With Original Škoda Accessories you are guaranteed premium quality and a perfect factory fit. All Škoda Accessories also come with a two year unlimited mileage warranty, or three years unlimited mileage warranty when purchased with a new vehicle. In addition to Original Škoda Accessories this brochure also features approved and aftermarket products. These products may have different warranty periods to Original Škoda Accessories and these are indicated where appropriate.

Many of the products here will require fitting by your local Škoda retailer (indicated by a spanner symbol), so you should always ensure that you ask for a fitted price. By altering those lines very subtly, with the use of body styling and an alloy wheel upgrade, a distinctive new sporty look can be generated. The styling items include a Twindoor spoiler, front bumper spoiler, rear diffuser and, where not fitted as standard, an exhaust end piece. You can choose to buy the styling items individually or as part of a kit.
