

FORD **FIESTA**

Go Further

Visionary. Ingenious. Remarkable.  
Every car bears his signature.

*Henry Ford*

Unlock extra content online. If you use a smartphone or tablet, download the Fiesta Viewr app and point your device at any page with the phone icon.

Could this be  
the start of a  
long-lasting  
love affair?

With sparkling accents and high quality details, the Ford Fiesta is polished and poised. Look a little deeper and you discover every single component is engineered with one objective clearly in mind: quality that's built to last.

Use your voice like another pair of hands.

**Ford SYNC with Emergency Assistance** lets you play music, make and receive hands-free calls, and even read out your incoming text messages – all with simple voice commands. Bluetooth®-enabled audio-streaming means you can stream your music collection from your mobile phone or other Bluetooth enabled device directly to the car audio system. In the event of a collision Ford Emergency Assistance\* communicates with the Emergency services directly, providing coordinates of the incident and allowing occupant control at all times..

\*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible mobile phone that is with you when any airbag is deployed (excludes knee airbags and rear inflatable safety belts, if equipped) or the fuel pump is shut off. Text function and Emergency Assistance not supported by all European languages.. See your local Ford website for latest information.

# Indulge your love of style.

Enjoy high-quality partial or full leather seats, perfectly complemented by a leather-trimmed handbrake handle and gearshift knob in the Fiesta's beautifully crafted interior. A new premium flow through centre console with armrest, cup holder and chrome highlights – plus enhanced ambient lighting – complete your interior with finesse. (Standard on Zetec S, Titanium and Titanium X)

The steering system that always feels just right.

Ford Fiesta's sophisticated **electric power-assisted steering (EPAS)** achieves a balance that's just not possible with conventional power steering systems. At parking speeds, full power is delivered for feather-light manoeuvring. Once you're on the move, it steadily weights up to just the right extent for optimum feel and control. The height- and reach-adjustable steering wheel enables you to find your ideal driving position for a more relaxed driving experience. (Image shown includes Leather trimmed steering wheel with Charcoal Black contrast stitching and Midnight Symphony accent ring on insert rim).

Enjoy the performance of a manual.

With the convenience of an automatic.

**Ford PowerShift** delivers the perfect combination between automatic convenience and manual efficiency. This 6-speed automatic transmission selects the next appropriate gear at precisely the right moment for smooth, lightning-fast gear changes, with no disruption to the flow of power. The manual mode lets you switch gears at the push of a button – no clutch required.

# Ford EcoBoost – International Engine of the Year 2012.

With direct petrol injection, turbocharging and variable valve timing, Ford EcoBoost engines deliver power and torque consistent with larger displacement engines. The result is remarkable performance from such an economical engine. Triple winner at the International Engine of the Year Awards 2012, the new 1.0-litre EcoBoost is available in 100 PS and 125 PS versions.

Economy worth celebrating.

Less fuel. More power.  
Lower emissions.

With the help of **Ford ECONetic Technology**, Fiesta's latest engines are remarkably fuel efficient. The new 1.0 EcoBoost 125 PS petrol engine produces 21 per cent more maximum power than the larger capacity prior 1.4 96 PS that it replaces, and yet it achieves around 24 per cent better fuel economy and 25 per cent lower CO<sub>2</sub> emissions. The new 1.6 Duratorq TDCI 95 PS diesel engine with auto start/stop is even more frugal, with CO<sub>2</sub> emissions of just 87 g/km.. (Engine available across Style Econetic, Zetec Econetic & Titanium Econetic).

87g/km CO<sub>2</sub>

# The key that gives you peace of mind.

**MyKey®** is an innovative programmable feature that encourages safer driving. MyKey® lets you tailor car settings to suit individual users. These settings include speed limit reminders and maximum audio volume. You can also prevent deactivation of driver assistance features. MyKey® settings are automatically activated each time MyKey® is used. (Standard on Style and above)

A detailed close-up of a car's headlight assembly. The headlight is a complex, multi-lens unit with a clear outer casing. Inside, there are several distinct light sources: a large circular projector lens on the left, a series of smaller, rectangular LED lights along the bottom edge, and a yellow-tinted circular light source on the right. The headlight is mounted on a vibrant blue car body, which has a sleek, aerodynamic design. The lighting is bright, highlighting the intricate details of the headlight's internal components and the glossy finish of the car's paint.

Halogen projector headlights  
with LED day running lights.  
(Standard on Titanium &  
Titanium X)

Save fuel  
without even  
thinking  
about it.

When your vehicle is idling at a standstill, Ford Auto-Start Stop automatically shuts down the engine to save fuel. When you want to drive off, the engine immediately restarts. (Only available on 1.0 L, 1.0 EcoBoost and 1.6 Duratorq ECOnetic engines)

**Ford Eco Mode driver information system**

This smart software monitors your driving style and displays its impact on the car's fuel economy.

# See more in front and behind.

Fiesta's **built-in navigation system** eliminates the need for pre-route planning, by responding to real time road speed and traffic conditions to deliver more accurate estimated arrival times and trip information. Select reverse gear and the **rear-view camera** activates automatically in the Sony or navigation display, allowing you to see objects behind your car. Special guidance graphics indicate the width and centre line of the car, based on the steering angle, for safer and easier manoeuvring. (Option; requires Sony Radio or Navigation)

# Fiesta series

## Style

- Manual air conditioning
- My Key
- Radio/CD with USB connection
- Electrically-operated front windows with 'one shot' up and down and anti-trap technology on driver and passenger side
- Remote central locking
- Electrically-operated and heated door mirrors with side indicators
- Hill start assist
- Body colour rear spoiler, front and rear bumper, tailgate and door handles
- Chrome upper grille
- Electronic Stability Programme
- Headlight courtesy delay

### Bodystyles: 3- and 5-door

#### Engines:

Petrol (60/82/105 PS)  
Diesel: Duratorq (75 PS). EConetic (95 PS S/S)

## Zetec

### Additional to Style

- 15" 5x2-spoke alloy wheels
- Front fog lights with chrome ring surround
- Quickclear heated windscreen
- 3-spoke leather-trimmed steering wheel
- Leather-trimmed handbrake handle
- Flow through centre console
- Trip computer
- Ambient lighting
- Chrome belt line finisher
- Chrome tailgate handle

### Bodystyles: 3- and 5-door

#### Engines:

Petrol: 1.0 80 PS S/S, EcoBoost (100 PS S/S), Duratec (82/105 PS)  
Diesel: Duratorq (75 PS). EConetic (95 PS S/S)

## Zetec S

### Additional to Zetec

- 16" 12-spoke alloy wheels
- Body colour front and rear bumper skirts
- Body colour rocker panel mouldings
- Front fog lights with sports bezel
- Black upper and lower sports grille
- Large body colour rear spoiler
- Sports suspension
- Sport style front seats
- Sport pedals
- Centre console with armrest
- Perimeter Alarm

### Bodystyle: 3-door

#### Engines:

Petrol: EcoBoost (125 PS S/S)  
Diesel: Duratorq (95 PS)

## Titanium (not shown)

### Additional to Zetec

- 16" 15-spoke alloy wheels
- Power-foldable mirrors with puddle lights
- LED day running lights
- Sony DAB audio with SYNC
- EATC air conditioning
- Automatic headlights
- Auto-dimming rear-view mirror
- Rain-sensing wipers
- Front and rear velour floor mats
- Cruise control
- Centre console with armrest

### Bodystyles: 3- and 5-door

#### Engines:

Petrol: 1.0 (80 PS S/S), EcoBoost (100/125 PS S/S), Duratec (105 PS)  
Diesel: Duratorq (75PS). EConetic (95 PS S/S)

## Titanium X

### Additional to Titanium

- 16" 12-spoke alloy wheels
- Heated sports-style front seats
- Partial leather seats in Charcoal Black with silver fabric
- Ford KeyFree System including Ford Power Starter Button
- Electronic front and rear windows
- Stainless steel scuff plates
- Rear centre head restraint

### Bodystyles: 3- and 5-door

#### Engines:

Petrol: EcoBoost (100/125 PS S/S), Duratec (105 PS)  
Diesel: Duratorq (95 PS)

# Titanium X

## Additional to Titanium

- 16" 12-spoke alloy wheels
- Heated sports-style front seats
- Partial leather seats in Charcoal Black with silver fabric
- Ford KeyFree System including Ford Power Starter Button
- Electric windows front and rear
- Stainless steel scuff plates
- Rear centre head restraint
- Body colour front bumper with black painted chrome-rimmed lower grille
- Black painted front fog lights with chrome ring surround
- Leather-trimmed steering wheel with Charcoal Black stitching and Midnight Symphony accent ring insert on rim
- Front and rear premium velour floor mats with metal grey stitching

# Titanium

## Additional to Zetec

- 16" 15-spoke alloy wheels
- Power-foldable mirrors with puddle lights
- LED day running lights
- Sony DAB audio with SYNC
- EATC air conditioning
- Automatic headlights
- Auto-dimming rear-view mirror
- Rain-sensing wipers
- Cruise control
- Centre console with armrest

## More than just colour.

Ford Fiesta owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the water-based top coat, new materials and application processes ensure it's not only virtually solvent-free, but will retain its good looks for many years to come.

\*At extra cost.

The Ford Fiesta is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions.

**Note** The car images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of printing processes used.

# A feel for comfort.

**Left: Ultimate/Lux soft in Charcoal Black for Sport**

- 1. Lithos in Charcoal Black for Zetec/Titanium
- 2. Ultimate/Lux soft in Charcoal Black for Zetec S
- 3. Smitty Tech in Silver/Black for Zetec S\*/Titanium X
- 4. Modena leather in Charcoal Black

For more trims, please refer to the specification table on page 70.

\*Option at extra cost.

This feature works when paired with a compatible connected mobile phone that is with you when an airbag is deployed (excludes knee airbags and rear inflatable safety belts, if equipped) or the fuel pump shut off switch is activated. See your local Ford website for latest information.

## Connect with your world

With built-in connectivity for your gadgets, you can fill your Fiesta with your favourite music – and connect to the outside world – with a choice of superb audio, navigation and entertainment systems.

### Remote audio controls

Your hands on the wheel and your MP3 on the right track. (Remote audio controls and MP3 controls are standard)

### Shown right: Sony DAB digital radio/CD with 4.2" TFT colour multi-functional display

MP3-compatible with six speakers (four front and two rear coaxial), remote audio controls, AUX and USB connection for external music devices and Ford SYNC including Ford Emergency Assistance, featuring hands-free Bluetooth® -enabled Voice Control System, audio streaming and DAB technology. (Standard on Titanium and Titanium X.)

Rear-view camera is a separate option that can be ordered in combination with Sony audio and navigation systems. (Option on Titanium and Titanium X)

### USB connection

Built-in connectivity lets you listen to, and operate, your digital music player via the car's Ford audio system.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners. \*Planned production starts January 2013.\* Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you when an airbag is deployed (excludes knee airbags and rear inflatable safety belts, if equipped) or the fuel pump shut off switch is activated. See your local Ford website for latest information.

Adjustable load floor

The adjustable rear load floor can be fitted in two positions, either low on the boot floor to create a deeper boot space, or higher up to create a flatter load space with the rear seats lowered. It can also be removed completely. (Option)

## Smart technology

Fiesta has a range of intelligent features designed to make life a little easier and offer peace of mind.

**1 Active City Stop<sup>®</sup>#**

Designed to help reduce the likelihood or consequences of your car colliding with the vehicle in front in slow-moving traffic by applying the brakes if it is detected that a collision is likely. (Option)

**2 Parking distance sensors**

Audible warnings help you park in tight spaces. Available for front and rear, or just rear. (Available on City Pack, Driver Assistance Pack or Front and Rear parking sensors pack)

**3 Ford SYNC with Emergency Assistance\***

The next generation of in-car connectivity, Ford SYNC lets you operate most popular MP3 players, Bluetooth<sup>®</sup>-enabled phones and USB drives with remarkably simple voice commands. Plus the Ford Emergency Assistance feature is designed to assist occupants to place an emergency call in the event of an accident - wherever you are in Europe. (Option)

**4 Integrated navigation and rear-view camera**

Fiesta's built-in navigation system eliminates the need for pre-route planning. Select reverse gear and the rear-view camera comes on automatically in the Sony or navigation display, allowing you to see objects behind your car. Special guidance graphics indicate the width and centre line of the car, based on the steering angle, for safer and easier manoeuvring. (Option)

**5 Deflation Detection System<sup>®</sup>**

Designed to alert you if a tyre's pressure is too low, such as in the case of a puncture. (Option)

<sup>®</sup>Uses sensors.

<sup>#</sup>Designed to operate at speeds below 19 mph.

\*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible mobile phone that is with you when any airbag is deployed (excludes knee aibags and rear inflatable saftety belts, if equipped) or the fuel pump is shut off switch is activated. Text function and Emergency Assistance not supported by all European languages. See your local Ford website for latest information.

**Note** The Bluetooth<sup>®</sup> word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

**Note** It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

## Intelligent Protection System<sup>®</sup>

Ford's advanced IPS uses a range of sophisticated technologies designed to keep you protected, including ultra-high strength steel safety cage, anti-lock braking system with Emergency Brake Assist and front, side, knee and curtain airbags.

**The Ford Fiesta IPS includes:**

- 1. Driver's and front passenger's airbags♦
- 2. Driver's and front passenger's side impact airbags
- 3. Side curtain airbags for front and rear seats
- 4. Collapsible steering column and pedals for optimised protection of driver's legs and feet
- 5. Electronic Stability Program with anti-lock brakes, electronic brake-force distribution and Emergency Brake Assist
- 6. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones
- 7. Pre-tensioners, load-limiting retractors and height-adjustable mounts\* on front seat belts
- 8. Anti-submarining seat bases

**\*Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.**

<sup>\*</sup>Height-adjustable mounts available on 5-door models only.

<sup>®</sup>Uses sensors.

● = Standard, ○ = Option, at extra cost, □ = Part of an option pack, at extra cost. <sup>1)</sup>Safety feature, <sup>2)</sup>Driver assistance  
\*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger’s airbag. The safest place for children is properly restrained on the rear seat.

Hill Start Assist<sup>o</sup>

Designed to prevent you from rolling down a slope when you move your foot from the brake pedal to the accelerator pedal. It works in forward and reverse gears.

<sup>\*In 4th gear.</sup> <sup>9</sup>Ford test figures. <sup>90</sup>The declared fuel consumptions and CO<sub>2</sub> emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables to compare between different vehicle types and different manufacturers. This information is not part of any product offer made. Real-world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) car configurations, driving behaviour, use of technical equipment such as A/C, as well as other non-technical factors. **Note** All vehicles are Durashift 5-speed manual unless otherwise stated. BP Ultimate, a range of advanced performance fuels, the perfect partner to meet the most demanding needs of Ford's class-leading technology. BP Ultimate can boost power and acceleration, lower exhaust emissions and improve fuel economy, compared with ordinary fuels.

EcoBoost = more power  
+ better fuel economy

Ford EcoBoost engines

The diamond-like coating on the piston rings reduces friction; the turbocharger, direct injection and variable valve timing boost efficiency. The result is remarkable performance from such an economical engine. Triple winner at the International Engine of the Year Awards 2012, the new 1.0-litre EcoBoost is available in 100 PS and 125 PS versions.

\*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 50 kg on all models. **Note** All vehicles are 5-speed manual, unless Powershift stated.

Roof base carrier, lockable

Lockable base load carrier compatible with a range of attachments. (Accessory)

Thule® roof ski/snowboard carrier Deluxe 727\* – lockable and extendable

Innovative, fully-lockable ski carrier suitable for up to six pairs of skis or four snowboards. Comfortable slide-out function extends outside the roof area for easy access to your ski equipment. (Accessory)

Thule® roof box\*, lockable

Can be opened from both sides for convenient loading. Available in different sizes, Pacific 200 is shown. (Accessory)

ClimAir® wind deflector+

Reduces turbulence and noise for a more enjoyable drive with the windows down, even during light rain. (Accessory)

+Please see back cover for warranty information.

E = Exceeds security requirement for model concerned and group rating has been reduced. Insurance ratings are issued by the Association of British Insurers and are shown above on both the (outgoing) 1-20 and (new) 1-50 rating scales.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. ♦The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

**Note** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

Ford and BP – working together to reduce fuel consumption and emissions.
