A DRAMATIC REINVENTION

PURITY IN PURPOSE

IT'S BOLD, ATHLETIC AND COMMANDING ALL ROUND. It's the new urban triathlete, the most innovative Qashqai yet. Razor sharp and more predatory with a proudly provocative profile, the original crossover is back like never before.

TAKE CONTROL. FACE THE FUTURE

WITH A COMMANDING POSITION AT THE HELM, take everything in, including the 5" colour TFT screen delivering all your infographics in real time. Intuitive and accessible: make it your own.

CALLER ID. Check your calls while keeping your eyes on the road.

AUDIO. Get full details on your favourite artists and music you enjoy while in motion.

SAFETY SHIELD. Visual and audible warning signals are aimed at keeping you safe.

COLOUR SELECTION. Customise your screen to your preferences.

TURN BY TURN NAVIGATION. Never miss a turn thanks to rapid access to essential navigation info.

STEERING FEEL. Select sport or normal settings to change the steering weight.

TYRE PRESSURE MONITORING SYSTEM. No more guesswork: Each tyre pressure is displayed on your information screen, and a signal will light up on the dash if the tyre pressure is low.

PARKING DISPLAY SENSORS. Watch while Nissan Qashqai effortlessly delivers a precise parking display

NISSAN SAFETY SHIELD. FEEL EMPOWERED

The Nissan Safety Shield technologies are a comprehensive approach to safety that guides the engineering and development of every vehicle we make. Using cameras and sensors, the Nissan Qashqai delivers a combination of different safety systems which work together to build your confidence. These safety features help to protect you by focusing on three key areas:

- keeping an eye on your vehicle's systems and your surroundings.
- assisting in handling unexpected situations.
- helping to keep you safe in the unfortunate event of an accident

HIGH BEAM ASSIST

When driving on a country road, for example, this system maximises your visibility by activating your high beams and temporarily dipping the lights when it recognises oncoming or distant traffic. With the full LED headlamps, Nissan Qashqai offers a wider and more illuminating driving experience.

TRAFFIC SIGN RECOGNITION

The system keeps you up to date with all the latest speed limits by detecting the road signs as you go.

LANE DEPARTURE WARNING

Watch out, you'll be warned if you drift out of your lane. Unless you're indicating, the system will remind you to straighten up. While it can detect the faintest road markings, it'll adjust its sensitivity on rural roads to allow for the different driving style required.

FORWARD EMERGENCY BRAKING

Depending on speed and situation, Nissan's Forward Emergency Braking system may in certain circumstances reduce the impact of a collision by automatically activating the brakes if you get too close to the car in front of you.

MOVING OBJECT DETECTION

Meet your digital parking co-pilot. This function lets you know if anything is approaching, with its 360 degree coverage - not just objects but children and animals too.

BLIND SPOT WARNING

What you can't see, Nissan Qashqai can. If there's a vehicle in your blind spot area on either side of your car, a warning light will illuminate on the interior door panel. If you're indicating to change lanes and a vehicle is dangerously close, the light will flash and you'll hear a warning sound too.

EURO NCAP 2014

Nissan Qashqai has received a maximum five-star rating from the independent vehicle safety organisation Euro NCAP.

DRIVER ATTENTION ALERT

No risk of nodding off or losing focus: the system judges your concentration levels and fatigue state according to your input and warns you if you need a break with an audible and visible signal.

PROTECT

6 STANDARD AIRBAGS
Nissan Qashqai offers a full suite of active and passive safety features, with Nissan Safety Shield* and front, side and curtain airbags.

NissanConnect

Bluetooth

NISSANCONNECT *

INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH

SMART AND FUNCTIONAL. NissanConnect is incredibly easy to use thanks to the high resolution 7" anti-glare touchscreen. It comes equipped with a rich range of features including audio, navigation and communication functions as well as cutting edge connectivity and smartphone integration features.

CONNECTED WHEREVER YOU GO. NissanConnect offers Smartphone integration. Enjoy an ever evolving list of applications* from the comfort of your Nissan's display screen, all tailored to enhance your overall driving experience in a safe way.

INTELLIGENT DRIVER ASSISTANCE and navigation functions support you in all kinds of traffic situations with motorway exit views, lane guidance and dynamic re-routing.

STREAMING AUDIO VIA BLUETOOTH*. Enjoy AM, FM and Digital Radio or stream music from your mobile phone.

IPOD/ USB INPUT. Plug in your iPod or MP3 player to access your entire music library while you're on the road.

*Driving is a serious business. Only use NissanConnect services when safe to do so. Some applications shown are not yet available and more will be available at a later date. NissanConnect service subscription required but is available on a complimentary basis for 2 years from purchase. Service and applications only available in select European countries and on select Nissan models. Services and applications may be provided by third parties outside Nissan's control and are subject to change without notice or liability to Nissan or its agents (including, without limitation, services cancelled/suspended by third parties.) Certain remote functions require compatible phone or device, not included with vehicle. Cellular networks are provided by cellular companies, and are not within Nissan's control. Cellular networks not available in all areas. Roaming charges and/or data usage charges may apply. Nissan is not responsible for any equipment replacement or upgrades or associated costs that may be required for continued operation due to service changes.

TAKE IT EASY

USING 4 CAMERAS, Around View Monitor delivers a panoramic view around Nissan Qashqai to make reversing and parking a real breeze. Choose a bird's eye view to check out the lay of the land from above then opt for different dual views while manoeuvring – once you try it you will never want to drive a car without it!

INTELLIGENT PARK ASSIST

PARALLEL PARKING. Drive up, size up your space and if Intelligent Park Assist says 'OK', position Nissan Qashqai within the frame and activate automatic manoeuvring for perfect parking.

BAY PARKING. In multi-storey car parks and busy supermarket bays, the Around View Monitor helps you find the best spot and fit. The Intelligent Park Assist system will even reverse park your Nissan Qashqai for you.

AROUND VIEW MONITOR

AVOID ANY SCRATCHES. When driving forwards or in reverse, push the camera button to switch off the overhead view for a side view – great for checking how close you are to the kerb.

COVER THOSE BLIND SPOTS. In reverse, see what's directly behind you and use the overhead view to check for short objects that may otherwise be hidden below your line of vision.

CHASSIS CONTROL functions are displayed on your TFT display screen: Active Trace Control, Active Engine Brake and Active Ride Control work together to keep you in the driving seat.

ACTIVE TRACE CONTROL delivers confident handling when cornering by controlling brake pressure on each wheel to help trace the line of each bend and deliver smooth vehicle responses.

ACTIVE ENGINE BRAKE (Xtronic models only) enables smoother cornering and straight-line deceleration for a direct and engaging driving experience.

ACTIVE RIDE CONTROL applies subtle braking to restrain uncomfortable upper body motion and enhance ride comfort.

ALL MODE 4x4-i: off-road or on-road, 4x4-i maximises tyre traction by measuring wheel slip and instantly distributing torque automatically, with up to 50% going to the rear wheels. This intelligent system will also move the torque left and right to maximise traction.

CHASSIS CONTROL REVEL IN THE RESPONSE

CONFIDENT COMPOSURE with Nissan Qashqai intuitive Chassis Control functions to back you up. Nissan's Chassis Control system delivers responsive and engaging handling, while delivering a smoother ride experience.

NISSAN TECHNOLOGY

GO BEYOND

SELECT A POWER TRAIN TO SUIT YOU: Diesel, petrol, 2WD, 4WD, manual or Xtronic transmission. With Intelligent Stop/Start and active aerodynamics, you'll benefit from the dynamic performance of Nissan's efficient technologies technologies combined with low CO₂ emissions.

DIESEL	DRIVE TRAIN	TRANSMISSION	CO ₂ g/km		FUEL CONSUMPTION (mpg)	
			16, 17, 18" Wheels	19" Wheels	Combined	
					16, 17, 18" Wheels	19" Wheels

dCi 130	2WD	Xtronic	122	128	60.1	57.6
dCi 130	4WD	Manual	129	133	57.6	55.4

PETROL	DRIVE TRAIN	TRANSMISSION	CO ₂ g/km		FUEL CONSUMPTION (mpg)	
			16, 17, 18" Wheels	19" Wheels	Combined	
					16, 17, 18" Wheels	19" Wheels
DIG-T 115	2WD	Manual	129	133	50.4	48.7
DIG-T 115	2WD	Xtronic	129	133	50.4	48.7
DIG-T 163	2WD	Manual	134	138	48.7	47.1

XTRONIC TRANSMISSION

The Xtronic automatic transmission enhances driving pleasure by providing better acceleration and responsiveness while improving fuel economy.

VERSATILE STORAGE

OPEN A WORLD OF POSSIBILITIES

FLAT FLOOR. When the rear seats are folded, Nissan Qashqai offers a flat luggage floor making it easy to load and unload long items as well as under-floor storage to keep valuables out of sight.

HAVE IT YOUR WAY. With the seats upright, you can flip up the luggage board system for up to 16 luggage combinations! You can even store the parcel shelf under the boot floor. Nissan Qashqai's innovative luggage storage provides versatile solutions to transporting anything and everything.

KEEP IT AT YOUR FINGER TIPS. Nissan Qashqai's new centre console design offers smart storage to keep all of your everyday items close at hand.

QASHQAI N-CONNECTA & N-VISION ENHANCED & INTENSIFIED

Turn a corner in the Qashqai N-Connecta and N-Vision grades. Featuring black diamond cut 18" alloy wheels, Around View Monitor and complete with a suite of advanced technologies, it's the ultimate urban crossover.

NissanConnect

SAFETY SHIELD

N-CONNECTA TECHNOLOGY SUITE: NissanConnect 7" touchscreen navigation and entertainment system, Around View Monitor, front and rear parking sensors, Nissan Intelligent Key, push start button and Nissan Safety Shield Technologies, including Forward Emergency Braking, Traffic Sign Recognition, Lane Departure Warning and High Beam Assist.

STANDARD EQUIPMENT

The most exciting Qashqai ever.

It spearheaded a revolution and now it's back with a defiant new design, advanced intuitive technology, state-of-the-art connective services and dynamic ride and handling putting the driver in total control. Experience the intensity of Nissan Qashqai, the ultimate urban crossover.

ALL NISSAN QASHQAIS COME WITH:

SECURITY

- Remote central door locking with superlocking
- Engine immobiliser
- Thatcham alarm system

SAFETY

- ABS with EBD and Brake Assist
- Electronic Stability Programme (ESP)
- Driver, passenger, side and curtain airbags
- Height adjustable front headrests
- Front seat belts with load limiter and pretensioner
- Front seatbelt height adjustment
- 3 rear headrests
- 3 x 3-Point rear seatbelts with ELR
- ISOFIX childseat anchorage points (rear)
- Rear door childlocks
- Puncture repair kit
- Hill Start Assist
- e-PKB (Electric Parking Brake)
- Chassis Control (Active Engine Brake*, Active Trace Control and Active Ride Control)
- Tyre Pressure Monitoring System

AUDIO

- AUX socket for MP3 players
- Remote audio control
- Bluetooth* with audio streaming
- USB port

EXTERIOR STYLING

- Chrome glass surround
- Body coloured bumpers, handles and mirrors
- Black honeycomb front grille

INTERIOR STYLING

- 5" High Definition full colour TFT screen combimeter

VENTILATION AND VISIBILITY

- LED Daytime Running Lights

CONVENIENCE

- Front and rear electric windows
- Driver's side one-touch, anti-trap window
- Tilt and telescopic steering wheel
- Electric speed-sensitive power steering
- Selectable steering (Normal or Sport)
- Front centre console and armrest
- Height adjustable driver's seat
- 430L boot space (VDA)
- Drive computer
- Cruise control and speed limiter
- Stop/Start technology
- Electrically adjustable door mirrors
- Heated door mirrors
- 60:40 Split folding rear seats

OPTIONAL EXTRAS

- Metallic paint
- Pearlescent paint

*Xtronic auto transmission versions only

VISIA

IN ADDITION TO STANDARD EQUIPMENT

AUDIO

- AM/FM/CD audio system with 4 speakers

EXTERIOR STYLING

- 16" Steel wheels

¹Price quoted is for a set of 4 wheels and does not include Tyres or TPMS

²Additional electrical kit must be purchased separately

³Accessories available in ice chrome or chrome

⁴N-Connecta & Tekna Tech Pack gains Around View Monitor as standard

⁵High Beam Assist is not available on Visia grade.

Dealer fit option prices include fitting but are only a guide. Please check with your local Nissan dealer for exact prices.

⁶Please note, Sports Alcantara® with part leather interior only available in graphite trim colour on N-Vision and light grey trim colour on Tekna

DPF FILTER

WHAT IS A DPF?

A **DIESEL PARTICULATE FILTER (DPF)** forms part of the vehicle's exhaust in order to limit the amount of soot particles contained within the exhaust gas passing into the atmosphere.

When the amount of soot in the filter reaches a specific level, this needs to be reduced in order to maintain the filter's function.

This reduction is called '**REGENERATION**' and is carried out by the vehicle's electronic control system which raises the exhaust gas temperatures during normal driving. If a vehicle requires frequent regeneration due to driving style, these high temperatures cause the engine oil to degrade more quickly.

However, from 2011 onwards Nissan vehicles were fitted with an **OIL CHANGE SUPERVISOR (OCS)** as well as a DPF to help monitor the condition of the oil and ensure the quality never falls below a minimum level.

WHAT IF I ONLY DRIVE SHORT JOURNEYS?

If the vehicle is only driven for short journeys, or at low speed, then it may not be possible for regeneration to occur. In this situation, the below warning lights will be illuminated on your dashboard.

Please refer to your Owner's Manual for further information.

After seeing these warning lights you need to drive, as soon as possible, above 40mph until the light goes out. This can take up to 30 minutes depending on the amount of soot collected in the filter.

WHAT IF I IGNORE THEM?

If you continue to drive at low speeds the exhaust gas temperatures cannot rise, so regeneration cannot occur. In this instance, a combination of the below warning lights will be illuminated on you dashboard.

In this case, and in order to protect the engine and DPF Filter, the vehicle will require '**SERVICE REGENERATION**' which can only be carried out by a workshop equipped with Nissan diagnostic equipment. You will need to go to your nearest Nissan dealer in case the oil and filter needs to be replaced.

As '**SERVICE REGENERATION**' is not a manufacturing fault, so the cost will **NOT** be covered under warranty.

FURTHER INFORMATION

On The Road Prices. On The Road Price includes 12 months Government Vehicle Excise Duty (VED) determined by CO₂ emissions figure and fuel type, £55 Government First Registration Fee, number plates and delivery to the Nissan Dealership.

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used. The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£130	£145	£185	£300	£355	£500	£650	£885	£1,120
Diesel Car	£0	£0	£0	£0	£130	£145	£185	£300	£355	£500	£650	£885	£1,120
Alternative Fuel Car	£0	£0	£0	£0	£120	£135	£175	£290	£345	£490	£640	£875	£1,110

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £230 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing. VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars - Three-year/60,000 miles. Petrol and diesel engine LCVs and Navara - Five-year/100,000 miles.

LEAF and e-NV200 – Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. This is with the expression of e-NV200 which offers a 5-year / 60,000 mile warranty on mechanical components and corrosion*. The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

*The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November 2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply, for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF and e-NV200Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.
