How do you take yours?

Make your morning commute feel just as invigorating as that first cup of fresh ground coffee. With the Ford Fiesta, we've prepared the purest blend of engaging driving dynamics, and a wider range of vibrant and unique options. Which means you can create the perfect Fiesta to partner your individual sense of style.

Play with colour.

For those who like to be more expressive, **Ford Fiesta personalisation options** let you choose from a selection of alloy wheels, roof, door mirror and body colour combinations - all intended to further enhance the beautiful exterior and help make your Fiesta as unique as you.

Your individuality can also be reflected through an assortment of interior design flourishes that match selected exterior colours. Contrast stitching on seat trims, steering wheel and floor mats; as well as coloured accents across the instrument panel, centre console and interior door handles, all complement unique exterior body colours on selected models.

Ford Fiesta Titanium B&O Edition with Copper interior personalisation pack.

Head turning style.

With the addition of the new Active and ST models, the Ford Fiesta now delivers a wider series line-up than ever before – each model provides the unique Fiesta signature of exceptional driving dynamics combined with head turning good looks.

Decide between **premium luxury** with Titanium, Titanium X and Vignale; **sport-inspired** styling with the ST-Line and ST-Line X; **outdoor adventure** with the Active series; true **sports performance** with the new Fiesta ST.

Turn to the series overview to see the entire Fiesta range side by side.

Sports inspired.

Fiesta ST-Line

- ST-Line gives you all the practicality of the Ford Fiesta, with the additional eye-catching aesthetics of a performance-line vehicle. Unique exterior bodystyling, ST-Line branding, and a distinctively stylish interior, all emphasise the sport inspired character of its design.
- Unique ST-Line bodystyling kit
- Large rear spoiler
- Mesh design, gloss black painted front grille
- Rock Metallic alloy wheels
- ST-Line leather-trimmed sports style steering wheel
- Aluminium gearshift insert and stainless steel sports pedals
- Sports style front seats

Breathtaking performance.

Fiesta ST

- The Fiesta ST injects all the exhilaration of motorsport performance into your everyday journey. Each component has been engineered to energise the senses. The new 1.5-litre 200 PS Ford EcoBoost petrol engine is capable of 0-62 mph in just 6.5 seconds. While unique Fiesta ST features include 18" alloy wheels with red brake calipers (standard on ST-3), exclusive ST bodystyling and Recaro sports front seats. With remarkable handling and driving dynamics, the Fiesta ST delivers a spirited driving experience like no other.
- 200 PS 1.5-litre EcoBoost engine
- Sports-tuned suspension
- Three selectable drive modes (Normal, Sport, Track)
- Unique ST upper grille, front bumper, and rear bumper with diffuser

Recaro sports seats

Designed around the contours of the human body, Recaro sports seats provide optimum support and superior comfort. The result is a heightened sensation at every turn (image shows Recaro fabric seats in Ebony with blue detailing, standard on ST-2).

360°

Ford Fiesta ST-3 shown with optional Ford Performance Blue body colour and 18" alloy wheels (option on ST-2).

ACTIVE

The spirit of adventure.

Fiesta Active

- Discover a new evolution of the iconic Ford Fiesta. The Active model presents the Fiesta trademark of fun and sophistication, wrapped with the standout styling of an intrepid crossover. With a commanding character to match its larger SUV cousins, the Fiesta Active's unique exterior features include:
- Exclusive 17" alloy wheels
- Rugged bodystyling kit with Active front wing badges
- Rough road suspension including increased ride height
- Roof rails in silver-finish on Active 1 & Active X, and in black-finish on Active B&O
- Rear privacy glass

360°

Ford Fiesta Active B&O with exclusive Luxe Yellow (option at extra cost) premium body colour and 17" alloy wheels.

Ford
VIGNALE

***The ultimate
expression of luxury.***

Fiesta Vignale

Ford Vignale vehicles simply shine with outstanding craftsmanship and attention to detail. Order your **Fiesta Vignale** from a range of body colour options, including Ford's optional Milano Grigio paint colour, unique to the Ford Vignale range. While other exclusive exterior features such as satin-aluminium styling on bumpers, unique Vignale grille, and optional Vignale design 18" polished alloy wheels – all distinguish Vignale from other Fiesta models.

Ford Fiesta Vignale in Frozen White body colour and exclusive Vignale design 18" polished alloy wheels (option at extra cost).

Added layers of comfort.

Enter the **Fiesta Vignale** and become immersed within a world of contemporary luxury. An elegant Ford Vignale display screen welcomes you, while sumptuous quilted leather seats with unique hexagonal trim designs create a premium leather interior in the truest sense.

Vignale exclusive Hexagon Quilted Leather optional seat trim in Black Ruby.

Bring the outside in.

Openable panorama roof

Enjoy more beautiful views of surrounding scenery from the comfort of your Fiesta. An electrically operated panorama roof lets you bring the world outside into the vehicle cabin. Providing fresh air when opened, the sliding glass also has a solar reflective coating to help keep the interior cool when closed. While an internal sunblind provides extra shade when you need it. Standard on Vignale. Option on Titanium, B&O Titanium, Titanium X, Active 1, Active X, ST-Line X, ST-2 and ST-3.

Stay connected.

Premium interior

Welcome to the Ford Fiesta's beautifully crafted interior. Available with high-quality partial or refined full leather seats, perfectly complemented by the leather-trimmed steering wheel, handbrake handle and gearshift knob. Enhanced ambient lighting, plus a centre console with armrest and cup holders – completes your ensemble with finesse.

Ford Fiesta ST-Line X in Race Red body colour with ST-Line X Red Pack interior and B&O Premium Audio sound system (B&O premium audio optional at extra cost)

Meet your phone's new best friend.

Ford SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible smartphone*, letting you control everything from phone calls and text messaging to music and satellite navigation (option at extra cost) – all via the touchscreen or through remarkably simple voice commands. SYNC 3 is optional on Style, Zetec, ST-Line, Active 1 and ST-1.

SYNC 3 features:

- Manage your phone, music, apps, and navigation with simple voice commands
- Hear your text messages read aloud for you
- Emergency Assistance[†] helps occupants place an emergency call to provide emergency services with the vehicle location in their respective language
- Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone through the SYNC 3 home screen, as if it were your handset

- Colour touchscreen supports multi-touch 'swipe' and 'pinch-to-zoom' gestures, and lets you arrange application icons and background displays just as you would on your tablet or smartphone

Access additional features via your smartphone with the **FordPass App**

- Select points of interest along your route. FordPass will send these locations to your SYNC 3 Navigation when you connect through AppLink
- Search for refuelling points by brand or fuel grade
- Search available parking spaces, opening hours and ratings

***Please Note:** Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information.

†Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth[®]-paired and connected mobile phone to help vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions. SYNC and Emergency Assistance not supported by all European Languages. See www.ford.co.uk for the latest information.

Effortless connectivity with FordPass Connect.

For the first time ever, you and your Ford Fiesta can stay seamlessly connected wherever you are. That's because the FordPass Connect modem and the FordPass App, together, unlock a range of features designed to make every journey easier.

FordPass[™] Connect

FordPass Connect

FordPass Connect can help save you both time and hassle, as well as give you peace of mind.

- Live Traffic^{**} delivers up-to-date traffic information to your SYNC 3 Navigation system. The technology then adjusts your recommended route based on the traffic conditions, helping you to arrive more relaxed and on time
- On board Wi-Fi^{***} – receive up to 4G Wi-Fi for a maximum of ten devices so you and your passengers can enjoy the same connectivity on the move as you would at home

FordPass

FordPass App

FordPass Connect becomes even more powerful in your Ford Fiesta when paired with your smartphone via the FordPass App, so that you can control a host of features.

- Use your phone to double-check your car is locked, or allow someone to access your car when you're elsewhere
- Monitor your fuel level, mileage and tyre pressures, all via your phone
- Find your way back to your parked car on a map
- Receive Vehicle Health Alerts directly to your smartphone

It sounds live with B&O.

B&O Premium Sound System

Whatever your taste in music, from classic tracks to modern anthems, it deserves to sound the way the artists intended. Ford's exciting new 675 watt, 10-speaker audio system from B&O delivers exactly that. Exclusively designed and fine-tuned for the All-New Fiesta by specialist B&O acoustic engineers, it elevates the experience of every journey. And the distinctive speaker designs perfectly complement the Fiesta's stylish interior.

- Model specific sound calibration
- 10-speaker premium sound system
- Dual voice sub woofer
- Surround sound
- 675 W power output
- Unique B&O design
- B&O is standard on the B&O series, ST-2, Titanium X and Vignale. Optional on Zetec, Titanium, ST-Line, ST-Line X, Active 1, Active X and ST-3.

- Tweeter
- Midrange
- Woofer
- Dual voice subwoofer

Rooted in the rich 90-year heritage of Bang & Olufsen, the audio products of B&O deliver a remarkable quality of sound precision, through iconic designs at the forefront of contemporary style.

Play to the conditions.

Selectable drive modes

For the first time you can tailor your Fiesta driving experience to suit the conditions through a selection of drive modes. Standard on Fiesta ST and Fiesta Active models only.

Fiesta ST

Customise driving preferences and adapt the handling dynamics of your Fiesta ST, through a choice of **Normal**, **Sport** and **Track** drive modes.

Fiesta Active

Choose between **Normal**, **Eco*** and **Slippery** drive modes on your Fiesta Active to match driving characteristics to the road conditions.

*Eco mode not available in combination with automatic transmission

Let your Fiesta park itself.

Active Park Assist

Active Park Assist can park your Fiesta for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears. Option on Titanium, B&O Titanium, Titanium X and Vignale.

Helps you find a space.

Active Park Assist can steer you into parallel or perpendicular parking spaces just 20% longer or wider than the car. Simply push a button and the sensors of this innovative system locate a suitable space as you drive past. Then it automatically steers you in, while you operate the accelerator, brake and gears following on-screen instructions and audible signals. Feature within Active Park Assist option.

And get in. And get out.

Park-Out Assist works like Active Park Assist in reverse, helping you manoeuvre out of a parallel space. The system steers while you keep control of the accelerator, brake and gears. When the system has cleared the space, it gives you a 'Take control of steering' message through the cluster. Feature within Active Park Assist option.

An extra pair of eyes.

01 **Ford Lane-Keeper System** is a standard feature available at speeds over 40 mph on highways and main roads with visible markings. The driver can override the system at any time.

- **Lane-Keeper Alert** helps to keep the vehicle within its driven lane. Steering wheel feedback alerts you if an unintended lane departure is detected.
- **Lane-Keeper Aid** applies a steering torque back towards that lane, in the event an unintended lane departure is detected.

02 **Adaptive Cruise Control with Forward Alert.** Simply enter the desired speed and distance from the vehicle in front, and Adaptive Cruise Control is designed to maintain the set distance if traffic conditions do not allow travel at the desired cruising speed.

Forward Alert is designed to give an audible and visual warnings when there's a risk of colliding with the vehicle in front. While Emergency Brake Assist (EBA) optimises brakes for maximum performance.

03 **Blind Spot Information System** is designed to alert you via discreet warning lights built into the driver and passenger's door mirrors, when it detects another vehicle - car, van or lorry - entering your blind spot while driving. Similarly, as you reverse from a perpendicular parking space, Cross Traffic Alert scans left and right. If a moving vehicle or other hazard is detected, visual and audible warnings are given. Option on Zetec and above.

The story of more efficiency.

Ford EcoBoost. Sub 1-litre International Engine of the Year 2017.

The diamond-like coating on the piston rings reduces friction; the turbocharger, direct injection and variable valve timing boost efficiency. The result is remarkable performance from such an economical petrol engine. **Winner at the International Engine of the Year Awards** for six years running, the 1.0-litre Ford EcoBoost is available in 85 PS (Fiesta Active 1 only), 100 PS, 125 PS and 140 PS versions.

Engineered for economy.

With the help of **Ford ECOnetic Technology**, the Fiesta's latest engines are fuel-efficient. The 1.0 Ford EcoBoost 100 PS petrol engine can achieve an impressive combined fuel consumption of 60.1 mpg*, from only 106 g/km of CO₂ emissions*. The 1.5 TDCi 85 PS diesel engine is even more frugal, being able to achieve a combined fuel consumption of 74.3 mpg*, and CO₂ emissions of 96 g/km*.

*NEDC CO₂MPAS test figures. See Fuel and Performance section for more information.

Powered by **FORD EcoBoost**

FORD FIESTA Models overview

Choose the right Fiesta for you.

Available in a range of distinctively individual series design options, whatever your preference there is a Ford Fiesta to suit you.

Engines
Petrol
200 PS 1.5 litre Ford EcoBoost engine

■ 18" Magnetic machined-finish alloy wheels
(Standard on ST-3, option on ST-2)

Auto High Beam

Auto High Beam can detect oncoming vehicles and will automatically dip your beams for you. Only available with Traffic Sign Recognition and Driver Alert System. Standard on Titanium, B&O Titanium, Titanium X, ST-Line X and Vignale.

Adaptive Cruise Control with Forward Alert

Simply enter the desired speed and distance from the vehicle in front, and Adaptive Cruise Control is designed to maintain the set distance if traffic conditions do not allow travel at the desired cruising speed.

Forward Alert offers audible and visual warnings when there's a risk of colliding with the vehicle in front.

Heated steering wheel

For extra warmth on crisp winter mornings, the Fiesta's heated steering wheel is easily activated at the push of a button, to provide an additional layer of comfort between you and the cold outside. Standard on Titanium X, Vignale and ST-3. Optional via the Comfort Pack on Zetec and above.

Retractable door edge protectors

Activated when your car doors are opened, the system is designed to help prevent undue damage by providing a protective barrier between your Fiesta's door edges and neighbouring parked vehicles or other obstacles. Option on Zetec and above.

Driver Alert

Designed to inform you if the system detects driving behaviour that indicates a drop in alertness levels. Initially, a warning icon is displayed in the instrument cluster, asking you to take a rest. If driving alertness further declines, the message is repeated and combined with a chime. Standard on Titanium, B&O Titanium, Titanium X, ST-Line X, Active B&O, Active X, ST-3 and Vignale. Option on Style, Zetec, B&O Zetec, Active 1, ST-Line and ST-2 within the Driver Assistance Pack.

Traffic Sign Recognition

Traffic Sign Recognition is designed to read standard format road-speed signs and display the posted speed limit in the instrument cluster. Standard on Titanium, B&O Titanium, Titanium X, ST-Line X, Active B&O, Active X, ST-3 and Vignale.

Britax Römer®+ child seat

The safest way for a child to travel is on the rear seat, in a specially-designed child safety seat. Various models, also with ISOFIX for additional safety, are available for all weights (for babies and toddlers up to 35 kg) (Accessory).

ClimAir®+ wind deflectors

Allow fresh air to enter the vehicle while driving with the front windows down, even during light rain (Accessory).

Boot liner

When transporting wet and dirty items it is best to protect your load compartment. Fiesta's hard-wearing boot liners are made from heavy-duty, non-slip materials. They help to protect the carpet in your boot from mud, dirt and spillages and help keep your car looking as great as the day you bought it (Accessory).

Cross bars, for roof rails

Sturdy (and lockable) cross bars (only to be used with roof rails) allow you to transport loads easily. Not to be used in combination with panorama roof (Option and Accessory).

Uebler®+ rear bike carrier

High-quality tow bar-mounted bike carrier. Features practical tilting mechanism for easy access to the load compartment (Accessory).

Load retention guard

Robust retention system for fitment behind the second row seats keeps dogs or items of luggage securely in the load compartment (removable when not in use). Meets European ECE-R17.07 ECE- R17/ISO 27955 safety requirements (Option and Accessory).

Rear bumper protection

Protection plates and foils are designed to protect against daily wear and tear. The plates combine protection with a stylish design, whilst the foils provide protection without compromising the look of your vehicle (Accessory).

Roof base carrier

A lockable carrier is the base for all roof attachments. Not to be used in combination with panorama roof (Accessory).

Thule®+ roof box

Designed to carry a wide variety of loads and help to protect them from weather and theft. Available in various sizes, all models come with dual-opening for easy access (Accessory).

Thule®+ roof bike carrier

High-quality, easy-to-install roof bike carrier from leading manufacturer Thule® (Accessory).

Thule®+ roof ski/snowboard carrier

Elegant, lockable ski carrier suitable for up to six pairs of skis or four snowboards (Accessory).

Mud flaps

Contoured mud flaps help to protect the bodywork of your Ford Fiesta from road spray and stone chips. Available as sets for front and rear (Accessory).

Rubber floor mats

All-weather rubberised floor mats are tailor-made to fit and help to protect against dirt and damp. Securely fixed directly onto the vehicle's floor, the mat is designed to not slip and interfere with the pedals (Accessory).

For more information on accessories please visit the Online Accessory Catalogue visit www.ford-accessories.co.uk
For a range of Ford-branded merchandise, from clothing to lifestyle products, visit www.fordlifestylecollection.com

*Item covered by third party supplier's warranty, please see www.ford-accessories.co.uk for details.
Fitment of accessories may have an impact on your vehicle's fuel consumption

Most powerful

1.5 Ford EcoBoost (200 PS)
CO₂ emissions 136 g/km⁰⁰

Lowest emissions

1.5 TDCi (85 PS)
CO₂ emissions 96 g/km⁰⁰

FORD FIESTA Fuel and Performance

The test used to establish fuel consumption and CO₂ figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020, the CO₂ figure shown will be the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

Understanding fuel data

The table below shows the fuel consumption (WLTP) and CO₂ emissions (NEDC equivalent) for each available engine when fitted on a standard specification Ford Fiesta (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuel consumption and CO₂ emissions. Please speak to your Ford dealer for more information.

The fuel consumption you achieve in real life conditions and CO₂ produced will depend upon a number of factors including any options and accessories fitted, variations in weather, driving styles and vehicle load.

⁰⁰In 4th gear. ⁰⁰Fiesta Active. ⁰⁰Ford test figures. The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

[#]Represents the lightest kerbweight assuming driver at 75kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Gross Train Mass includes trailer weight.

Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car.

FORD SERVICE

Allows you to relax knowing we're always by your side.

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- **Comprehensive service and maintenance plans**
- **Use of quality Ford parts for added peace of mind**
- **Ford trained technicians using the latest diagnostic equipment and tools**
- **Ford Online Service Booking**
- **One Call for everything Ford 0203 564 4444**
- **Ford Accident Management, service free to all drivers**

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.

FORD INSURE

At Ford Insure we provide insurance designed specifically for Ford owners. We have comprehensive cover which includes features and benefits that really matter to you, along with first class service.

- **Repairs carried out by Ford-trained technicians at Ford Accident Repair Centres**
- **Genuine Ford parts with a 5 year guarantee**
- **Small replacement car for the duration of your repairs**
- **Ford Insure experts at UK call centres**
- **24 hour accident recovery**
- **Unlimited cover for standard fit in-car entertainment equipment**
- **Up to 90 days European cover**
- **Replacement child seats in the event of an accident**

Terms and conditions apply.

Ford Insure is sold and administered by Europa Group Limited which is authorised and regulated by the Financial Conduct Authority. Registration number 309794. Registered in England with company number 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol, BS35 2JX.

FORD PROTECT

Extend your warranty up to 5 years/100,000 miles with Ford Protect.

Extend your standard 3-year/60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including:

- **High flexibility in duration and mileage**
- **Cover against unexpected electrical and mechanical repair costs in the UK and Europe**
- **With Ford Protect, the price of parts and labour are guaranteed for the length of your plan**
- **Help prolong the lifespan of your Ford vehicle**
- **Help protect your vehicle resale value**

To help increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

Ford Protect terms and conditions apply see ford.co.uk/extended-warranties for more information.

FORD Protect Extended Warranty for New Vehicles

	Total Mileage (mls)
4 Year Protection	80,000 mls
5 Year Protection	100,000 mls

FORD FIESTA Next steps

try

Visit your Ford Dealer and test drive the All-New Ford Fiesta for yourself. Find your local dealer:
<http://www.ford.co.uk/SBE/RequestATestDrive/TestDriveCar>

build

Build and price your All-New Ford Fiesta to your specification and see how it looks at:

finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit* provides a range of finance products for your car whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit:
<http://www.ford.co.uk/finance>

*Finance subject to status. Guarantees/indeemnities may be required. Freepost Ford Credit. Ford Credit is a trading style of FCE Bank plc, which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

^Ford Lease is provided by ALD Automotive Limited acting as Ford Lease, Oakwood Drive, Emersons Green, Bristol BS16 7LB. ALD is registered in England No 987418. ALD is authorised and regulated by the Financial Conduct Authority.

own

When you drive away in your new car, we're with you all the way. Ford has a large authorised service network to help you keep your car in the best condition.

All-New Fiesta has a flexible 2 year / 18,000 m service interval on all Stage 6 engines.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

FordPass

FordPass is a new platform that will empower you to rethink the way you move. It finds nearby parking locations, contains vehicle and financing details, Dealer information and a host of useful guides.

Live Traffic access is complimentary for the first 2 years following the registration of a new Ford featuring SYNC 3 with navigation; thereafter there is an annual licence fee.

The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford Accessories as well as a range of products from our suppliers. ♦The identified Accessories are carefully selected third party supplier branded Accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
