360°

High driving position. High ground clearance.

With its high driving position giving outstanding visibility, the EcoSport lets you see more of what's going on around you. Add to that increased ground clearance, and you can make easy work of potholes and puddles.

More fun!

“Call Dad”

“Shuffle”

“Read message”

“Call office”

“Play artist Rihanna”

“Call Chris”

“Call home”

“List mobile apps”

“What's playing?”

Use your voice like another pair of hands.

Ford SYNC with AppLink* and Emergency Assistance* lets you play music, make and receive hands-free calls, read out text messages* and even control apps on your smartphone. In the event of a collision **Ford Emergency Assistance*** communicates with the Emergency services directly providing co-ordinates of the incident and allowing occupant control at all times (Option)

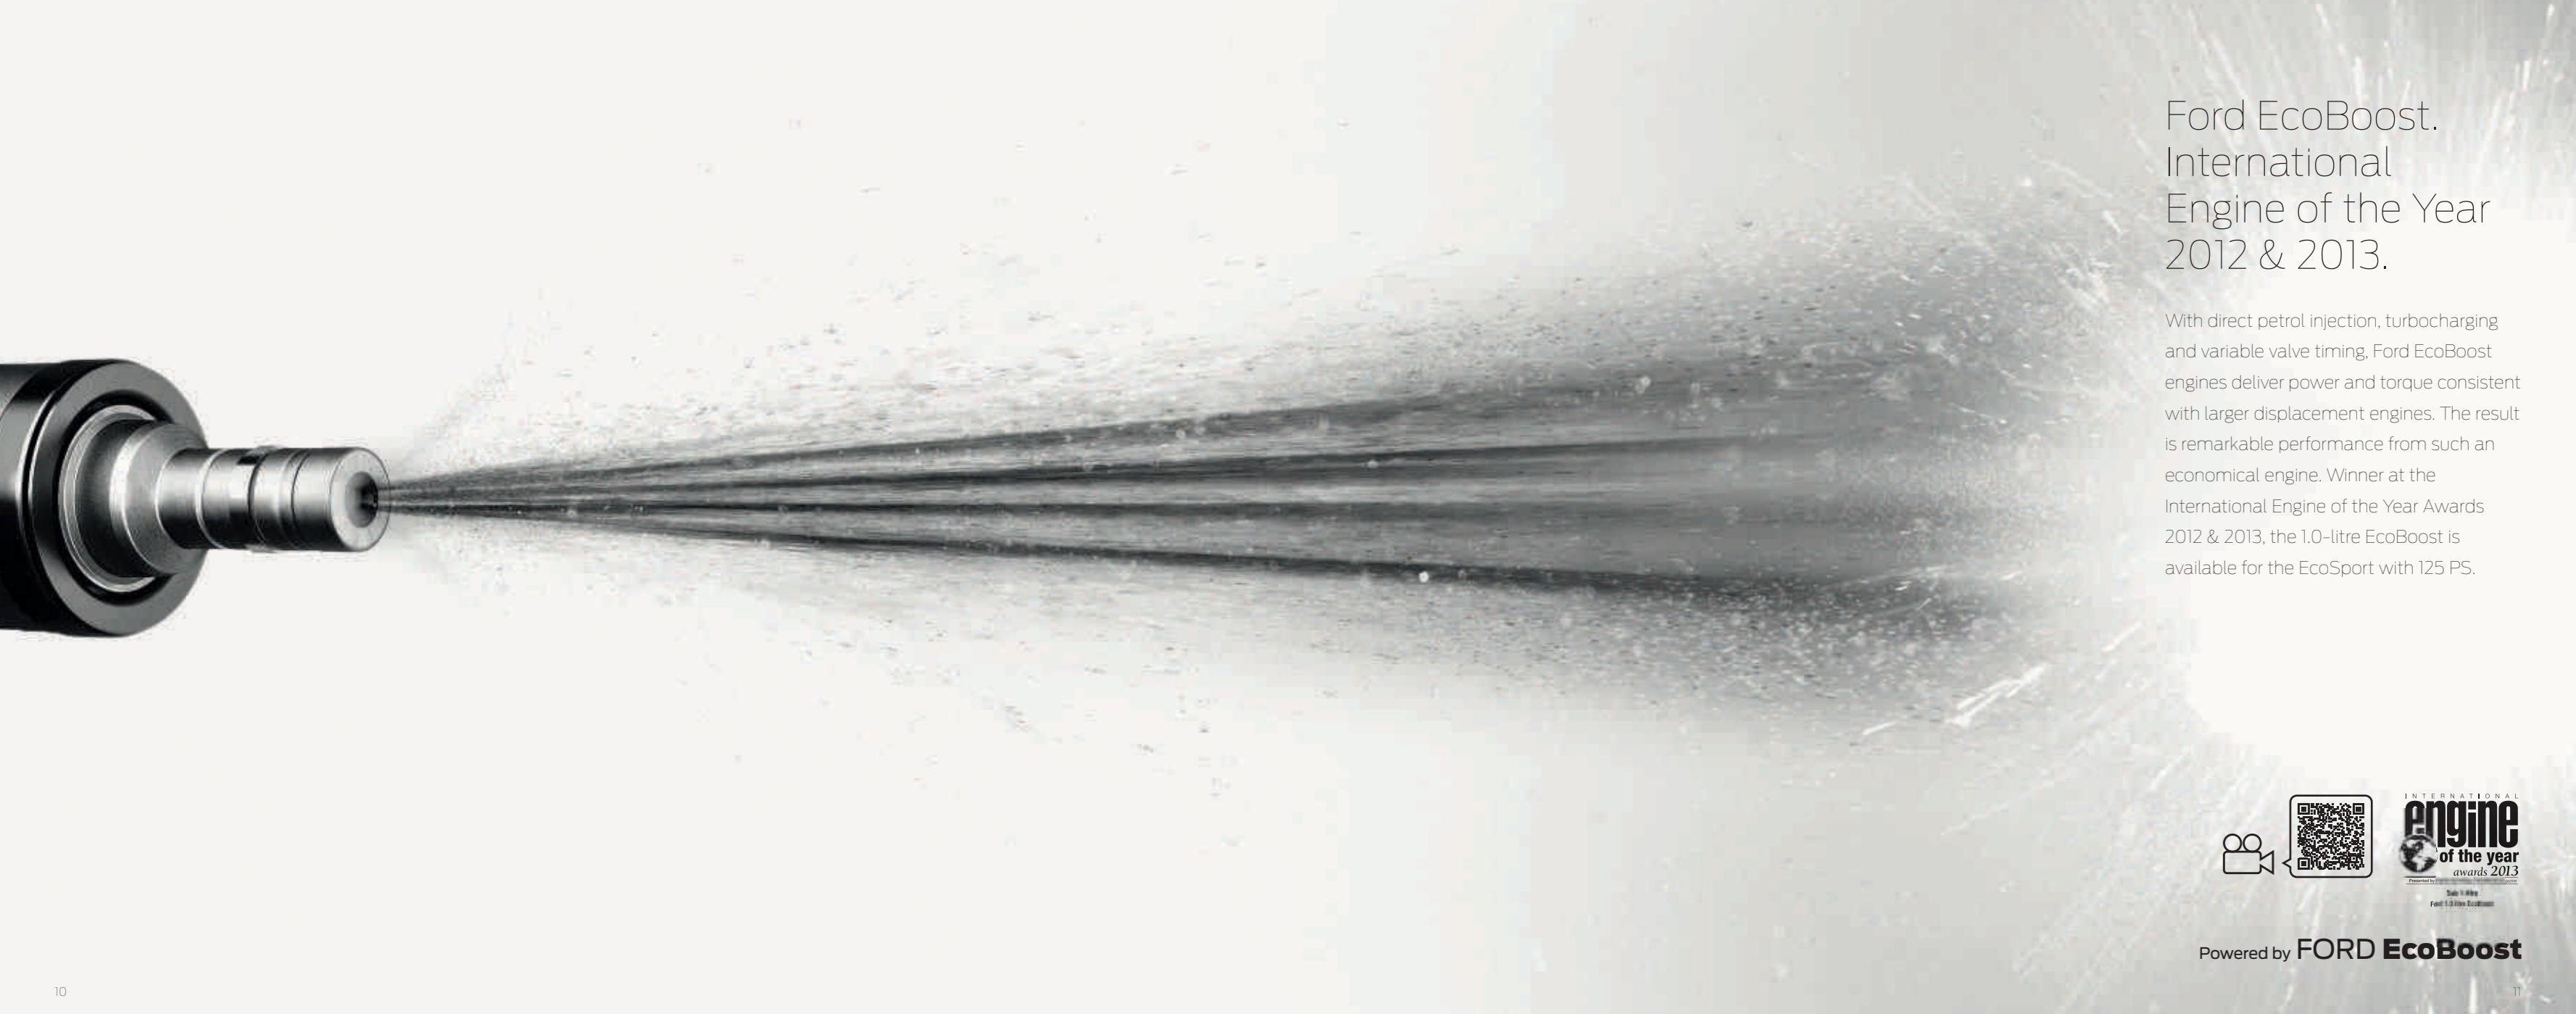

*Compatible mobile phone required. You can browse a list of AppLink-compatible apps from www.Ford.co.uk, or via the **App Catalog** available in iOS and Android stores. SYNC AppLink and Emergency Assistance are not supported by all European languages.

Control at your fingertips

Within the EcoSport's quiet and sophisticated interior lies an array of technologies, all of which are easy to control. The **multi-function steering wheel** lets you control the audio system. And once you've set the **Electronic Automatic Temperature Control** (EATC), it takes care of the interior temperature, ensuring it remains at the level you've set, no matter how the weather changes outside.

Ford EcoBoost.
International
Engine of the Year
2012 & 2013.

With direct petrol injection, turbocharging and variable valve timing, Ford EcoBoost engines deliver power and torque consistent with larger displacement engines. The result is remarkable performance from such an economical engine. Winner at the International Engine of the Year Awards 2012 & 2013, the 1.0-litre EcoBoost is available for the EcoSport with 125 PS.

Powered by **FORD EcoBoost**

Wahoooooooooooooooooooo

Pure exhilaration.

With the help of **Ford ECOnetic Technology**, EcoSport's engines deliver a thrilling yet remarkably fuel-efficient drive. The 1.0 EcoBoost 125 PS petrol engine produces more maximum power than engines with a larger capacity, and yet it achieves better fuel economy and lower CO₂ emissions. The 1.5 Duratorq DV5 91 PS diesel engine is even more frugal, with CO₂ emissions of just 120 g/km.

Powered by **FORD EcoBoost**

Life:
It's about fitting the
most into it.

The EcoSport is designed to give you the room you need. Split, foldable rear seats with adjustable rake offer flexibility, plus plenty of clever storage spaces keep your belongings in the right place.

Titanium

- 16" alloy wheels
- Silver roof rails
- LED signature lights
- Fog lamps with integrated day running lights
- Chrome front grille surround with chrome bars
- Electrically-operated door mirrors
- Ford Key-Free System - Includes keyless entry
- Rear-mounted full-sized spare wheel

Titanium X Pack adds

- 17" alloy wheels

Life: it's about
getting the most out of it.

Titanium

- Ford Key-Free System - Includes Ford Power Start Button
- Electronic Automatic Temperature Control (EATC)
- Radio/CD with USB connection and AUX input
- Electric front and rear windows
- Multifunction leather steering wheel & leather handbrake
- Cooled glovebox
- Trip computer
- Front and rear floor mats
- Courtesy lights with theatre-style dimming
- Thatcham alarm

360°

Shown right: Torino leather seats in Charcoal Black (available as an option as part of the Titanium X Pack). Shown above: seat insert Patna in Dark Shadow with Vig seat bolsters in Charcoal Black (standard).

Titanium X Pack adds

- Leather seat trim
- Cruise control
- Automatic headlights
- Rain sensing wipers
- Auto-dimming rear view mirror

Find extra pleasure in
the small details.

**Ford Key-Free System - Keyless entry with Ford Power Start
Button**

Start the car and lock or unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag.

Leather gearshift knob

Adds that extra touch of luxury to an already impressive interior. (Available on manual transmission only)

**Electronic Automatic Temperature Control (EATC) air
conditioning**

Set your ideal temperature and EATC reaches it and maintains it.

Air conditioning-cooled glovebox

Stores up to six 350 ml drink cans and keeps them chilled.

● = Standard, ○ = Optional, at extra cost, □ = Part of option pack, at extra cost.

Interior features

Interior design features

Door lever – Chrome finish

Floor mats – Front and rear, carpet

Gearshift knob – With chrome accent (only available on automatic transmission)

Gearshift knob – Leather-trimmed with black insert and aluminium-finish ring (only available on manual transmission)

Steering wheel – 3-spoke, leather-trimmed

Steering column – Rake- and reach-adjustable

● = Standard, ○ = Optional, at extra cost, □ = Part of option pack, at extra cost

A place for everything

Over storage places help keep your EcoSport interior neat and tidy.

Underseat stowage

Centre console stowage

Sunglasses holder

holders

Connect with your world

A choice of superb audio and entertainment systems, with built-in connectivity for your gadgets, lets you fill your EcoSport with your favourite music and connect to the outside world.

Remote audio controls

Your hands on the wheel and your MP3 on the right track.
(Remote audio controls are standard, shown left)

**Audio system with Ford SYNC
(Option)**

USB interface

Built-in connectivity* for your iPod®, MP3 player or USB stick. Lets you listen to, and operate, your player via the car's audio system.

* iPod® connectivity is only available with Ford SYNC.
iPod® is a trademark of Apple Inc.

Surround sound speaker system

Four speakers (two front and two rear) plus two tweeters give your music the intensity it deserves.

Interior features

Audio and communication systems

Radio/CD with two-line display, standard integrated control panel, external AUX connection for external music devices, USB connectivity port with six speakers (four front, two rear)

Radio/CD with 3.5" dot-matrix display, remote audio controls, external AUX connection for external music devices, USB connectivity port with iPod® functionality, **Ford SYNC** – Includes Emergency Assistance*, **Applink** and Voice Control, six speakers (four front, two rear)

Climate control

Air conditioning – Electronic Automatic Temperature Control (EATC)

● = Standard, ○ = Optional, at extra cost, □ = Part of option pack, at extra cost.

*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you when an airbag is deployed (excludes knee airbags and rear inflatable safety belts, if equipped) or the fuel pump shut off switch is activated) or a sensor that registers a crash deactivates the fuel pump. Text function and Emergency Assistance not supported by all European languages. See your local Ford website for latest information.

Titanium

Create the perfect environment

Electronic Automatic Temperature Control (EATC) air conditioning

To ensure you and your passengers enjoy the perfect in-car temperature, you can set it anywhere between 16 °C and 28 °C. Sensors in the car measure and maintain the selected temperature.

Front and rear courtesy lights with theatre-style dimming

Dimming courtesy lights create an inviting atmosphere and give you time to settle in the car.

Tumble-fold split rear seats

Fold-down the 60:40 rear seats and you get 1,238 litres of space in the back. The seats can also tumble forward to make room for taller objects.

Smart technology

EcoSport has a range of intelligent features designed to make life a little easier and offer peace of mind.

1. Headlight courtesy delay

The headlights stay on for a few seconds to illuminate the way to your front door. (Standard)

2. Shift indicator

Helps to reduce fuel consumption by signalling the optimal moment to change gear. (Only available with manual transmissions)

3. Rear parking distance sensors

Audible warnings help you park in tight spaces. (Available as an option and as an accessory)

4. Ford SYNC with AppLink*

The next generation of in-car connectivity. Ford SYNC lets you operate most popular MP3 players, Bluetooth®-enabled phones, USB drives and even control apps on your smartphone with remarkably simple voice commands. Plus the Ford Emergency Assistance feature is designed to assist occupants to place an emergency call in the event of an accident – wherever you are in Europe. (Option)

5. Electric power-assisted steering (EPAS)

At parking speeds, full power is delivered for feather-light manoeuvring. Once you're on the move, it steadily weights up to just the right extent for optimum feel and control. (Standard)

*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you when an airbag is deployed (excludes knee airbags and rear inflatable safety belts, if equipped) or the fuel pump shut off switch is activated. Text function and Emergency Assistance not supported by all European languages. See www.Ford.co.uk for the latest information.

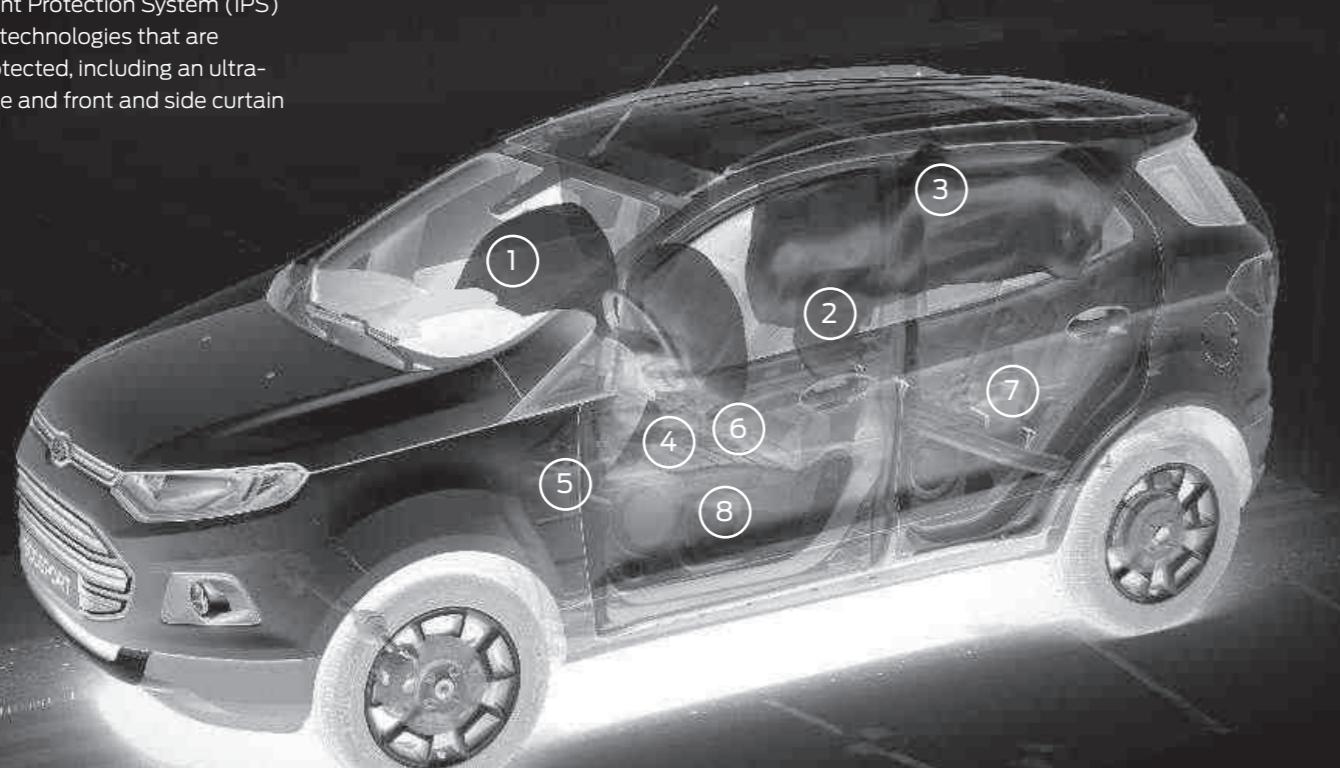

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Note It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

Intelligent Protection System (IPS)⁰¹

EcoSport's advanced Intelligent Protection System (IPS) uses a range of sophisticated technologies that are designed to help keep you protected, including an ultra-high-strength steel safety cage and front and side curtain airbags.

The EcoSport IPS includes:

1. Driver's and front passenger's airbags*^{**} with passenger airbag deactivation switch
2. Driver and front passenger's side impact airbags
3. Side curtain airbags for front and rear seats
4. Driver's knee airbag
5. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones
6. Advanced lap and diagonal inertia reel seat belts on all seats. Pre-tensioners and load-limiting retractors on front seats
7. ISOFIX child seat mountings on outer rear seats
8. Anti-submarining seat bases

^{*}Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

^{**}Uses sensors.

Safety features

Safety and driver assistance

Select Shift Technology (only available on automatic transmissions)

● = Standard

● = Standard

**PowerShift = automatic convenience
+ manual performance**

Ford PowerShift delivers the perfect combination between automatic convenience and manual efficiency. This 6-speed automatic transmission selects the next appropriate gear at precisely the right moment for lightning-fast gear changes, with no disruption to the flow of power. The manual mode lets you switch gears at the push of a button – no clutch required. (Option)

*Available from early 2015.

Fuel, performance and emissions

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

Euro Stage ^a	Trans	Driveline	Maximum Power PS (kW)	Torque Nm (Nm with overboost)	CO ₂ emissions (g/km) ^{ab}	Fuel consumption MPG (L/100km) ^{ab}			Performance ^a

											13.1

^aIn 4th gear. ^bFord test figures. ^{ab}The declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors are very important in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>. Note all vehicles are Durashift 5-speed manual unless otherwise stated. **PowerShift available early 2015.

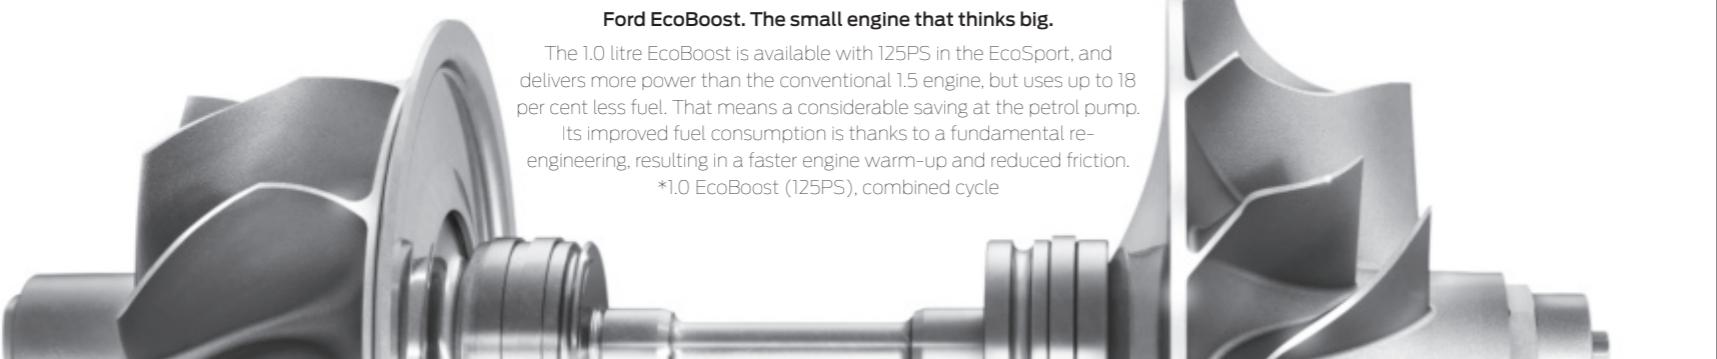

53.3mpg*

Ford EcoBoost. The small engine that thinks big.

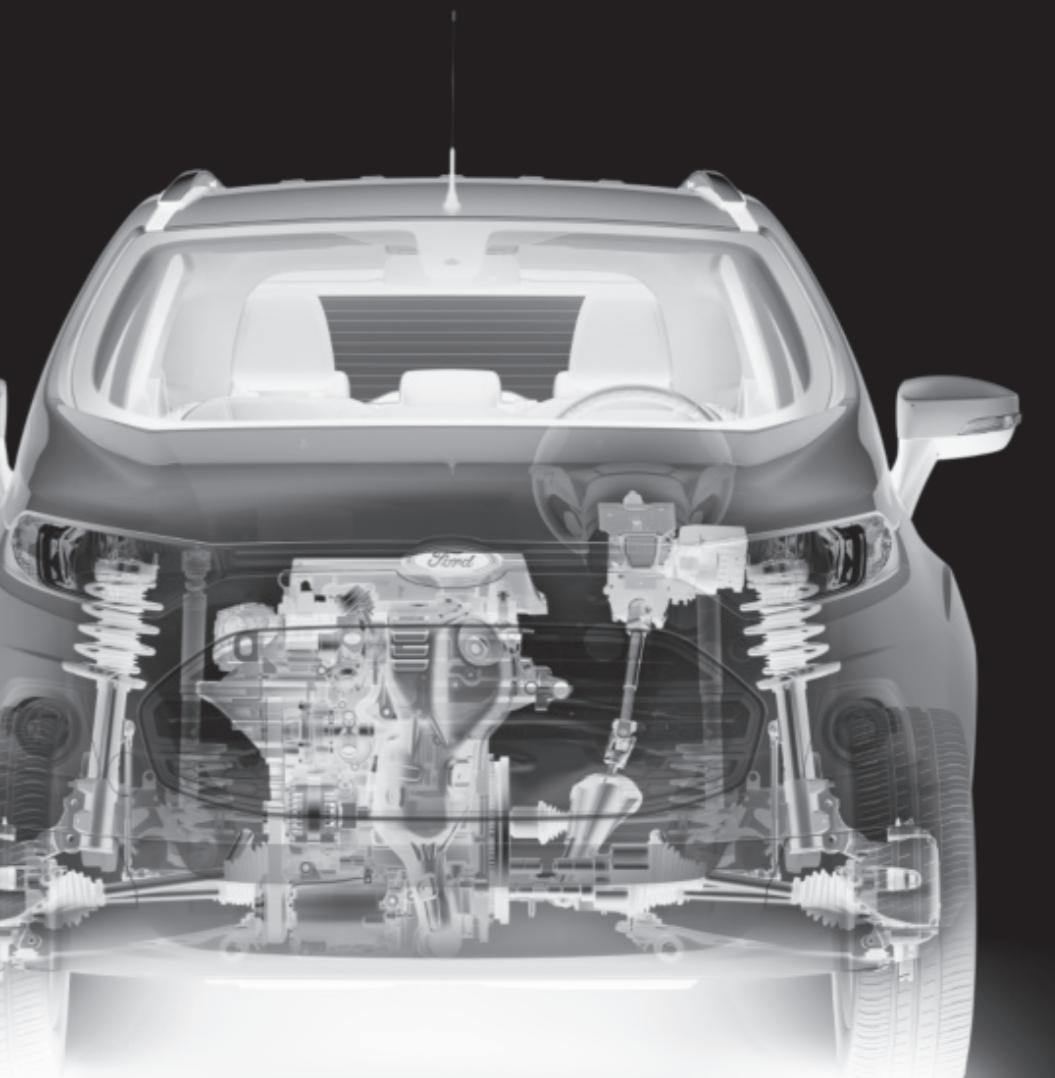

The 1.0 litre EcoBoost is available with 125PS in the EcoSport, and delivers more power than the conventional 1.5 engine, but uses up to 18 per cent less fuel. That means a considerable saving at the petrol pump.

Its improved fuel consumption is thanks to a fundamental re-engineering, resulting in a faster engine warm-up and reduced friction.

*1.0 EcoBoost (125PS), combined cycle

Sub 1-litre
Ford 1.0 litre EcoBoost

Powered by **FORD EcoBoost**

Weights and loads
