

i20 Coupé 2016 Model Year

NEW THINKING. NEW POSSIBILITIES.

Our philosophy is to do things differently and embrace every challenge. Whatever you're looking for on the open road, we've made it possible by refining every area. We're the only car maker to control the entire manufacturing process, which we're especially proud of since we've made over 50 million cars. We're also the first car manufacturer to produce zero emission fuel-cell powered vehicles, and we've achieved over 90% recyclability of our cars. Every day we aim to improve, which is why we're the world's fastest growing manufacturer and received the industry's Motor Trader's Carmaker of the Year award for the third time in just six years. Thanks to your support, the possibilities are endless.

Sleek lines, beautiful curves
and a well-appointed interior.
The fun-filled drive is enhanced
by countless technologies
at your fingertips. In the i20
Coupe, every journey is a thrill.

Car shown i20 Coupé SE 1.2 in Sleek Silver metallic paint.

Striking curves and flowing lines. The epitome of ‘fluidic design’.

You can imagine the pencil sweeping across the page to create the i20 Coupé’s falling roofline and sporty profile. With a design that’s pure to the artist’s vision, it evokes a sense of constant, gliding movement.

Drive with style

Step back and admire the beauty of its dynamic profile. A low slung body adds to the sporty feel, which is enhanced even further by bold rear arches. Sloping curves draw your eyes towards the rear spoiler, while stylish wheel designs add a final touch of class.

A little bit of everything... and a lot of space.

The smart, spacious layout and quality fabrics of the interior make every journey a pleasure. With an eye-catching interior design and intuitive features, the i20 Coupé has it all.

Make it your own

The simple layout complements an abundance of space, including an impressive boot capacity. Clever design touches and fine fabrics will enhance your comfort levels. Inject real personality to the seats, air vents and gear stick surround thanks to the vibrant Orange Design Package – which comes as standard with the striking Tangerine Orange exterior paint option.

Car shown i20 Coupé Sport Nav with Orange Design Package. Please see page 21 for interior colour availability.

If its style excites
you, just wait until
you get behind
the wheel.

Refined steering and responsive engines make it perfect to zip around town. Make the most of its ample room to fit your friends in too. You'll need no excuse to take it for a spin.

The experience

Spread the joy by giving your friends a call and introducing them to the i20 Coupé. Agile handling comes with responsive steering and power in all the right places. Opt for the 1.2 84PS petrol or 1.0 Turbo GDi engine which is available with either 100PS output on all models, or 120PS on the Sport and Sport Nav models. The perfect blend of power and efficiency for an exhilarating drive. Take it for a spin around the city or go on an epic road trip and watch it excel. It's there to be enjoyed.

Go from A to B, without the A to Z.

We wouldn't want anything to get in the way of the fun factor, like getting lost or struggling to park. Don't worry, the smart features have got it covered. More tech, less hassle. Simple but effective.

Tech from start to finish

Enjoy a chilled out drive with cruise control as standard. And it's just as easy when you come to stop, thanks to rear parking sensors that'll help you fit in to the trickiest spaces. On Sport Nav, make the most of a satellite navigation system and a rear view parking camera, so you and your friends can arrive at your destination and park with a minimum of fuss. In the i20 Coupé, technology makes life easy.

Car shown i20 Coupé Sport Nav 1.2 in Tangerine Orange pearl paint.

In the age of technology, you can expect big things.

The i20 Coupé is packed with impressive technology. Every feature is designed to improve your experience. It's all at your fingertips.

Stay connected

Switch between your favourite songs using steering wheel controls, while enjoying crystal-clear reception thanks to the DAB digital radio. Stay connected with Bluetooth® and charge up on the road with the advanced smartphone docking station* available on SE and Sport trims.

When it comes to safety, it's up with the best.

Beyond the looks, the drive and the fun features, the i20 Coupé is quite simply a car you can trust. It'll protect you and your loved ones on every trip.

Stay safe and sound

The Tyre Pressure Monitoring System will help ensure your tyres are properly inflated, and Hill-start Assist will aid you with those tricky hill starts. There are 6 airbags placed around the car to protect you and your passengers, while Vehicle Stability Management will help you drive with confidence. Greater visibility arrives in the form of halogen projector headlights with static front cornering function, so you'll have the perfect view ahead. With the best safety features in place, peace of mind comes as standard.

Hyundai i20 WRC, the perfect stage for our philosophy.

There's no better place to showcase advanced engineering techniques than the World Rally Championship. Our competition cars stand up to a variety of challenging terrains, from searing heat to ice and snow. To do this, bespoke improvements have been made to the hand-built i20 ultra-performance vehicle, including the suspension, engine, transmission and chassis. While the cars are fine-tuned and strengthened, they still originate from our popular production cars. Featuring quality to excel at any level.

Hyundai Motor Finance

Hyundai Motor Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist in your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

* You will not own the vehicle until all payments are made. T&Cs apply. Finance subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Motor Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see www.hyundai.co.uk or ask your local dealer for full terms and exclusions.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

* Price varies according to model, fuel type and mileage. Only available on vehicles registered on or after 1st March 2013. Price includes VAT where applicable. Time and mileage restrictions apply. Excludes seasonal checks. Terms and conditions apply.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
