If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁴Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁵2021 Fuel Economy Estimate 6.6 L/100 km (43 MPG) highway. Actual mileage may vary with driving conditions – use for comparison only. ⁶Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Express your personal style in the new 2021 Nissan Kicks®. Cut through the city with precise handling and advanced driver assist features.¹ Feel your playlist like never before with the Bose Personal® Plus Audio System.² Connect in an instant with compatible smartphone integration.³ Style meets technology in the 2021 Kicks.

A detailed view of the interior of a Nissan Kicks SR Premium. The image shows the driver's perspective, featuring a black leather-trimmed steering wheel with orange contrast stitching and a silver Nissan logo. The instrument cluster includes a tachometer, speedometer, and a central digital display showing 12:00 PM and 68°F. The center console has a large 8-inch touch-screen display showing a music player interface for Kirby Williams' 'Mao About You'. Below the screen are climate controls and a gear shifter. The dashboard and door panels also feature orange stitching. The car is parked on a city street, with other vehicles and buildings visible through the windows.

Grab a seat at the centre of attention

From the new centre armrest² to a new larger 203 mm (8") customizable colour touch-screen display,² the 2021 Kicks® interior was updated to put you first. Details like a D-shaped steering wheel and distinctive contrast stitching² make you and your crew feel like the centre of attention.

Find a shortcut to more possibilities

Kicks® opens up a world of limitless possibilities with easy access and flexible cargo. With a liftgate that opens high enough for you to stand under, it's never been easier to make the most of every day. The cargo cover^{2,4} helps keep your gear away from prying eyes and is easily removable when you're carrying a lot of cargo.⁴

U.S. model shown.

Fit whatever you're into

Flexible Cargo Configurations Weekend trip for three? The 60/40-split rear seats mean there's plenty of room for your crew and all their stuff. And with the second row folded down, Kicks has more than enough room to handle all the gear for your next gig.⁴

Spirited and efficient performance

Weave through traffic with the power to merge and the fuel efficiency to keep going. Nimble handling and responsive steering make driving downtown fun.

U.S. model shown.

Get even more driver assistance

Intelligent Cruise Control Go with the flow. Intelligent Cruise Control watches the flow of traffic to take the tedium out of your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.^{2,9}

Standard smartphone integration

Apple CarPlay® integration People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, Apple CarPlay® brings on board to your Kicks® your contacts, favourite messaging apps, Apple Music® playlists, Apple Maps, and more. It even works with your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.^{3,6}

Android Auto™ With Android Auto, you can keep your eyes on the road and hands on the wheel while using your voice to help you with your day. Ask Google to play your favourite song, navigate home, or respond to a text hands-free. Just say, "Hey Google" or long-press the voice control button on your steering wheel.^{6,7,8}

Premium audio

Expect your own personal concert on every drive with Bose UltraNearfield™ speakers² built right into the driver's headrest.

Cold-weather features

Remote Engine Start System On hot days, the Remote Engine Start System with Intelligent Climate Control can adjust temperature and airflow for a quick cool-down.^{2,10}

On chilly days, you can remotely start your vehicle to return it to a comfortable temperature before leaving home or work.^{2,10}

Heated front seats Heated front seats not only take the edge off a chilly morning, they feel great on your back in any weather.²

Heated steering wheel Don't forget about your hands. The heated steering wheel² offers welcome warmth on cold days.

Standard Nissan Safety Shield® 360

Imagine being surrounded by confidence on every drive. Part of Nissan Intelligent Mobility, Safety Shield 360 includes features that monitor in front of you, behind you, and on either side, and can step in to help keep you safe. The following features come standard on every 2021 Nissan Kicks.^{®1,11}

Intelligent Around View® Monitor Park like a pro with a bird's-eye view to help guide you into your spot. Four cameras give you a virtual composite 360° view from above, helping you see what's around your crossover in a whole new way. Select from split-screen close-ups of the front, rear and curbside views to help you smoothly manoeuvre into a parking space.^{2,17,18}

Divine intervention, engineered

SAFETY AND DRIVER ASSIST FEATURES

Blind Spot Warning Wait. Was that a car over there? Kicks with Blind Spot Warning can help keep an eye on the blind spot area and gives you an alert if it detects a vehicle hiding there.¹⁵

Lane Departure Warning Hold it right there. Lane Departure Warning helps make sure you change lanes only when you mean to. If the system detects that you're drifting over, it'll warn you.¹⁶

High Beam Assist Another bright idea. High Beam Assist helps your late-night drives, turning down your high beams when it senses oncoming traffic.

Technology that looks out for others

Intelligent Emergency Braking with Pedestrian Detection

Monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can also automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.¹²

Technology that watches your back

Rear Automatic Braking Trash pickup days can be an obstacle course. Not to worry. Kicks also watches out behind you for stationary items you might not see. It detects an item, and if you fail to stop, it can automatically engage the brakes.¹³

Rear Cross Traffic Alert Fear no parking lot. When you're backing out of a space, Rear Cross Traffic Alert watches behind your Kicks and can warn you about cars it detects creeping up on you from either side.¹⁴
