

KONA Iron Man Edition

Meet the Kona Iron Man Edition.

A celebration of our ongoing partnership with Marvel. Arriving with all of Stark's legendary confidence and style, its futuristic design will take you from the screen to the road. From exterior touches to interior features, Iron Man's DNA runs through every aspect. Forget just the road - you're ready to take on the world.

A modern superhero, both inside and out.

The Kona Iron Man Edition takes the spirit of Tony Stark and brings it alive in every feature.

Rear Lights - LED

Front Bumper with Red Intake Garnish

Iron Man Roof Rails

Red Door Mirror

With Matte Grey exterior paint and a Red two-tone roof, mirrors and detailing, the Kona captures Stark's distinctive style. We've also incorporated custom daytime running lights that resemble Iron Man's facemask and eye shape, plus a bespoke V-shaped bonnet bezel with Marvel logo. In the dynamic Kona Iron Man Edition, it's the little touches that make the biggest difference.

An interior that takes you close to the action.

Step inside and be inspired by one of your favourite characters. The spirit of Iron Man is unmistakable from back to front.

Leather Wrapped Gear Knob

Head-up Display (Combiner Type)

4.2" Driver's Suspension Instrument Cluster with LCD Display

8" Centre Console Display

Take a look at the instrument panel and discover Tony Stark's signature, right next to a unique Iron Man gear shift lever. Be transported into the Marvel universe thanks to a special Head-up Display and colour touchscreen featuring Iron Man visual graphics. With so many features helping you step into character, you just need to add your sense of adventure.

Interior shown Kona Iron Man Edition. Not to UK specification.

Enter the world of Tony Stark.

With the charisma, style and confidence of the man himself, the Kona Iron Man Edition boasts a huge range of Marvel-inspired features to dial up your passion for action.

V-shaped Bonnet Bezel with Marvel Logo

Iron Man Lettering Rear Garnish and Two-tone Skid Plate

18" Iron-Grip Dual-tone Alloy Wheels

Iron Man Edition Bumper and New LED Daytime Running Lights

* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure) and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.

† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.

‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (the Payload) and includes the weight of the vehicle.

** The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.

†† Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including accessories fitted (post registration), variations in weather, driving styles and vehicle load.

‡‡ g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide. There is a new test used for fuel consumption and CO₂ figures. The CO₂ figures shown however, are based on the outgoing test cycle and will be used to calculate vehicle tax on first registration.
