Civic

“A car that is not fun to drive is not a car at all.”

Soichiro Honda

Make it your own

With stand out looks and class leading space, the Civic is a clever and versatile family car. Designed and developed exclusively for Europe, the 9th generation Civic is quieter, more refined, more efficient and more dynamic than ever.

To complement the extraordinary quality of the Civic's exterior detailing and interior fit and finish, we've also created a complete range of Honda Genuine Accessories. From alloy wheels and body styling modifications, to roof racks and parking sensors, you can now personalise your Civic to your own individual style and needs.

All Honda Genuine Accessories are rigorously tested to ensure flawless operation, seamless fit and real world durability. Honda designed and engineered, all our accessories are guaranteed to provide long lasting value, and come with a three year warranty as standard.*

* The three year warranty only applies to Honda Genuine Accessories purchased with a new Honda and fitted by your authorised Honda dealer. Otherwise, the warranty will be either; the remainder of the car's standard three year manufacturer's warranty, or 12 months, whichever is the longest.

Dynamic style

The Civic's bold design and exquisite finish are clear to see, but there's plenty you can do to further enhance its looks. Choose from our wide range of exterior styling accessories and add that personal touch.

Useful technology

Whether you're talking with friends, enjoying your favourite tracks or negotiating tight parking spaces, we've developed a range of audio enhancements and electronic accessories that make any journey as easy and pleasurable as possible.

1 USB ADAPTER

This adapter allows you to connect your MP3 player to the audio system and enjoy your music collection on the road. (Check audio and video compatibility with your local Honda Dealer.)

2 PARKING AID CAMERA

Select reverse gear and the parking camera picture appears on the screen of your Civic's iMID display.

3 BLUETOOTH® PHONE SYSTEM

The Honda hands-free Bluetooth® phone system allows you to manage calls on the move safely and simply. (For a list of compatible phones, please contact your local Honda Dealer.)

4 HONDA COMPACT NAVIGATION SYSTEM

With advanced routing capabilities, our compact navigation system offers the perfect alternative to in-dash navigation. Using Bluetooth® wireless technology and our ecoRoute® feature, planning your route has never been as effortless or fuel efficient.

5 SD NAVIGATION SYSTEM

The new Honda in-vehicle SD Navigation System has a 6.1" touchscreen, neatly integrated into the dashboard. It comes with map coverage for 34 European countries, all updatable via SD card, plus voice commands and menus available in 12 languages. Not to mention Bluetooth® HFT, with integrated microphone and audio streaming, AUX-in and USB iPod® connectivity.

Practical versatility

Our range of carrying and towing accessories offers you a safe and convenient way to tailor your Civic to suit your lifestyle.

1 SKI & SNOWBOARD ATTACHMENT

When you're heading for the slopes, the ski and snowboard attachment allows you to carry up to four pairs of skis or two snowboards on the roof of your Civic.

2 BOOT TRAY

Practical, durable and branded with a Civic logo, this moulded boot tray provides effective protection for the boot area.
