

TUNDRA

2013

4x4 CrewMax Tundra Grade shown in Magnetic Gray Metallic with available 5.7L V8, 18-in. alloy wheels and Convenience Package.

Double Cab interior shown in Graphite.

Seven. That's the number of years in a row J.D. Power and Associates¹ has named Tundra the "most dependable large pickup." That number is even more impressive considering how hard Tundra works. Select models are capable of towing² at least five tons with the available 5.7L V8. And equipped with either the 270-hp 4.0L V6 or the 310-hp 4.6L V8, Tundra gets an EPA-estimated 20 mpg highway rating.³ Further proof that when it comes to work, this truck means business. **2013 Toyota Tundra.**

TOP STANDARD FEATURES⁴

- Available 5.7L V8 with 381 hp tows over 10,000 lbs.²
- Trailer-Sway Control (TSC)⁵
- Easy lower and lift tailgate
- Dual zone air conditioning with individual temperature settings for driver and front passenger
- Automatic Limited-Slip Differential (Auto LSD)
- Star Safety SystemTM — includes Vehicle Stability Control (VSC)⁶, Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)⁷ and Smart Stop Technology (SST)⁸

1. The Toyota Tundra received the lowest number of problems per 100 vehicles among large pickups in the proprietary J.D. Power and Associates 2006-2012 Vehicle Dependability StudiesSM 2012 study based on 31,325 consumer responses measuring problems consumers experienced in the past 12 months with three-year-old vehicles (2009 model year cars and trucks). Proprietary study results are based on experiences and perceptions of consumers surveyed October-December 2010. Your experiences may vary. Visit jdpower.com **2.** See footnote 27 in Disclosures section. **3.** See footnote 29 in Disclosures section. **4.** See footnote 13 in Disclosures section. **5.** See footnote 23 in Disclosures section. **6.** See footnote 18 in Disclosures section. **7.** See footnote 19 in Disclosures section. **8.** See footnote 20 in Disclosures section.

TUNDRA CAB CHOICES

CREWMAX MANPOWER MEETS HORSEPOWER.

- Short Bed (5.5 ft.) configuration
- Available in two engine sizes: 4.6L V8 and 5.7L V8
- 4x2 5.7L V8 features payload capacity up to 1445 lb.¹
- 4x2 4.6L V8 rated for 1365-lb. maximum payload¹
- 4x2 5.7L V8 features towing capacity up to 9900 lb. when properly equipped²

DOUBLE CAB VERSATILITY NEVER WORKED HARDER.

- Available in Standard Bed (6.5 ft.) or Long Bed (8.1 ft.) configurations
- Available in three engine sizes: 4.0L V6, 4.6L V8 and 5.7L V8
- 4x2 5.7L V8 Standard Bed features payload capacity up to 1540 lb.¹
- 4x2 4.6L V8 Standard Bed rated for 1410-lb. maximum payload¹
- 4x2 5.7L V8 Standard Bed features towing capacity up to 10,100 lb. when properly equipped²
- V6 Standard Bed offers maximum towing capacity up to 4500 lb.²

REGULAR CAB REGULAR IN NAME ONLY.

- Available in Standard Bed (6.5 ft.) or Long Bed (8.1 ft.) configurations
- Available in three engine sizes: 4.0L V6, 4.6L V8 and 5.7L V8
- 4x2 5.7L V8 Long Bed features payload capacity up to 1885 lb. when properly equipped¹
- 4x2 4.6L V8 Standard Bed rated for 1635-lb. maximum payload¹
- 4x2 5.7L V8 Long Bed features standard towing capacity up to 10,400 lb.²
- V6 Standard Bed offers maximum towing capacity up to 4900 lb.²

GENUINE TOYOTA ACCESSORIES

You own it. But there are a few things you might want to do before it's really yours. Maybe it needs different wheels, tube steps, tie-downs, cross bars or a trailer brake controller for doing stuff that only matters to you. Whatever it is, ask your sales associate to see the 2013 Tundra Accessories brochure, a soup-to-nuts catalog of Genuine Toyota Accessories designed to give your Tundra the finishing touches that make it unmistakably yours. For a complete list of accessories, go to toyota.com/tundra

DISCLOSURES

1. XM services require a subscription after trial period, and are sold separately or as a package. **Subscriptions governed by SiriusXM Customer Agreement; see www.siriusxm.com. If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 2. May not be compatible with all mobile phones. MP3/WMA players and like models. 3. iPod® is a registered trademark of Apple Inc. All rights reserved. 4. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. Other trademarks and trade names are those of their respective owners. The Bluetooth® wireless technology phones listed on toyota.com have been tested for compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Toyota. 5. Availability and accuracy of the information provided by the navigation system or any XM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic navigation updates available at additional cost. See your *Navigation System Owner's Manual* or contact XM for details. 6. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. Select Entune® apps use a large amount of data and you are responsible for all data charges. Apps and services vary by phone and carrier. Apps identified by "TM" or "®" are trademarks or registered trademarks of their respective companies and cannot be used without permission. See toyota.com/entune for the latest information regarding apps and services. 7. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 8. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc"® logos are proprietary trademarks of iBiquity Digital Corp. 9. iTunes® Tagging is a registered trademark of Apple, Inc. All rights reserved. 10. Headphones are for passenger use only. Do not use while operating vehicle. 11. HomeLink® is a registered trademark of Johnson Controls, Inc. 12. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key, it can be costly to replace. If you lose a key, your Toyota dealer can help, or you can find a qualified independent locksmith to replace your key or perform high-security key services at www.aloa.org. 13. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. 14. V6 models only. 15. Standard Bed models only. 16. V8 models only. 17. Long Bed models only. 18. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 19. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 20. Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. 21. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. 22. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. 23. Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether TSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 24. 20-inch performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions. 25. Flex Fuel Vehicles not available in every state. In states where available, all 4x4 5.7L V8 models are FFV. Flex Fuel Vehicles use E85, gasoline or a combination of both. Estimated mileage will vary. Consult your dealer for nearest E85 filling stations or see toyota.com for further details. 26. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb. 27. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with new SAE J2807 method. 28. Requires Tow Package. 29. 2013 EPA-estimated mileage. Actual mileage will vary. 30. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with retention hooks/clips. Do not install a floor mat on top of an existing floor mat. 31. Cargo and load capacity limited by weight and distribution. 32. Requires Deck Rail System. 33. Available for vehicles with factory remote keyless entry. 34. The TRD supercharger and TRD performance air intake are to be sold as dealer-installed or over-the-counter options after the retail sale of the vehicle. The supercharger and performance air intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog at www.trdusa.com or call 800-688-5912 for a complete list of TRD products and warranty information. Emissions-legal for aftermarket sale via C.A.R.B. Executive Order.

TOYOTA FINANCIAL SERVICES

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love.

Turn everything you buy into points to redeem toward parts, Toyota Rewards Visa® accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.*

Visit www.toyotarewardsvisa.com for complete details.

Toyota Financial Services (TFS)† is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

†Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

Toyota Tundra is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing receiver hitches/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.
