

FORD **RANGER**

Feel the difference

Wildly practical

Do you need go-anywhere ability? A massive load area and payload capacity? Ample pulling power? Car-like comfort and space for five adults? The latest comms and satnav? Excellent fuel economy and low CO₂ emissions? And a choice of Regular Cab, Super Cab or Double Cab? You need the stunning new Ford Ranger!

All-new range of engines

Ford Ranger's new high-tech 2.2- and 3.2-litre Duratorq TDCi diesel engines provide all the power and torque you need for real pulling power.

Excellent wading depth

New Ford Ranger is designed to drive through water up to 800 mm deep – which can mean the difference between getting there or not.

All-new four-wheel drive system

Ford Ranger's new four-wheel drive system has three driver-switchable settings, with grip optimised by a comprehensive Electronic Stability Programme (ESP) system.

New Ford Ranger is engineered to excel in every area, making your work life easier and more productive, and your leisure time more fun. When you want to get to a remote location in a hurry, Ranger has the power, torque and an all-new four-wheel drive system for the traction you need. When you've got lots to shift, Ranger's generous payload capacity and impressive load box volume are just the job. When you're pulling a heavy load, Ranger's already impressive towing capacity (up to 3350 kg for 4x4s with a braked trailer) is complemented by our innovative Trailer Sway Assist (TSA) technology.

When you need to stay in touch and on the right track, Ranger has some of the latest communications and satnav technology available. And when you want to feel secure, Ranger's standard Electronic Stability Programme (ESP) and fully comprehensive multi-airbag system are designed to provide real peace of mind.

Payload capacity

With a choice of three powerful new diesel engines, Ford Ranger comes with an impressive payload capacity and load box size.

Bluetooth®-enabled audio streaming

Lets you stream stereo-quality music from your Bluetooth®-enabled mobile phone to play it through your Ford Ranger's audio system, control your mobile device, and access your phone book and recent calls.

Rear-view camera

Select reverse and the image from the rear-view camera comes on automatically in the rear-view mirror. Marker lines overlaid on the camera image indicate where the vehicle is heading based on steering angle. (Standard on Wildtrak)
