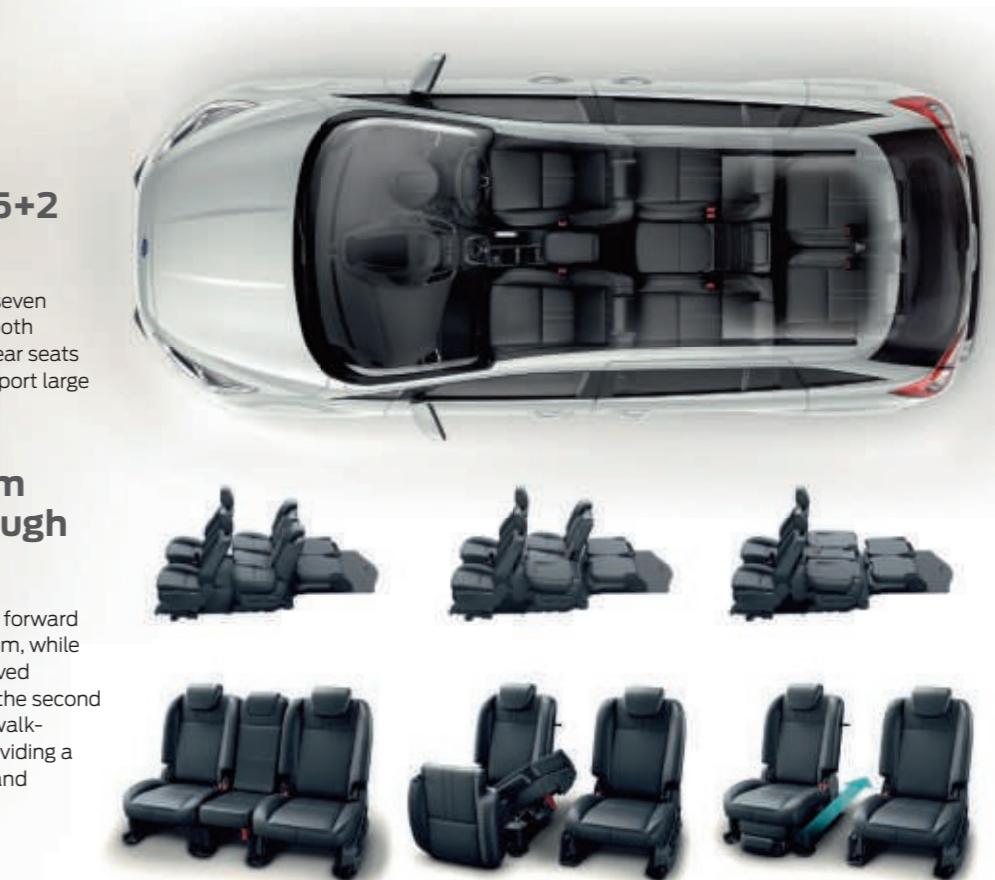

Sliding rear doors (Grand C-MAX)

Designed to open and close smoothly with one hand, the sliding doors make life much easier. Getting small children in and out requires less effort, and tight spaces and concrete pillars in car parks are much less of a problem.

Grand C-MAX 7-seats. Gives you room to grow.

With dual sliding rear doors and a selection of innovative features, the Ford Grand C-MAX helps you get the most out of family life. As a highly-capable multi-activity vehicle, it's also the latest evolution of Ford kinetic Design. In short, it's the perfect blend of style and substance.

Grand C-MAX 5+2 seats

Providing a choice of up to seven seats, the Grand C-MAX is both versatile and spacious. All rear seats can fold flat for you to transport large loads.

Fold flat system with walk-through seats

Second row seats also slide forward and back to optimise legroom, while the seat backs tilt for improved comfort. The centre seat in the second row folds away to create a walk-through to the third row, providing a spacious 2+2+2 layout. (Grand C-MAX)

Choose the right C-MAX for you

With all C-MAX series available in both the C-MAX 5-seat and the Grand C-MAX 7-seat model options – there is a Ford C-MAX to suit you, whatever your lifestyle priorities.

Zetec

C-MAX collection

C-MAX's elegantly crafted design inside and out, impressive integrated technologies, and superb range of engine choices, all contribute to the Ford C-MAX highly regarded status.

Titanium

Titanium X

Luxury collection

The luxury collection delivers superior levels of sophistication and comfort, with premium materials and an additional range of driver assistance technologies.

FORD C-MAX Models

Grand C-MAX 5+2 seats

Zetec

Exterior features

- 16" 5x2-spoke alloy wheels
- Front fog lights
- Body colour power/heated mirrors with integrated side indicators
- Body colour door handles
- Bright finish on upper door line
- Active City Stop
- Rear parking sensors (Grand C-Max only)
- Anti-lock braking system (ABS)
- Traction Control
- Electronic Stability Control (ESC)
- Ford Easy Fuel capless refuelling system
- Quickclear heated windscreen

Interior features

- Ford DAB Radio with 4.2" colour display, Bluetooth®, Voice Control and Emergency Assistance
- Electrically-operated front windows
- Electrically-operated rear windows (Grand C-MAX only)
- Driver's manual height, fore/aft and lumbar seat adjustment
- ISOFIX (International Standards Organisation FIX) child safety seat attachments
- Hill Start Assist
- MyKey
- Air conditioning
- Leather-trimmed steering wheel and gearshift knob
- Cruise control with adjustable speed limiter
- Dual Electronic Air Conditioning (1.5L Ford EcoBoost (150 PS) only)

 - 1.5L Duratorq TDCi (120 PS)

FORD C-MAX Remarkable Technologies

SYNC 3

Audio system with CD player, DAB, remote audio controls, 6 speakers, MP3 playback capability, and Ford SYNC 3 with Voice Control and 8" colour TFT touchscreen. (Standard on Titanium and Titanium X. Option at extra cost on Zetec)

Driver Alert

Designed to inform you if the system detects driving behaviour that indicates a drop in alertness levels. Initially, a warning icon is displayed in the instrument cluster, asking you to take a rest. If driving alertness further declines, the message is repeated and combined with a chime. (Option at extra cost on Titanium and Titanium X, as part of Driver Assistance Pack)

Integrated sunblinds

Neatly hidden within the rear doors when not in use, the integrated sunblinds can be easily raised to help protect rear occupants from the sun's rays. (Option at extra cost on Titanium and Titanium X, as part of Family Pack)

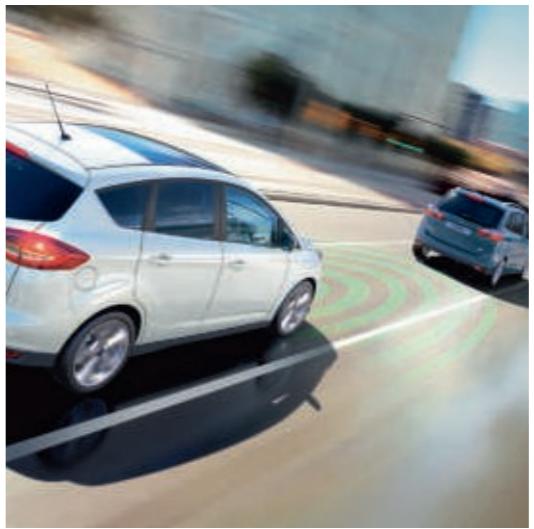

Traffic Sign Recognition

Designed to automatically read standard format road-speed signs and display the last posted speed limit in the driver's instrument cluster. (Option at extra cost on Titanium and Titanium X, as part of Driver Assistance Pack)

Pre-Collision Assist^Ø

Active at all speeds, Pre-Collision Assist is designed to help you when it detects an imminent impact with a moving vehicle ahead. First it gives you a visual and audible warning, then, if you fail to react, applies the brakes. (Option at extra cost on Titanium and Titanium X, as part of Adaptive Cruise Control)

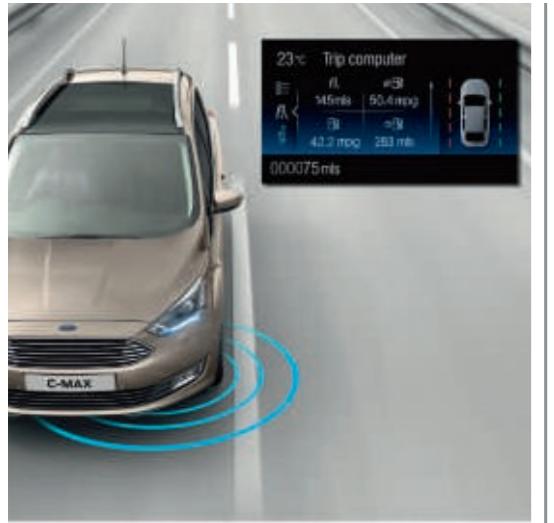

View our remarkable technologies in action at www.gofurther.com

Heated steering wheel

Keeps your hands warm on the coldest of days. (Option at extra cost on all series, as part of Winter Pack)

FORD C-MAX Remarkable Technologies

Lane-Keeping System*

Lane-Keeping Alert is designed to help the driver keep the vehicle within its driven lane. Steering wheel feedback alerts you if an unintended lane departure is likely to happen. While **Lane-Keeping Aid** is designed to apply steering torque back towards that lane, to help prevent an unintended lane departure. (Option at extra cost on Titanium and Titanium X, as part of Driver Assistance Pack)

*Available at speeds over 40 mph on highways and interurban roads with visible markings. Lane-Keeping System can be overridden by the driver or the turn indicator at any time.

Ford PowerShift

Ford PowerShift delivers the perfect combination between the convenience of an automatic and the performance normally associated with a manual. This 6-speed automatic transmission cleverly selects the next appropriate gear at the right moment for fast gear changes.

Blind Spot Information System[◊]

As another vehicle – car, van or lorry – enters your blind spot, the system is designed to alert you with a discreet warning light built into the driver's and passenger's door mirrors. (Option at extra cost on Titanium and Titanium X)

Ford Easy Fuel capless refuelling system

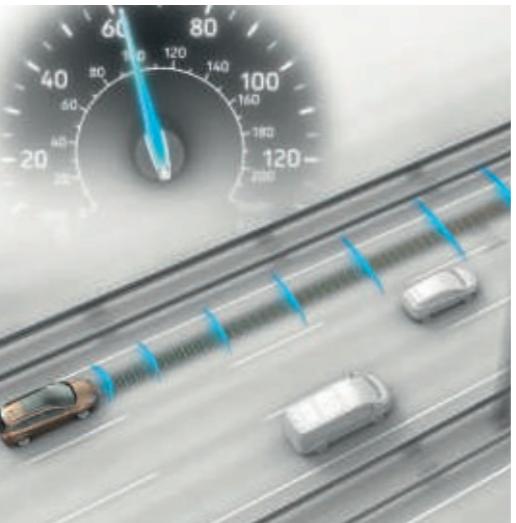

No dirty fuel caps to touch. Plus Ford Easy Fuel with its innovative safeguard ensures nobody accidentally fills up with the wrong fuel. (Standard on all series)

Adaptive Cruise Control[◊]

Helps maintain a pre-set gap between your Ford C-MAX and the vehicle ahead. If the vehicle in front slows down, the system is designed to decelerate. When the gap widens, your vehicle returns to the desired speed. (Option at extra cost on Titanium and Titanium X)

[◊]Uses sensors.

Ford MyKey

This innovative feature lets you tailor and limit car settings – like top speed and audio volume – to suit individual users. MyKey also lets you prevent certain driver assist technologies from being deactivated. (Standard on all series)

[View our remarkable technologies in action at
www.gofurther.com](http://www.gofurther.com)

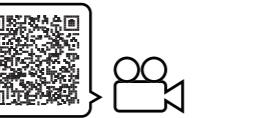

FORD C-MAX Remarkable Technologies

Bi-xenon headlights

This intelligent system detects different road conditions and selects the appropriate beam pattern for enhanced illumination. While distinctive **LED daytime running lights** provide improved safety while driving. (Standard on Titanium X)

Auto high beam*

When oncoming traffic is detected, the headlights are designed to dip automatically, then revert to high beam when the vehicle has passed. (Option Titanium and Titanium X on all series, as part of Driver Assistance Pack)

*Auto high beam only available in conjunction with Lane-Keeping Aid (option at extra cost, as part of the Driver Assistance Pack).

Keyless Entry

Lock or unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag. (Standard on Titanium and Titanium X)

FORD C-MAX Accessories

Load retention systems

Robust retention systems meeting European ECE-R17.08/ISO27955 safety requirements keep items of luggage securely in the load compartment. Load retention guards can be fitted for C-MAX and Grand C-MAX behind the second row of seats (Accessory). For the Grand C-MAX a load retention net is also available (Accessory).

For more information on accessories, please visit the Online Accessory Catalogue at www.ford-accessories.co.uk
For a range of Ford-branded merchandise, from clothing to lifestyle products, visit www.fordlifestylecollection.com

Tow bars

Ford's retractable tow bar is there when you need it, but can be manually tucked away out of sight for uncompromised styling and easier access to the load-space. Release it at the touch of a button, then retract it with a swift and easy action (Option and Accessory). A detachable tow bar (Accessory) and a fixed tow bar (Accessory) are also available.

Roof racks

Sturdy and lockable roof racks allow you to transport loads safely and easily. Base carriers are available for C-MAX (Accessory), whereas cross bars (Accessory) are available for Grand C-MAX models fitted with roof rails (Option and Accessory). They form the basis for various available roof attachments (Accessory).

Uebler+ rear bike carrier

High-quality tow bar-mounted bike carrier. Features practical tilting mechanism for easy access to the load compartment (Accessory).

Load compartment protection

A durable boot liner with the C-MAX nameplate is available (Accessory), as well as a reversible load compartment mat with carpet and C-MAX logo on one side and a durable rubber surface on the reverse (Accessory). Both are ideal for transporting wet or dirty items.

ClimAir®+ wind deflectors

Allow fresh air to enter the vehicle while driving with the front windows down, even during light rain (Accessory).

Rubber floor mats

All-weather rubberised floor mats are tailor-made to fit and help to protect against dirt and damp. Securely fixed directly onto the vehicle's floor, the mat is designed to not slip and interfere with the pedals (Accessory).

Mud flaps

Contoured mud flaps help to protect the bodywork of your Ford C-MAX from road spray and stone chips. Available as sets for front and rear. Not to be used in combination with body styling kit (Accessory).

Fitment of accessories may have an impact of your vehicle's fuel consumption.

*Item covered by third party supplier's warranty, please see back cover for details.

Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car.

FORD SERVICE

Allows you to relax knowing we're always by your side.

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- **Comprehensive service and maintenance plans**
- **Use of quality Ford parts for added peace of mind**
- **Ford trained technicians using the latest diagnostic equipment and tools**
- **Ford Online Service Booking**
- **One Call for everything Ford 0203 564 4444**
- **Ford Accident Management, service free to all drivers**

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.

FORD INSURE

At Ford Insure we provide insurance designed specifically for Ford owners. We have comprehensive cover which includes features and benefits that really matter to you, along with first class service.

- **Repairs carried out by Ford-trained technicians at Ford Accident Repair Centres**
- **Genuine Ford parts with a 5 year guarantee**
- **Small replacement car for the duration of your repairs**
- **Ford Insure experts at UK call centres**
- **24 hour accident recovery**
- **Unlimited cover for standard fit in-car entertainment equipment**
- **Up to 90 days European cover**
- **Replacement child seats in the event of an accident**

Terms and conditions apply.

Ford Insure is sold and administered by Europa Group Limited which is authorised and regulated by the Financial Conduct Authority. Registration number 309794. Registered in England with company number 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol, BS35 2JX.

FORD PROTECT

Extend your warranty up to 5 years/100,000 miles with Ford Protect.

Extend your standard 3-year/60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including:

- **High flexibility in duration and mileage**
- **Cover against unexpected electrical and mechanical repair costs in the UK and Europe**
- **With Ford Protect, the price of parts and labour are guaranteed for the length of your plan**
- **Help prolong the lifespan of your Ford vehicle**
- **Help protect your vehicle resale value**

To help increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

Ford Protect terms and conditions apply see ford.co.uk/extended-warranties for more information.

FORD Protect Extended Warranty for New Vehicles

	Total Mileage (mls)
4 Year Protection	80,000 mls
5 Year Protection	100,000 mls

FORD C-MAX Fuel, performance, emissions, weights and loads

The test used to establish fuel consumption and CO₂ figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020, the CO₂ figure shown will be the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

Understanding fuel data

The table below shows the fuel consumption (WLTP) and CO₂ emissions (NEDC equivalent) for each available engine when fitted on a standard specification Ford C-MAX (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuel consumption and CO₂ emissions. Please speak to your Ford dealer for more information.

The fuel consumption you achieve in real life conditions and CO₂ produced will depend upon a number of factors including any options and accessories fitted, variations in weather, driving styles and vehicle load.

^{**}The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

Max. Towable Mass (kg) (unbraked)	750	750	750	750	750

*In 4th gear. ^oFord test figures.

^{**}Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Gross Train Mass includes trailer weight.

[^]Ford Lease is provided by ALD Automotive Limited acting as Ford Lease, Oakwood Drive, Emersons Green, Bristol BS16 7LB. ALD is registered in England No 987418. ALD is authorised and regulated by the Financial Conduct Authority.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. **+** The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitable differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.
