<sup>†</sup>See dealer for LIMITED WARRANTY details.

**AMERICA'S BEST WARRANTY™**

- 10-YEAR/100,000-MILE POWERTRAIN PROTECTION
- 5-YEAR/60,000-MILE BUMPER-TO-BUMPER COVERAGE
- 7-YEAR/UNLIMITED MILES ANTI-PERFORATION WARRANTY
- 5-YEAR/UNLIMITED MILES 24-HOUR ROADSIDE ASSISTANCE

Good things don't always come in small packages. Just check out the 2006 Elantra. It has head-turning style, loads of roominess, exciting standard amenities, great fuel economy, impressive safety features and more. No wonder Elantra received a Recommended Award from Consumer Guide® Automotive for 2005.\* Elantra even offers America's Best Warranty<sup>†</sup>—a warranty so impressive, it's unsurpassed by any other car company. Now, imagine how rewarding it would be to find this package waiting out front every day.

- 15-INCH WHEELS WITH P195/60R  
MICHELIN® TIRES
- 4-WHEEL INDEPENDENT SUSPENSION
- FRONT MACPHERSON STRUTS AND  
REAR MULTI-LINK SUSPENSION
- POWER-ASSISTED 4-WHEEL DISC  
BRAKES ON GLS 5-DOOR AND GT
- FRONT AND REAR STABILIZER BARS

#### 4-Cylinder Engine with CVVT

The 2.0-liter, 4-cylinder engine maximizes engine performance with CVVT, provides up to 34 mpg fuel economy\* and an endless supply of get-up-and-go. It meets SULEV or ULEV clean emission standards in all states.

\*manual transmission

#### Alloy Wheels

The Elantra's bold, 15-inch, 5-spoke alloy wheels are teamed with P195/60R all-season Michelin® tires. They're standard fare on the Elantra GT, once again reinforcing performance quality from the ground up.

GT IN GRAY LEATHER

#### Cruise Control

For cruising the open road, nothing beats the relaxed feeling of driving with cruise control—which is exactly why this convenient feature comes standard on every Elantra.

#### Air Conditioning

To keep your passengers riding in comfort, all Elantra models come with a standard air conditioning system, complete with a recirculation feature. What better way to stay cool?

#### Six-speaker Audio System

Be your own DJ with the 100-watt audio system, which lets you change formats at the touch of a button. This six-speaker stereo includes AM/FM and a single-feed CD player.

#### Leather Seats

There's no such thing as too much leather. So we trimmed the interior of the GT and the new Limited model with leather seating surfaces, and a leather-wrapped steering wheel and shifter.

Your pleasant journey begins the moment you settle in behind the wheel. With interior volume that has been classified by the U.S. EPA as a "Midsize Car," a full class above Honda Civic and Toyota Corolla, Elantra's intelligently designed cabin has everything you need within easy reach. And with more standard features than many of its competitors, you can count on your Elantra for one great ride after another.

2006 ELANTRA / COMFORT

LIMITED IN BEIGE LEATHER

- INTERIOR VOLUME IS A FULL CLASS ABOVE ITS CLOSEST COMPETITORS
- MULTI-ADJUSTABLE DRIVER SEAT WITH DUAL-HEIGHT FEATURE AND LUMBAR SUPPORT
- CENTER CONSOLE WITH TWO-LEVEL STORAGE COMPARTMENT AND ARMREST
- OVERHEAD MAPLIGHTS AND SUNGLASS STORAGE
- SEATBACK POCKETS

Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA) 2005 model year New Car Assessment Program. NHTSA's 5-star ratings are for the driver in a frontal collision and the front seats in a side impact. 4-door model tested.

1 Available as part of a specific option package.

2 The Supplemental Restraint (airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle that has a passenger-side airbag.

3 Traction Control System (TCS) will not compensate for careless driving techniques, and is not a substitute for safe driving practices. Available as part of a specific option package.

#### Traction Control System (TCS)

For controlled acceleration on wet or slippery roads, the Traction Control System<sup>3</sup> helps prevent wheel spin, and works together with the Anti-lock Braking System to help keep your car on its intended path.

#### Anti-lock Braking System (ABS)

Stop right there. Power front disc brakes come standard on all Elantras, while the GLS 5-door and GT models are equipped with 4-wheel disc brakes. And the optional ABS<sup>1</sup> adds steering control when braking hard in adverse driving conditions.

The Elantra's commitment to safety has earned it NHTSA's highest 5-star safety rating for the driver in a frontal collision and 5-stars for the front seats in a side impact\*, due in part to features like dual front and front side-impact airbags<sup>2</sup>, side-impact door beams, front and rear crumple zones, front seatbelt pretensioners with force limiters and more.

#### Structural Integrity

The Elantra's reinforced steel unibody construction, steel side-impact door beams, front and rear crumple zones, hood-buckling creases and safety stops all help lessen the effect of an impact on the cabin..

GLS 4-DOOR IN STERLING SILVER

**60/40 Rear Seatback**

Skis, a ladder and a beach umbrella... there's virtually no limit to what you can accommodate with the Elantra's very convenient and versatile 60/40 split fold-down rear seatback.

**Front Fog Lights**

The stylish way to see and be seen, the Elantra GT and Limited's front air dam includes integrated fog lights for increased visibility and better road presence during inclement weather.

**Remote Keyless Entry**

Got an armful of gear to load? No big deal. All models come standard with remote keyless entry for easy access, as well as an alarm system and panic alert for added security.

Coming or going, the Elantra makes a stylish, lasting impression. With its distinctive front grille, bodycolor accents, halogen headlights and an available aerodynamic rear lip spoiler, its clean lines and sleek styling make it stand out from the pack. And with your choice of a 4-door or 5-door model, there's an Elantra to fit both your style and lifestyle. That's a good thing, no matter which way you look at it.
