

FORD TRANSIT

Feel the difference

Ford Transit ECOvan

The ECOvan range has been extended to include a 2-tonne, 350 LWB, front-wheel drive, 2.2 125 PS/330Nm model with 6-speed manual transmission. The vehicle is fitted with an 'ECO Pack', which features an Auto-Start-Stop system and a 70 mph switchable Speed Limiter, to help you achieve class leading fuel economy and CO₂ emissions of just 189g/km. The 280 SWB 1-tonne ECOvan model with the FWD 2.2 100PS/310Nm powertrain achieves a class leading CO₂ of just 173g/km. ('ECO Pack' is an option, at extra cost, on other series)

We put more in so you get more out

Years of not backing down from the hardest work has made the Ford Transit what it is today; the toughest, most respected vehicle in its class. Add a fresh range of economical engines with increased power and torque, plus a near-endless variety of driveline and payload configurations, and you have the perfect solution for all your business needs.

Vehicle shown is a Ford Transit Limited Van in Ink Blue metallic paint.

For more information, please visit: www.fordvans.co.uk

Auto-Start-Stop

Automatically switches off the engine when you come to a halt and restarts smoothly when you want to move off. Can reduce fuel consumption and CO₂ emissions by up to ten per cent in heavy traffic with frequent stops; up to five per cent in mixed driving conditions. (Ford test figures) (Standard on ECOvan, option, at extra cost on other series)

Euro Stage V diesel engines

New 2.2 Duratorq TDCi Stage V diesel engines with 6-speed transmissions are now available across the range.

Smart Regenerative Charging

Increases the alternator output to charge the battery when the vehicle brakes or decelerates.

Variable Nozzle Turbo

Boosts engine torque and throttle response, for a more responsive drive.

Coated diesel particulate filter (cDPF)

Maintenance-free cDPF reduces exhaust particulate emissions.

Your mobile office

Ford Transit lets you take your office with you, wherever you're heading. With its comfortable cab and superbly thought-out features, your life on the road will take on a completely new direction.

6-speed manual transmission

Smooth-shifting 6-speed transmission results in fuel savings and more relaxed driving. Now standard across the range.

Shift Indicator

A Shift Indicator light in the instrument cluster advises you when to change gear, helping you to use less fuel, reduce operating costs and encourages a smoother driving style.

New instrument cluster display

High series cluster standard with Auto-Start-Stop.

Digital tachograph

Sets new standards for performance, technology, design and tamper-proofing. (Option)

Get in, get comfortable and get to work

Increased congestion means you're likely to spend more time on the road than ever. So Ford Transit's Bluetooth® connectivity* and satellite navigation** help keep you in touch and informed.

Go further on every tank

Should you come to a halt, Auto-Start-Stop** automatically turns off the engine (in appropriate conditions) to save fuel and reduce emissions, and restarts the engine instantly when you're ready to pull away.

*Standard on Limited Van and Sport Van, option, at extra cost, on other series.

**Options, at extra cost. Selected models only.

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Whatever the future may hold, Transit Van can carry it

Long or tall, big or small, light or heavy, the legendary Ford Transit Van can carry it all. Offering a choice of wheelbase lengths, roof heights and front, rear- and all-wheel drive, it has an unbeatable capacity for hard work.

Wherever you travel, get there in style

When it comes to moving passengers quickly, safely and in style, there's no better solution than the award-winning Ford Transit Minibus.

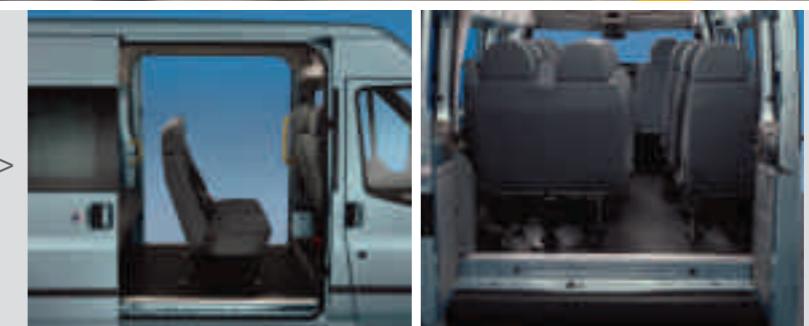

For business and pleasure

Built to the very highest standards, the versatile and spacious Ford Transit Minibus range is equally at home taking a sports team to an event, as it is transporting business clients to the airport. The Ford People Mover range is now available in a wide range of models from 8 to 17 seat configurations.

Twin sliding side load doors

For easy access to the passenger compartment. (Standard on Tourneo and 9-seat Shuttle Bus).

Designed for comfort and safety

Twin rear doors and plenty of gangway space between seats. (Standard on 14 and 17-seat Minibus)

One-Stop 3-way Tipper

Tips to both sides of the vehicle, as well as to the rear, for outstanding versatility.

Ford Transit One-Stop

For a work-ready conversion to your Ford Transit Chassis Cab, look no further than the Ford Transit One-Stop programme. With a range of bodied chassis cabs to choose from, it's the quick, cost-effective way to drive your business forward.

Wander-lead handset

Two-button handset gives the operator control when side tipping.

One-Stop CurtainSlider

Sliding, semi-rigid curtains offer fast access to the load area. (Optional flush-fitting grab handles shown)

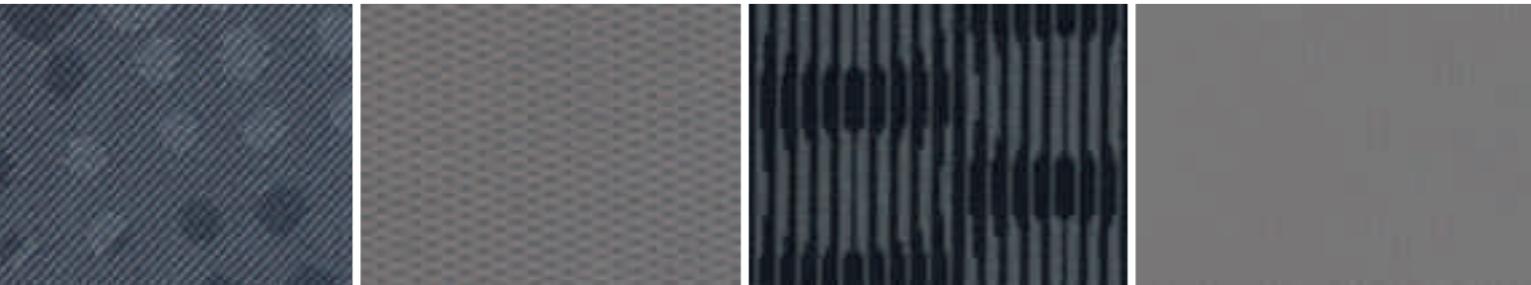

Vehicles shown (from left): Ford Transit One-Stop 1-way Tipper; Ford Transit One-Stop CurtainSlider; and Ford Transit One-Stop Box Van.

Special Vehicle Options (SVO)

While the Ford Commercial Vehicle range already offers an extensive choice of off-the-shelf features and options, the Special Vehicle Options (SVO) programme goes a step further. With special options ranging from smaller items like a secondary heavy-duty battery, to something as complex as a refrigerated van or a platform lift, the SVO team is here to help. So whether you want your next vehicle supplied in a special colour to match your company's livery, or need a dedicated conversion for specialist use, SVO has the flexibility and experience to provide a vehicle that's right for you.

For more information, please speak to your local Ford Transit Specialist Dealer.

Note The images used are to illustrate body colours only and may not reflect the vehicle described. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

If you need a unique colour for your fleet, speak to your local dealer about our SVO colours that offer you more than 100 colour options. Contemporary colours reflect the latest trends in vehicle colouring but are subject to deletion at short notice.
