

FordFiesta

Feel the difference

0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

The first rule of staring:
wear sunglasses

Model shown is a Ford Fiesta Titanium 3-door with Hot Magenta metallic paint (option at extra cost) and Titanium X pack (option on the 1.6 Petrol only).

Get stuck in traffic
so everyone can have
a good look

Model shown is a Ford Fiesta Zetec S 3-door
with Vision metallic paint (option), side skirts and
16" 5-spoke alloy wheels (standard).

Life in the limelight.
Bask in the afterglow

Model shown is a Ford Fiesta Titanium 3-door
with Soho upper instrument panel colour and
Syracuse environment colour. Keyless Entry inc
Power Start Button fitted (option).

Bluetooth® Voice Control and USB.
Use your voice to change radio stations or CD tracks, make and receive mobile calls, control volume and temperature (where EATC fitted)(See specification pages for availability)

Untangle your life when you step into your car.
The Ford Fiesta has all the right connections already built-in.

Make the
connection

Much more than music

The central control console is inspired by the latest mobile phone design and is as functional as it is beautiful. It gets you connected with Bluetooth®, Voice Control, USB and AUX for your MP3, and a screen for your phone and track info. (See specification pages for availability)

**Capless refuelling with
Ford Easy Fuel**

No dirty fuel caps to touch. Plus Ford Easy Fuel with its unique safeguard ensures nobody accidentally fills up with the wrong fuel. (Standard)

Rear-view camera

Select reverse and the rear-view camera appears in the rear-view mirror, allowing you to see objects behind your car for easy manoeuvring and parking. (Option)

Power-operated folding door mirrors

Just the thing for parking in narrow streets. (Standard on Titanium, option as part of City Pack)

Ambient lighting

A soft red glow discreetly highlights the interior of your Ford Fiesta.
(Standard on Zetec and Titanium)

All the experience of Ford's renowned development engineers has been poured into the Ford Fiesta to create a driving experience where every journey is an event to savour.
Form and function combine perfectly to keep you relaxed and in full control.

You won't want to get out

Steering that adapts to its environment
Ford Fiesta's sophisticated new Electric Power-Assisted Steering (EPAS) achieves a balance that's just not possible with conventional power steering systems. At parking speeds, full power is delivered for feather-light manoeuvring. Once you're on the move, it steadily weights up to just the right extent for optimum feel and control.

Ford Key-Free System with 'Ford Power' engine start/stop button
Start the car and lock or unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag. (Option on Titanium)

Cruise control
Set your speed. Relax. Enjoy the drive.
(Standard on Titanium)

Height- and reach-adjustable steering
Find your ideal steering wheel position for a more relaxed driving experience.(Standard)

Long term investment

Some possessions are made to last. The Ford Fiesta has quality and durability built in from the beginning and inspires a sense of confidence that's priceless.

With sparkling accents and high quality details, the Ford Fiesta is polished and poised. Look a little deeper and you discover every single component is engineered with one objective clearly in mind: quality that's built to last.

Precious metal

Intelligent Protection System (IPS)

Ford's advanced IPS uses a range of sophisticated technologies to keep you protected, including ultra-high strength steel safety cage, anti-lock brakes with emergency brake assist, front, side & knee airbags and optional curtain airbags.

Glittering details

The attention to detail lavished on the Ford Fiesta is clear from the jewel-like quality of its exterior design.

Relentless

During its development, we test drove the Ford Fiesta the equivalent of 87 times around the globe. Pushed it through the extremes of real world weather from -40°C to +80°C and tested it over and over again. It's a car you can rely on, right down to the smallest ball bearing.

Edge

15

Model shown is finished in Moondust Silver metallic paint (option) with 15" wheels and 6-spoke covers.

Generous levels of equipment and a stylish package start with Edge

Features

(Standard)

Body colour door handles
(Standard)

Lowered suspension
(Standard)

Body colour rear spoiler
(Standard)

Better for the environment

Like you, everyone at Ford is concerned about the potential impact of climate change. So we're developing new ideas to make our cars more environmentally sustainable, without compromising on style or performance. Some of these ideas will take time to bear fruit. Others can have an impact now. Ford ECOgetic is the result of this philosophy: low-emission diesel cars that are affordable, stylish and rewarding to drive.

Better for you

The new Ford Fiesta ECOgetic achieves an amazing fuel consumption of just 76.3mpg (combined cycle). And with CO₂ emissions of just 98 g/km, it is exempt from Vehicle Excise Duty as well as the fees charged for resident parking permits by some local authorities.

ECOnetic

Model shown is finished in Squeeze metallic paint (option).

The new Ford Fiesta ECOgetic's generous standard specification proves that caring for the environment doesn't have to compromise your driving pleasure.

Additional to Edge (ECOnetic emissions-reducing features)

Lowered suspension

Lowers the height of the car to improve aerodynamic efficiency

Rear-wheel air deflectors

Control airflow over the rear wheels and wheel arches to reduce drag and lift

Special engine calibration

The 1.6-litre Duratorq TDCi 95 PS engine and 5-speed transmission have been modified for optimum fuel economy without compromising the acclaimed driveability of the new Ford Fiesta

Special instrument cluster display

Contains Shift Indicator Lamp (SIL) to help improve fuel economy

Special instrument cluster display
(Standard)

Zetec

Model shown is finished in Panther Black metallic paint with Bluetooth® and USB paint (option) with 15" 8-spoke alloy wheels (standard).

It's the attention to the smallest detail that gives the Ford Fiesta Zetec a feeling of refined luxury.

Additional to Edge

- 15" 8-spoke alloy wheels
- Front fog lights with chrome surround
- Quickclear heated windshield

Lockable carrier designed for frames up to 80 mm in diameter.

Base roof load carrier
Lockable base load carrier compatible with a range of attachments.

Thule lockable roof boxes
Protect your possessions from theft and the elements. Available in different sizes.

Mudflaps*
Kits for front and rear.

Anti-slip boot mat
Waterproof mat protects luggage compartment from dirt, wear and tear.

Waeco 12v coolbox
High-performance 12v cool boxes available in a range of sizes.

Multi-purpose foldable mat for luggage compartment
Provides luggage compartment protection. Reversible design offers choice of carpet or durable rubber surface. Ideal for carrying wet or dirty items.

*Available on all series except Zetec S. Not available with full exterior styling kit.

Dog guard
Keeps dogs or items of luggage safely in the luggage compartment. Fits to existing mountings behind the rear seats in place of the package tray. (Accessory)

Parking distance kit*
Audible warnings help you park in tight spaces. Available for front and rear (option), or just rear. (Accessory).
*Not available on Zetec S or with Full Exterior Styling Kit

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Ford ECOnetic Technologies

Ford has developed a range of sustainable technologies, which vary by model, in order to improve fuel economy, reduce CO₂ and lower cost of ownership. These include Ford EcoBoost advanced, fuel-efficient petrol engines, Ford PowerShift transmission and Ford Auto-Start-Stop.

A low emission diesel ECOnetic derivative is now available. The Ford Fiesta ECOnetic delivers more than 76.3 mpg, emitting just 98 g/km of CO₂.

Longer term Ford ECOnetic Technologies will expand to include electric and hybrid-electric vehicles, biofuel-capable vehicles, plug-in hybrids and hydrogen fuel-cell-powered vehicles.

Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO₂ emissions.

Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

Breathe easier

The allergy-tested interiors of Ford Fusion, Ford Focus, Ford Kuga, Ford Mondeo, Ford S-MAX and Ford Galaxy models were the first worldwide to receive the approval of the independent German TÜV organisation.

Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

Ford Credit

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide?

Ford Options offers increased flexibility and gives you the opportunity to drive a new Ford more often. At the end of the agreement you can Renew, Return or Retain your Ford.

Ford Acquire is ideal if you're a private or business user who wants a straightforward financing plan to own your vehicle. Simply put down a deposit, pay the remainder, plus interest, over an agreed period and the vehicle becomes yours.

Ford Lease* provides simple, tailored funding solutions for your business, whatever the size. Business users only.

Ford Insure** is our comprehensive motor insurance product, designed specifically for Ford drivers.

For more information on our finance products please visit ford.co.uk.

Finance subject to status. Guarantees/indemnities may be required. Freepost Ford Credit.

*Ford Lease is provided by ALD Automotive Ltd, trading as Ford Lease, Oakwood Park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. ALD Automotive is registered in England No. 987418. For the purposes of the Data Protection Act 1998 the data controllers in relation to any information you supply are Ford Motor Company Limited, FCE Bank Plc and ALD Automotive. Finance subject to status. Guarantees and indemnities may be required. ALD Automotive is authorised and regulated by the Financial Services Authority.

**Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc, which is authorised and regulated by the Financial Services Authority. FCE Bank plc is authorised and regulated by the Financial Services Authority and acts as an insurance intermediary in relation to Ford Insure. In relation to this same product, Ford Motor Company Limited is an appointed representative of FCE Bank plc. Ford Motor Company Limited acts as an insurance intermediary. Calls may be recorded and monitored.

Services

Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

Contacts

*In 4th gear. [○]Ford test figures. ^{○○}The declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO₂ emissions are specified for a vehicle type and not a single car. The applied standard test procedure enables to compare between different vehicle types and different manufacturers. This information is not part of any product offer made. Real-world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) car configurations, driving behaviour, use of technical equipment such as A/C, as well as other non-tactical factors. **Note** All vehicles are Durashift 5-speed manual unless otherwise stated. BP Ultimate, a range of advanced performance fuels, the perfect partner to meet the most demanding needs of Ford's class-leading technology. BP Ultimate can boost power and acceleration, lower exhaust emissions and improve fuel economy, compared with ordinary fuels.

1.6 Duratorq TDCi (95 PS) ECOncetic	1100	1540	1545	—	—	—

^aRepresents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 75 kg on all models. **Note** All vehicles are 5-speed manual, unless 4-speed auto stated.

Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The **Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Allergy-tested interior All materials used in the manufacture of the interior of this vehicle meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outdoor air. At higher temperatures, the additional use of air conditioning is recommended.
