Special Edition

We have a passion for progress.

The “can-do” spirit is at the heart of Hyundai’s heritage. It’s the attitude of progressing, no matter what. From humble beginnings, this vision has driven us to seek new challenges, encapsulated since our founding in the name ‘Hyundai’ – meaning ‘modern times’.

It’s the persistent curiosity for what lies ahead. Of always chasing the next. What was once a man’s desire for better is today the ethos of an entire company. As our founder said: “How does one know it’s impossible if one hasn’t tried it?”

Progress doesn’t happen by chance. We’re always pushing the borders of the possible, building tomorrow’s technology today, and powering the future with an ever-evolving range of zero-emission engines, seamless in-car connectivity and more.

We’ve come a long way. And we won’t stop here. Next awaits.

Let's go.

Designed to be noticed.

Why settle for a car that looks a bit like something else, when you can drive the special edition i20 Element with its unique lines and bold contours?

The host of eye-catching exterior highlights includes 16-inch alloy wheels, daytime running lights, a rear spoiler with integrated LED brake light and door mirrors with integrated indicators. Together, these features add a captivating blend of sophistication and youthful exuberance.

Bringing even more colour to your life, the complimentary exterior pearl paint comes in a choice of Aurora Grey, Intense Blue, Phantom Black or Dragon Red.

In your Element.

Once inside the special edition i20 Element, the first thing that will strike you is the sense of space. Take the driver's seat and you'll be won over by the easy-to-reach instrument controls and the leather-wrapped gear knob and steering wheel that provide a touch of distinction.

The generous headroom and legroom in both the front and the back are perfect for a growing family. The rear 60:40 seats fold down to deliver a highly practical 1,165 litres of space, enough for any big day out. As you head off, switch on the air conditioning and turn up the music.

Wherever you decide to go, the 1.0 T-GDi 100PS petrol engine and manual transmission will ensure not even a fully loaded extended luggage compartment slows you down.

For added peace of mind, the i20 Element comes with our 5-year Unlimited Mileage Warranty, giving you years of worry-free driving no matter how far you go.

The Hyundai 5-Year Unlimited Mileage Warranty applies only to Hyundai vehicles that have been originally sold by an authorised Hyundai dealer to an end-customer, as set out in the terms and conditions of the warranty. Local terms and conditions apply.
