

CTS-V shown in Black Raven

2006 CADILLAC CTS-V It's the first in a series of limited-production, high-performance vehicles from Cadillac — CTS-V. It's the ultimate expression of an unyielding commitment to world-class performance. 400 horsepower. 0-60 in 4.6 seconds.* With handling, braking, and style equally determined to impress. Honed at the Nordschleife, the northern loop of Germany's legendary Nürburgring road course, the V-Series is designed to stand as the greatest example of Cadillac performance and to inspire you in ways no high-performance luxury sport sedan ever has before.

*With optional performance tires.
