WHAT GETS YOU GOING?

It's not where you're going. It's how you get there. And when you're behind the wheel of a MAZDA3, getting there is all the fun. Take the sports-car dynamics and extreme utility of the MAZDA3, add the style and versatility of Genuine Mazda Accessories, and you've got even more reasons to enjoy the ride.

Aggressive, athletic, sleek — the MAZDA3 was born to be driven. And accessorized. Road dynamics meet aerodynamics with the Rear Spoiler, Rear Skirt Diffuser, Rear Aero Flares, Front Air Dam, and Front Lip Spoiler. You'll catch looks from passers-by with sporty accents like the Side Sill Extensions, Lower Door Moldings, and Fuel-Filler Door. You'll grab the attention of passengers as well with interior accents like the Instrument Panel Decorative Trim, Door Switch Decorative Panels, Gearshift Knob, and two-tone Steering Wheel.

Once you've tricked out your MAZDA3, be sure to treat it right with protective accessories like a Car Cover, Front Mask, Splash Guards, and All-Weather Floor Mats. When you're ready to get going, your MAZDA3 will be ready to carry your stuff with the Cargo Tray, Cargo Net, and Carpet Cargo Mat.

So whether you go for the 4-door or 5-door MAZDA3, be sure to choose Genuine Mazda Accessories. Because only Genuine Mazda Accessories promise superior quality, performance and fit, backed by the Mazda warranty. Add your accessories at the time of vehicle purchase, and take advantage of financing options. Now if that doesn't get you going, nothing will.
