

Go Ford

Ford
Go Further

hello

Visionary. Ingenious. Remarkable.
Every car bears his signature.

Henry Ford

How will you choose your new Edge?

At Ford we always like to go further. So, we've made choosing your new Ford Edge more fun, engaging and informative than ever before.

discover

This printed brochure lets you explore all the top level features available on the Ford Edge.

eBrochure containing full features and specifications

You can also download your brochure to further help you make a detailed choice at www.ford.co.uk

build

Build and price (RRP) your new Edge to your chosen specification and see how it looks at www.ford.co.uk

*For your
real life.*

Ford New Edge Intelligent All Wheel Drive system continually monitors your driving environment, optimising traction to direct power between wheels as required. A display on the cluster panel shows the drive going to each wheel, helping you stay alert to any changes in the road conditions.

(Standard across all series).

*All the space
you want.*

The Ford Edge scores big on legroom, headroom and luggage capacity. It can seat five adults in comfort. And with the fold-flat rear seats down, it can offer you all the space you want.

(see page 51 for more information in dimensions and capacity)

› Ford Adaptive Steering
**Less turn.
More control.**

New generation of steering technology helps make the Edge easy to manoeuvre at low speeds and in tight spaces. At higher speeds, it can make the vehicle more agile and precise to drive.

(Standard on Sport and optional on Vignale series).

› Collision Avoidance System
Reacts before you know it.

Designed to sense potential low-speed collisions and applies the brakes if you don't react in time. Designed to work at speeds up to 30 mph, this intelligent technology could help prevent or mitigate damage from low-speed accidents.

(Optional with Adaptive Cruise Control - Excluding Zetec).

› Active Noise Control
An oasis of calm.

Sophisticated suspension and acoustic glass already help to dampen exterior sounds. **Active Noise Control** helps diminishes unwanted noise even further from within the cabin. Three concealed microphones can detect background noise, which is then cancelled out by offset sound waves played through the in-car speakers.

(Standard across all series).

› Intelligent All-Wheel Drive (AWD) system
Added confidence from commuting to exploring.

Ford Edge's Intelligent All-Wheel Drive system continually monitors your driving environment, optimising traction whatever the surface to direct power between wheels as required.

A special cluster panel display keeps you informed of the power split and the conditions beneath front and rear wheels.

(Standard across all series).

› Ford SYNC 3
Connects with your voice, responds to your touch.

New SYNC 3 gives you control of everything from music and satellite navigation*, to phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen lets you configure your home screen how you want it, while AppLink, Apple CarPlay and Android Auto, allow you to bring your compatible smartphone technology into your car. (The touchscreen features should not be used by the driver whilst driving).

*Ford SYNC 3 is standard across all series. Satellite navigation standard on Titanium, Sport and Vignale. Optional on Zetec.

*A new expression
of Ford.*

Experience a new expression of Ford with Edge Vignale. Ford Vignale is a unique ownership experience. It appreciates the value of your time with services and benefits that help you make the most of this precious commodity. The vehicles themselves shine with craftsmanship and attention to detail. Discover more in the Vignale range brochure.

Ford Edge Vignale, with optional Ametista Scura (exclusive to Vignale series) body colour.

FORD EDGE Models

zt Zetec

● Standard exterior features:

- 19" Alloy wheels
- Front fog lights
- LED rear lights
- Automatic headlights with auto high-beam & rain sensing front windscreen wipers
- Body colour rear spoiler
- Auto Start-Stop
- Black finish roof rails
- Rear view camera
- Rear privacy glass
- 'Quickclear' heated windscreen
- Power folding door mirrors with puddle lights

● Standard interior features:

- Ford DAB Radio/CD with SYNC 3, Voice Control and colour touchscreen
- Ford Power Starter Button
- Lane-Keeping Aid, Traffic sign recognition
- Active city stop with pedestrian detection
- Leather-trimmed steering wheel and gearshift knob
- Centre console with fixed armrest, stowage and cup holders
- LED second row reading lights
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- Fold-flat rear seats – Second row seats with "Easy Fold" seat function and recline
- Power front and rear windows with key fob operated global opening/closing
- Front floor mats
- Active noise control
- Electric parking brake

FORD EDGE Models

T Titanium

- Standard exterior features in addition to Zetec:

- 19" 5x2 Alloy wheels
- Front and rear parking distance sensors
- Ford KeyFree system with handsfree power tailgate
- Bright finish on upper door line
- Chrome lower grille surround
- Chrome finish roof rails

- Standard interior features in addition to Zetec:

- Ford DAB Radio/CD with SYNC 3 and navigation system
- Sports-style with variable heating front seats
- Bright finish front door illuminated scuff plates
- Ambient lighting
- Auto-dimming rear-view mirror
- Velour front and rear floor mats
- Premium instrument cluster
- 220 V power outlet in centre console

- Bright finish on upper door line

- Ambient courtesy lighting

FORD EDGE Models

s Sport

● **Standard exterior features in addition to Titanium:**

- 20" Premium painted alloy wheels
- Body colour lower door, wing and bodyside mouldings
- Front upper grille with unique finish bars and surround
- Adaptive steering
- Sports suspension
- Black roof rails

● **Standard interior features in addition to Titanium:**

- Sony DAB Radio/CD with SYNC 3 and navigation system
- Pedal set with aluminium covers

● **20" Premium painted alloy wheels**

● **Exterior sports styling**

v Vignale

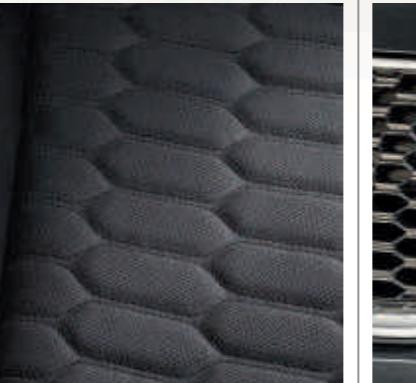

● Standard exterior features:

- Unique Ford Vignale exterior styling with chrome detailing
- Exclusive 20" alloy wheels
- Adaptive Lighting with Ford Dynamic LED headlights, daytime running lights and Glare-Free high beam
- Power-foldable door mirrors
- Unique LED fog lights with chrome surround

● Standard interior features:

- Premium leather trim
- Leather-trimmed instrument panel
- 10-way power-adjustable drivers and front passengers seats
- Drivers seat with memory function
- Variable temperature heated front seats
- Sony DAB radio/CD with SYNC 3 and navigation
- Enhanced ambient lighting

● Premium leather

● Unique grille

Ford Adaptive Front lighting System with Ford Dynamic LED headlights

Helps you see around bends and identify hidden objects. Their bright white light provides an intense and uniform illumination of the road (Optional on Titanium and Sport - Standard on Vignale).

Inflatable rear seat belts

Designed to reduce injuries to rear seat passengers, Ford's award-winning rear inflatable seat belts spread crash forces over five times more body area than conventional seat belts. This helps reduce pressure on the passenger's chest and helps control head and neck motion. In everyday use, the inflatable belts operate like conventional safety belts, are more comfortable to wear due to their soft edges and are compatible with booster child seats.

Standard
Zetec Option
Titanium
Sport
Vignale

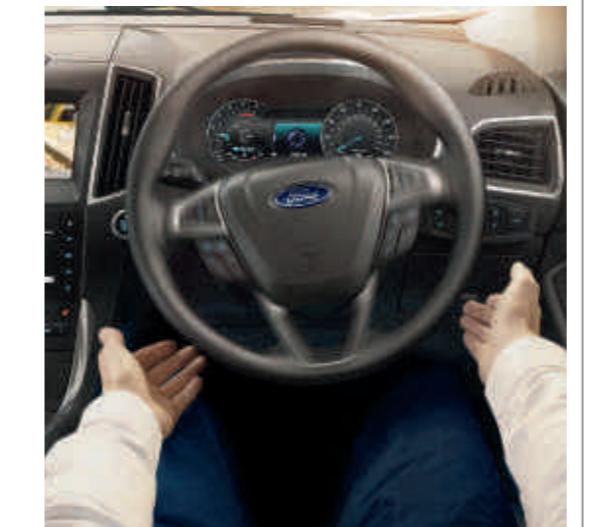

Front wide-view camera

Provides an extensive view from the very front of your car to the left- and right-hand sides. Particularly useful at junctions and when driving forwards out of parking spaces where your lateral view is impaired. (The optional Front wide-view camera is available on Titanium, Sport and Vignale. For Titanium the optional Sony DAB Navigation system must be selected).

Active Park Assist

Helps you park into parallel or perpendicular parking spaces. Once activated, it automatically steers you in while you operate the pedals. Plus it can even steer you out of a parallel parking space. (Option)

Hands-free tailgate

Opening or closing Edge's tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the hands-free tailgate will operate without you having to touch a thing (Option on Zetec - Standard on Titanium, Sport and Vignale).

FORD EDGE Engines

The Ford Edge offers a choice between two applications of its impressive 2.0-litre Duratorq diesel engine.

Zetec
Titanium
Sport
Vignale
Standard
Option

Automatic

2.0 Duratorq TDCi 210 PS

The 210 PS engine, with twin turbochargers, is mated to the PowerShift automatic gearbox, featuring all the benefits of conventional automatic transmission, and allowing drivers the option to manually shift gears if they choose to via the steering wheel mounted paddle shift. (Not available on Zetec).

Maximum Power PS
210

0-62 mph (secs)
9.4

CO₂ emissions
149
(g/km)

Manual

2.0 Duratorq TDCi 180 PS

The 180 PS single turbo engine is paired to a robust 6-speed manual gearbox. Light and easy to use, this gearbox is designed to cope with high torque levels while delivering smooth and precise gear changes. (Available across all series).

Maximum Power PS
180

0-62 mph (secs)
9.9

CO₂ emissions
149
(g/km)

*CO₂ emissions are 152 g/km when fitted with 20" alloy wheels.

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

¹ vehicles with 19" Alloy wheels. ² Vehicles with 20" Alloy wheels. *In 4th gear. ²⁰Ford test figures. ²⁰the declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of european directive 80/1268/eeac or the european regulation (ec) 715/2007 amended by (ec) 692/2008 as last amended. fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors are very important in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming, a guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>. DPF = diesel particulate filter. All engines include Auto-Start Stop.

We chose
Canyon Ridge.
What will you
choose?

The Ford Edge owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective top coat, new materials and application processes ensure your Edge will retain its good looks for many years to come.

ORD **EDGE** Wheel availability

20"
5x2-spoke alloy wheel
Fitted with 255/45 tyres)

- Part of an option pack, at extra cost
- Zetec
- Titanium
- Sport
- Vignale

*The wheel you choose will be fitted with the tyre size noted, but we are unfortunately unable to offer a choice of the tyre brand.

Inflatable rear seat belts

Designed to reduce injuries to rear seat passengers, Ford's award-winning rear inflatable seat belts spread crash forces over five times more body area than conventional seat belts. This helps reduce pressure on the passenger's chest and helps control head and neck motion in. In everyday use the inflatable seat belts operate like conventional safety belts, are more comfortable to wear due to their soft edges and are compatible with child booster seats.

FORD EDGE Safety features

Safety and driver assistance

Sony DAB Navigation system, single CD, AM/FM dual tuner radio, TMC (Traffic Message Channel), 8" TFT LCD Touchscreen, 12 speaker Sony audio, Ford SYNC3, compass display, 2x USB connectivity and GPSM

- Standard
- Optional, at extra cost
- Part of an option pack, at extra cost

All models

3-year/60,000 miles* Ford Protect Classic Plan Warranty
1-year/unlimited mileage* Ford Assistance Roadside Cover (Europe)

1-year/unlimited mileage* Paint Warranty
12-year/unlimited mileage* Perforation Warranty

Load retention guard

Robust retention system keeps dogs or items of luggage in the load compartment (removable when not in use). Separate guards can be ordered for fitment either behind the first or the second row of seats. (Accessory)

Detachable tow bar

For extra transport and stowage capability, the tow bar can tow up to 2,000 kg depending on engine on an 12 degree gradient. The tow bar can be detached if not in use. (Option and accessory)

Cross bars

Sturdy cross bars helps you to transport a range of loads safely and easily. Lockable crossbars are only available in combination with roof rails. (Accessory)

Thule®+ roof box

Designed to carry a wide variety of loads and protect them from weather and theft. Most models come with dual opening for easy access. (Accessory, available in various sizes)

Thule®+ roof ski/snowboard carrier

Elegant, fully-lockable ski carrier suitable for up to six pairs of skis or three snowboards. (Accessory)

Thule®+ roof bike carrier

High-quality, easy-to-install roof bike carrier from leading manufacturer Thule®+. (Accessory)

ClimAir®+ wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the front windows down, even during light rain and whilst on the move. (Accessory)

Rubber floor mats

The tray-style rubberised all-weather floor mats with Edge nameplate are tailor-made to fit and helps protect against dirt and damp. Available for front and rear floor (Accessory)

Load compartment mat

Provides load compartment protection. A choice between a reversible carpet mat with the Ford Edge logo that can be extended over the rear seats, or a durable rubber boot liner ideal for carrying wet or dirty items. (Accessory)

Load compartment tray

Durable tray, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

Uebler® rear bike carrier

High-quality tow bar-mounted bike carrier. Features practical tilting mechanism for easy access to the load compartment. (Accessory)

Mud flaps

Contoured mud flaps help to keep your Ford Edge clean by protecting it from road spray and stone chips. Available as sets for front and rear. (Accessory, not available on Sport)

*Designed to meet European ECE-R17.08/ISO 27955 safety requirements.

+Item covered by third party supplier's warranty, please see back cover for details.

When you drive away in your new car, we're with you all the way. Ford has the largest authorised service network in the UK to help you keep your car in the best condition. And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **†**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitable differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

When you have finished with this brochure please recycle it.
