

S-10 PICKUP

1989 CHEVY TRUCKS

THE *Heartbeat* OF AMERICA  TODAY'S CHEVY TRUCK™

1989 S-10 COMPACT PICKUP

The Chevrolet® S-10™ Compact Pickup is a high-tech, high-style truck with equal talents for work or play. Optional power in '89 goes clear up to a 4.3 Liter Vortec V6 (the rugged powerplant that's standard in full-size Chevy™ pickups!) with exceptional performance and towing benefits. Standard features that make the S-10 such tough competition for domestic and foreign-made compact pickups include: distinctive styling, highly maneuverable size, interior comfort, tough Chevy truck build, and the professional service available from America's largest automotive dealer network.

The basic S-10 also appeals with a choice of 2WD or 4x4 models, Regular-Cab or Maxi-Cab models, 6-ft. or 7-ft.-5-in. cargo box (both with cargo-box tie-down hooks),

a hardworking 2.5 Liter Tech IV engine with Electronic Fuel Injection, a fully synchronized 5-speed manual with overdrive and a fully independent front suspension.

Other standards include: ■ A new-for-'89 rear-wheel anti-lock braking system (operates in 2WD only) ■ A 1000-lb. payload capacity, including driver, passengers and cargo (optional 1500-, 1625- and 2000-lb. payload capacities available) ■ A 2000-lb. towing capacity for a properly equipped S-10 pickup, including trailer, people and cargo (4000-, 5500- and 6000-lb. towing packages available) ■ Steel-belted all-season M + S (Mud and Snow)-rated radial tires ■ A full-size spare tire ■ A 20-gallon fuel tank ■ Power brakes.

A lighted 4x4 console display is conveniently located and indicates the driving mode. With Insta-Trac you can shift "on the fly," from 2WD into 4WD High and back again at any speed.

THE S-10 EL
EL = Economy Leader, and Chevy's lowest-priced pickup is a very popular S-10 model. The S-10 EL's low sticker price reflects a few minor omissions from the standard content of a 2WD regular-cab short-box S-10. But EL options like air conditioning, AM radio, tinted glass and Sunshine Striping can dress the S-10 EL up considerably. See your Chevy truck dealer for full details.

4x4 S-10 Maxi-Cab Pickup. Tires supplied by various manufacturers.

STANDARD EQUIPMENT

Standard Interior

- Armrest: Both doors padded.
- Ashtray: Instrument panel.
- Coat Hook: Passenger side.
- Door Trim Panels: Color-keyed.
- Floor Covering: Black rubber mat.
- Gages and Switches:
Gages — Speedometer, odometer and fuel.
Switches — Lights, for interior, exterior and instrument panel. On steering column for direction signal, headlamp high and low beams, windshield washers/wipers, hazard warning. Heater fan and ignition with key-in warning buzzer. Door-operated dome and cab interior lamp switches.
- Grab Handle: Over passenger door (4x4 models only).
- Headliner: Color-keyed.
- Heater and Defogger: Outside-air-type.
- Hood Lock Release: Inside-operated.
- Insulation and Sound-Deadening Material: On dash panel, under floor mat, inside of doors, underside of roof and on headliner.
- Lights: Instrument cluster and cab interior, dome light.
- Mirror: 10" prismatic rearview.
- Power steering (4x4 models).
- Radio: AM, except EL model.
- Safety Belts: All seating positions, with shoulder belts at front-seat outboard seating positions.
- Seats: Full-width, full-depth foam vinyl bench with folding backrest.
- Steering Wheel and Column: 15¼" soft black plastic 2-spoke wheel with black energy-absorbing column.
- Stowage Box: RH side of instrument panel, with key lock.
- Sunshades: Color-keyed RH and LH.
- Tools: Jack and wheel wrench.
- Warning Lights: Voltmeter, oil pressure, engine temperature, safety belt, service/parking brake, direction/hazard signal and high beam.

Standard Exterior

- Bumper: Front, painted black, with parking lamps.
- Grille: Molded plastic, painted argent.
- Glass: Tinted, all windows (Maxi-Cab).
- Horn: Single, electric, high-note.
- Hubcaps: Bright metal with black trim.
- Lights: Backup lamps integral with tail lamps, rectangular headlamps, halogen-type (except EL model).

- Mirrors: Black painted RH and LH.
- Molding: Windshield, black.
- Pickup Box: Welded double-wall construction in box sides and tailgate; steel floor.
- Spare Tire Carrier: Winch-type under-frame at rear.
- Wheels: Painted argent.
- Windshield Wipers and Washers: Electric, two-speed.

PREFERRED EQUIPMENT GROUPS

These convenient option packages make it easy to tailor the S-10 Pickup to your exact specifications, and can save you money. You would pay appreciably more buying all the

options in a Preferred Equipment Group as individual options. (Savings based on Manufacturer's Suggested Retail Price of option packages versus M.S.R.P. of individual options).

2WD CAMEO S-10 PICKUP

A new Cameo appearance package for 2WD S-10 Pickups features a wraparound front bumper fascia with fog lamps, lower body ground-effects moldings, wheel flares, a flush-fitting tailgate valance, and "Cameo" lettering on doors and tailgate. Plus your choice of red, white or black paint. (Power steering and Rally Wheels are required options for the Cameo appearance package.)

The rest is up to you. To make your Cameo S-10 a truly reputable street machine, you might consider personality-enhancing options like the 4.3 Liter V6, locking rear axle differential and heavy-duty shocks.

4x4 BAJA S-10 PICKUP

A new-for-'89 option called Baja — a rugged off-road appearance package available for any 4x4 S-10 model. The Baja package includes: specific paint and unique graphics; light bar with off-road lamps; front grille guard with driving lamps; tubular rear bumper; switches in instrument panel for driving/off-road lamps; black/chrome accent on wheels, headlight and taillight bezels and grille.

Several other S-10 options, including the top-level Tahoe interior trim, power steering, a 1500-lb. payload package, a shield package, a suspension package and a 2.8 Liter V6 engine, are required for the Baja off-road appearance package.

Important: A Word About This Catalog. We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details, including details on the GM warranty which covers Chevrolets.

A Word About Engines. Chevrolets are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

A Word About Assembly of Chevrolets. Chevrolets are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Chevrolets incorporate thousands of components produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolets with different or differently sourced components than originally scheduled. All such components have been approved for use in Chevrolets and will provide the quality performance associated with the Chevrolet name. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

A Word About Updated Service Information. Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

GMAC Financing. At your Chevrolet dealer's, financing or leasing your new Chevy truck can be as easy as saying GMAC.
