## I AM A GENERAL CONTRACTOR

I use my van as a mobile workshop.

I like to be able to stand in the van.

I carry heavy loads and need the power and size.

↳ *I drive a Cargo Van, High Roof, Long Length, AWD (W2X) or a Cargo Van, High Roof, Extended Length, AWD (W3U) with a 3.5L EcoBoost® Engine.*

## I AM A CARPET INSTALLER

I carry large loads of carpeting.

I have a large crew working with me on the job.

I drive short distances between jobs.

↳ *I drive a Crew Van, Medium Roof, Long Length, RWD (W1D) or a Crew Van, High Roof, Extended Length, RWD (F4V) with a 3.5L EcoBoost® Engine.*

## I RUN A PACKAGE DELIVERY SERVICE

I drive long distances and idle frequently.

I need a great turning radius to get around town.

I've previously bought E-Series vans, but I need more space.

↳ *I drive a Cargo Van, Medium Roof, Long Length, RWD (R1C) or a Cargo Van, High Roof, Long Length, RWD (R1X) with a 2.0L EcoBlue® Bi-Turbo I4 Diesel Engine.*

## I HAVE A LARGE FAMILY

I have a large family of 10.

I need the flexibility to transport my family and their friends around town.

I've previously bought Expedition SUVs, but my family has outgrown that.

↳ *I drive a Passenger Van, Low Roof, Long Length, AWD (X9Y) or a Passenger Van, Medium Roof, Long Length, AWD (X9C) with a 3.5L PFDI Engine.*

## I RUN A SHUTTLE SERVICE

Most of my passengers are business people.

I transport 10-15 passengers per trip.

I need easy ingress/egress for my passengers and I need extra space for luggage.

I sometimes idle for long periods waiting for passengers.

↳ *I drive a Passenger Van, High Roof, Extended Length, RWD (U4X) with a 2.0L EcoBlue® Bi-Turbo I4 Diesel Engine.*
