Equipment

■ **Xenon Adaptive Headlights** illuminate the road ahead and to the side with brilliant clarity; Xenon low- and high-beam headlights also have an auto-leveling feature. **BMW Adaptive Headlights** illuminate the road around corners by directing the headlights into and through the bend, as soon as the vehicle begins cornering. **Halogen foglights** (not shown) are cleanly integrated in the front air dam. Ellipsoid free-form technology ensures an even spread of light onto the road for extra safety in bad weather and poor visibility.

■ **Rear deck** underscores the low, wide contours of the 7 Series Sedan. The dynamic effect is enhanced by the positioning of BMW's signature, "inverted L"-shape rear lights.

■ **Infinitely variable stepless** door brakes hold the doors open in any position, even on hills.

■ **Power soft-close feature** automatically closes all four doors and trunk lid. Simply close the door (or trunk lid) gently, and the electric mechanism then draws it fully in. (std. on 760Li; opt. on 750i/750Li and 760i)

¹³ Full Maintenance Program covers all factory-recommended maintenance, as determined by the Service Interval Indicator for 4 years or 50,000 miles, whichever comes first. Full Maintenance Program includes items that need replacement due to normal wear and tear, provided wear and tear exceeds BMW specifications. This includes items such as brake pads, brake rotors and wiper blades that are not covered by the original New Vehicle Limited Warranty. Any adjustments required due to normal operating conditions are also included. For exclusions and limitations, refer to the Service and Warranty Information booklet that came with your new BMW, or see your authorized BMW center for details.

¹⁴ Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages. Performance tires not recommended for driving in snow and ice conditions.

¹⁵ Luxury Seating Package and Cold Weather Package cannot be combined in 750i. If Luxury Seating Package is combined with Sport Package, Comfort seats will replace the sport seats.
