

MERCURY MONTEGO 1973

Mercury Montego MX Brougham 2-Door Hardtop with optional vinyl roof and WSW tires.

Mercury Montego MX Brougham ...lifestyle '73 '74 '75 '76

Mercury Montego MX Brougham

Montego is trimmer by as much as a foot overall compared to some "full-size" cars. And that helps make this particular Mercury a breeze to handle in city traffic or open country. It is tailored in two wheelbase lengths and gives you smoothness and steadiness of ride on almost any type of road. Actually, Montego boasts the same type of finely honed suspension design as our most expensive luxury cars. And that's pretty fine!

Mercury Montego MX Brougham features as

standard equipment: 250-1V 6-cylinder engine · 3-speed manual transmission · Front disc brakes · E78-14 BSW tires · Energy absorbing bumpers · Deluxe insulation package · Concealed windshield wipers · Deluxe wheel covers · Deluxe 2-spoke steering wheel with woodgrain insert · Color-keyed deep loop carpeting · Locking steering column · Dual headlamps · Ford Motor Company Safety Design Features.
Note: Other equipment shown in model illustrations is optional.

Montgo MX Brougham interior

Mercury Montgo MX Brougham Interior

The Montgo MX Brougham interior, illustrated at left, features newly designed Flight Bench seats with fold-down center armrest. It is standard in either cloth-and-vinyl as shown, or in super-soft all-vinyl. Interior color schemes available are black, medium blue, white, medium ginger, medium green, dark tobacco and light beige.

Mercury Montgo MX Brougham instrument panel. AM/FM multiplex radio, rim blow steering wheel, electric clock shown are optional.

Mercury Montego MX

A drive in the 1973 Montego is uniquely pleasing—the ride smooth and stable. You'll never be concerned again about what kind of roads you travel. You've no idea how Montego's wide tread and high-stability suspension can add to your driving pleasure—until you try this *better idea* car with the big-car ride!

Mercury Montego MX features as standard equipment: 250-1V 6-cylinder engine · 3-speed

manual transmission · Front disc brakes · E78-14 BSW tires · Dual headlamps · Energy absorbing bumpers · Deluxe insulation package · Concealed windshield wipers · Color-keyed deep loop carpeting · Locking steering column · Ford Motor Company Safety Design Features. Note: Other equipment shown is optional. As in all Mercurys for 1973, a wide range of options and accessories is available.

Mercury Montego

Montego's road-smoothing front suspension design uses advanced engineering technology and special butyl rubber bushings to isolate your car's frame, reducing road noise and harsh vibrations. The wheels take the punishment—not you! It's the ride of a big car with personal-size handling ease and an unusual level of luxury in a car so modestly priced.

Mercury Montego features as standard equipment:
· 250-1V 6-cylinder engine · 3-speed manual transmission
· Front disc brakes · E78-14 BSW tires · Dual headlamps
· Energy absorbing bumpers · Locking steering column
· Ford Motor Company Safety Design Features.

Note: Other equipment shown is optional.

Mercury Montego GT

This fastback dares to be different—and does it beautifully! A special flair for performance, from hood scoops to dual racing mirrors. Start with the 302-2V V-8 and go from there. Full instrumentation including tachometer. Montego GT—for the go generation! **Mercury Montego GT features as standard equipment:** 302-2V V-8 engine · 3-speed manual transmission · Front disc brakes · F78-14 WSW tires

· Deluxe insulation package · Performance hood/dual scoops · Dual racing mirrors · Energy absorbing bumpers · Dual headlamps · Concealed wipers · Deluxe wheel covers · Full complement of performance instruments, including tachometer · Sports-type 3-spoke steering wheel · Color-keyed deep loop carpeting · Locking steering column · Ford Motor Company Safety Design Features · Note: Other equipment shown is optional.

Overall width	78.6"	78.6"	Fuel capacity	16.6 Imp. Gallons

All 1973 Mercurys have substantially improved impact resistant front and rear bumpers. Specifically, the bumpers meet the 1973 Canadian Motor Vehicle Safety Standards for up to 5 mph frontal impact protection and up to 2.5 mph rear impact protection straight into a flat, vertical fixed barrier without preventing normal operation of

the car's lighting, latching, fuel, cooling and exhaust systems or of the propulsion, suspension, steering and braking systems. Tests show that, with bumper guards, no substantial damage to sheet metal should result from such a barrier impact at or below these speeds.

Ford Motor Company Safety Design Features

- Dual Hydraulic Brake System with warning light
- Glare-reduced instrument panel padding, windshield wiper arms, steering wheel hub, rearview mirror/mirror mounting and windshield pillars
- Energy-absorbing steering wheel and column
- Energy-absorbing armrests and safety-designed door handles
- Front and rear lap belts with mini buckles for all seating positions and retractors for front and rear outboard occupants
- Shoulder belts for front outboard occupants (except convertibles)
- Positive reminder warning light and buzzer for front outboard seat belts
- Turn indicators with lane-changing signal feature
- Inside yield-away rearview mirror
- Energy-absorbing instrument panel with padding for center and outboard passengers
- Padded sun visors
- Locking steering column with warning buzzer
- Two speed or variable speed windshield wipers
- Windshield washers
- Improved impact absorbing laminated safety glass windshield
- Double-yoke safety door latches and safety hinges
- Hazard warning flasher
- Steel guard rails in side doors
- Backup lights
- Side marker lights
- Energy-absorbing front seat back tops with padding
- Self-locking front seat backs on 2-door vehicles
- Safety-designed coat hooks (except convertibles)
- Safety-designed radio control knobs and push buttons (on all cars equipped with radios)
- Outside rearview mirror, driver's side
- Safety rim wheels and load-rated tires
- Corrosion-resistant brake lines
- Uniform transmission shift quadrant (on all cars equipped with automatic transmission)
- Parking lamps coupled with headlamps
- Non-reversing odometer
- Safety-design front end structure
- Improved front and rear bumpers
- Head restraints or high back seats for front outboard occupants
- Safety glove box latch (on all cars equipped with glove boxes)
