2006 LINCOLN NAVIGATOR.
EXTRAVAGANTLY USEFUL.

The commanding presence of this extraordinary vehicle is richly complemented by a wide range of convenience features, the generous use of fine materials and a vast expanse of passenger and cargo space.

EXTREMELY CAPABLE.

A ROUSING WELCOME.

Open the door of the 2006 Navigator, and the available power-deployable running boards extend to enable a graceful entrance or exit. Within, you'll find an artful blend of satin-nickel, American walnut burl wood and fine leather. Audio and climate controls are located on the steering wheel for fingertip adjustments.

## REFINEMENT TO THE UMPTEENTH POWER.

MUSCLE ON THE MOVE.

When you say "Go," Navigator is ready and willing. Its 5.4-liter V-8 delivers 300 hp and 365 lb.-ft. of torque to a six-speed automatic transmission. When properly equipped, the 4x2 Navigator can tow up to 8,600 lbs. When the going gets slick, Navigator's AdvanceTrac® with Roll Stability Control can help keep you on the road and headed in the right direction.

EXACTLY WHERE YOU WANT TO BE.

Navigator is engineered to make things simple. For example, the available POWER LIFTGATE opens and closes at the touch of a key fob or overhead console button. The available POWER-FOLDING THIRD-ROW SEATS disappear at the flick of a switch. An available easy-to-use voice-activated DVD-based NAVIGATION SYSTEM provides turn-by-turn guidance. Touch a button and the screen reveals a THX™ Certified Audio System with nine speakers and a six-disc in-dash CD changer. With the standard first- and second-row leather-trimmed bucket seats, NAVIGATOR'S LIVING SPACE is a comforting haven for seven. An available 40/20/40 split-bench second-row seat ups the head count to eight.

TEST DRIVE THE 2006 NAVIGATOR.

Visit Shopping Tools at lincoln.com to locate your nearest Dealer and schedule a test drive. Or, if you prefer, you can call 800-688-8898.
