

**FordFiesta**  
Titanium Individual

#### The Individual finish

Experience a level of luxury usually found only in much larger cars. Our designers worked with premium leather and high-grade materials to create the ultimate style statement. Take a look at the detailed craftsmanship. You're travelling first class.

Get behind the wheel and you feel like you're stepping into the pages of a fashion magazine. Always in season, red is the colour of passion. The Fiesta Titanium Individual will ignite yours.

#### Bluetooth® Voice Control

Use your voice to change radio stations or CD tracks, make and receive mobile calls, control volume and temperature.

## Step up to a higher level of luxury and technical innovation

The Individual brand confers an added layer of sophistication to the Ford Fiesta Titanium. Elegant design and finish is matched by advanced technology.

#### Ford Fiesta Titanium Individual

- Bluetooth® Voice Control
- Built-in USB connection
- Premium leather seat trim with contrast stitching
- Coordinated leather steering wheel and gearshift knob
- Electronic Automatic Temperature Control (EATC)
- Premium velour floor mats
- Cruise control

#### Leather seat trim and door insert

Beautifully-stitched red and silver leather seat trim is embossed with the 'Individual' logo. The leather door insert adds a distinguished touch.

#### Leather gearshift knob

Finest leather and materials including aluminium-look insert on the gearshift.

#### USB connector

Built in to connect your iPod®, MP3 player or other devices.

#### Premium velour floor mats

With Individual logo

**Illustrations, descriptions and specifications.** This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note:** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note:** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note:** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitable differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Allergy-tested interior All materials used in the manufacture of the interior of this vehicle meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outdoor air. At higher temperatures, the additional use of air conditioning is recommended.
