Take a closer look at Quality...WE DO!

Take a closer look at Quality...

At Ford, we believe that quality should be the most important factor in choosing automotive accessories. That's why "Take a closer look at Quality...WE DO!" is more than just a slogan. It's an invitation **and** a promise.

Like all Ford Motor Company products, Ford brand Accessories are intended to help fulfill your automotive needs. They are custom designed and engineered to complement the style and quality of your Ford-built vehicle. Extensive research and testing are used to select only those products that meet or exceed our strict engineering specifications. Before an accessory can earn the distinction of "wearing" the Ford oval, it must undergo a rigorous battery of tests designed to help ensure high quality of materials and workmanship, proper fit/finish and safety.

These unbending standards allow us to offer one of the best accessory warranties in the business — up to 3 years or 36,000 miles (whichever occurs first). See Warranty Information below for more details.

Our strong commitment to quality lets us stand behind Ford brand Accessories with confidence and pride. So go ahead, "Take a closer look at Quality..." take a closer look at Ford brand Accessories.

Order With Ease

For your convenience, all Ford brand Accessories are available through your Ford dealer's parts department. In addition, many of the products displayed in this catalog can be ordered by phone or mail. Please refer to the back of the Dealer "Thank You" letter for more details.

When placing your order, please provide as much information as available. This will help facilitate the ordering process and help ensure that you receive the proper accessory application(s) for your vehicle.

A Word About Prices

Accessory prices may vary depending on your specific vehicle and differences in style, size and adapting kits. Please refer to the Accessory Pricing Index located on the inside back cover of this catalog for current pricing and application information.

All phone and mail orders will be charged a non-refundable handling fee of \$3.50.

NOTE: Installation costs are not included in Suggested Retail Prices. These costs are the responsibility of the customer.

Warranty Information

Ford Motor Company will repair or replace any properly installed Ford brand Accessory found defective in factory-supplied material or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides the greater benefit:

- 12 months or 12,000 miles (whichever occurs first)
- the remainder of your new vehicle limited warranty

This means that Ford brand Accessories purchased along with your new vehicle and installed by your dealer are covered for up to the full length of your new vehicle limited warranty — 3 years or 36,000 miles (whichever occurs first). Contact your dealer for complete warranty coverage information.

NOTE: The prices, descriptions and specifications in this catalog were in effect at the time of printing. Our policy is one of continuous improvement and we reserve the right to change specifications, design or price without notice and without incurring obligation.

1 9 9 3 ECONOLINE ACCESSORIES

Aerodynamic Running Boards.

Give your van a customized look with anodized aluminum running boards featuring aerodynamically styled wheelwell splash guards. Available with silver or black finish and black thermal plastic end caps. Dealer installation recommended. **Note:** Only available for Econolines equipped with swinging side doors.

A. Econoline Engine Cover Console.

Attaches easily and securely to your interior engine cover. Includes top storage tray, flip out table top with two cup/mug holders and removable cassette/compact disc tray. Door opens to reveal four interior compartments with storage space for various small items. Available in medium mocha, regatta blue and granite.

B. Genuine Ford Air Conditioning.

Dealer-installed Air Conditioning helps provide optimum comfort while maintaining the factory-installed look of your Econoline's instrument panel. Only available through your Ford dealer.

C. Vehicle Security Systems.

Protect your Econoline with the only vehicle security systems authorized by Ford Motor Company. Five state-of-the-art systems (along with optional accessories) offer a full range of security features including compatibility with the factory-installed Remote Keyless Entry System. Dealer installation recommended. **Note:** Vehicles equipped with security systems may be eligible for insurance discounts in some states.

D. Remote Keyless Entry System.

Add a touch of luxury with Ford's Remote Keyless Entry 100. A pocket-size remote control transmitter locks and unlocks your doors and illuminates the interior dome light from up to 50 ft. away (kit includes two transmitters). Dealer installation recommended. **Note:** Requires power door locks for full system operation.

E. Speed Control.

Choose virtually any cruising speed, then sit back and relax as a microcomputer automatically maintains it for you. Unit disengages when pressure is applied to the brake or clutch (manual transmissions) and returns to original speed setting when "Resume" feature is activated. Dealer installation recommended.

A. Multi-Sport Removable Rack.

Combines with specialized adapters (below) to offer a wide range of recreational cargo carrying choices. Optional locking knobs help prevent theft (must be ordered separately). Easily installed and removed.

Multi-Sport Carrier Adapters.

Choose from four models. Our upright Bike Adapter holds one road or mountain bike and features a built-in lock. Ski/Snowboard Adapters are available in two sizes: one safely transports up to four pairs of skis or one snowboard, the other holds as many as six pairs of skis or two snowboards. Both include standard locks. The versatile Water-sport Adapter can accommodate a sailboard, canoe or kayak (tie-down belts, boom clips and built-in oar, paddle or mast holders included). Adapters attach easily and securely to rack crossbars. **Note:** Only available for Econoline Vans equipped with the Multi-Sport Removable Rack.

B. Carpeted Floor Mats.

Plush carpeted mats offer an exact fit and color match with your Econoline's interior. Special backing is designed to help prevent slipping. Available in mocha, dark regatta blue and granite. Packaged as twin front mats or one full-width rear mat (fits all rear seating positions).

C. Aero Hood Deflector.

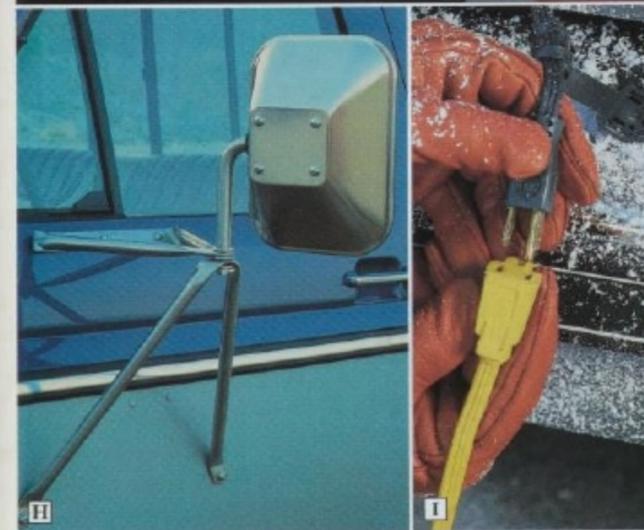

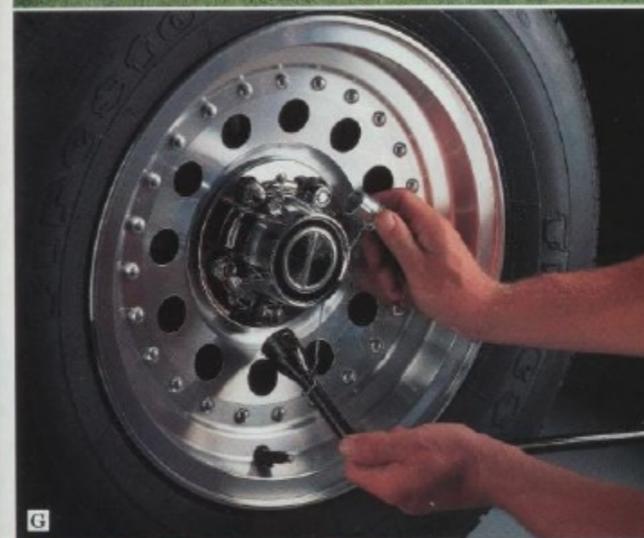

Aerodynamic shield deflects airborne debris away from your Econoline's windshield and painted hood surfaces. Constructed of durable, smoke-colored Lexan®.

D. Stereo Headphones.

Lightweight headphones designed specifically for use in Econolines equipped with the Super Sound System. Features include frequency response of 20-20,000 Hz and a 6 1/2-ft. cord.

E. Splash Guards.

A low cost way to help protect your van's finish from mud, salt and other road debris. Made of black polyethylene with white Ford oval. Extra large model also available. Packaged in pairs.

F. Fog Lights.

These sporty, high-performance lights help get your Econoline through virtually any kind of weather. Lights feature quartz-halogen bulbs enclosed in black plastic housings with clear lenses. Kit includes protective lens covers dressed up with the Ford oval. Dealer installation recommended.

G. Styled Wheel Protector Locks.

Locks replace one lug nut on each wheel to help protect your Econoline's aluminum wheels and tires from theft. Kit includes four triple-nickel chrome-plated steel locking nuts and a special grooved key.

H. Gooseneck Recreational Mirror.

7 1/2" wide x 10 1/2" high mirror helps provide a clear view when towing a load. Features premium quality glass and a stainless steel mount. Attaches to left or right side of van. Dealer installation recommended.

I. Engine Block Heater.

An enclosed heater coil installs permanently in your van's engine block to help provide faster winter starting with less fuel waste and battery drain. Plugs into any 110-volt outlet. Includes cap designed to help protect plug when not in use. Dealer installation recommended.

Speed Control.

You're in the driver's seat as a microcomputer automatically adjusts to maintain virtually any driving speed you choose. Speed Control disengages when pressure is applied to the brake or clutch (manual transmissions) and returns to original cruising speed when "Resume" feature is activated. Dealer installation recommended.

A. Vehicle Security Systems.

Safeguard your Aerostar against theft and damage with the only vehicle security systems approved by Ford. Five state-of-the-art systems (along with optional accessories) offer a complete range of protection features to meet your security needs. Dealer installation recommended. **Note:** Vehicles equipped with security systems may be eligible for insurance discounts in some states.

B. Remote Keyless Entry System.

Luxurious convenience is at your fingertips with Ford's Remote Keyless Entry 100. Includes two pocket-size remote control transmitters that lock and unlock your doors and turn on the interior dome light from up to 50 ft. away. Dealer installation recommended. **Note:** Requires power door locks for full system operation.

C. Multi-Sport Removable Rack.

Lightweight, durable rack combines with specialized adapters (described below) to let you take your favorite recreational equipment along for the ride. Optional locking knobs help prevent theft (must be ordered separately). Easily installed and removed.

Multi-Sport Carrier Adapters.

Choose from four models. Our upright Bike Adapter holds one road or mountain bike and features a built-in lock. Ski/Snowboard Adapters are available in two sizes: one safely transports up to four pairs of skis or one snowboard, the other holds as many as six pairs of skis or two snowboards. Both include standard locks. The versatile Water-sport Adapter can accommodate a sailboard, canoe or kayak (tie-down belts, boom clips and built-in oar, paddle or mast holders included). Adapters attach easily and securely to rack crossbars. **Note:** Only available for Aerostar Vans equipped with the Multi-Sport Removable Rack.

D. Aerodynamic Running Boards.

Enhance the sleek appearance of your Aerostar with attractive running boards that feature custom fit wheelwell splash guards. Boards are constructed of silver or black anodized aluminum with black thermal plastic end caps. Dealer installation recommended.

A. Multi-Purpose Luggage Rack.

Corrosion-resistant, black steel rack mounts permanently on vehicle roof. Designed for use as a standard luggage rack or for use with the Four Seasons Bike and Ski Carrier Adapters described below. Dealer installation recommended.

B. Four Seasons Carrier Adapters.

Two styles available. Easy-to-install Bike Carrier Adapter keeps one or two bicycles out of harm's way while traveling. Bikes can be secured or removed in minutes. Our convenient Ski Carrier Adapter holds up to four pairs of skis and poles. Both adapters mount easily and securely on the Multi-Purpose Luggage Rack described above or the factory-installed roof rack.

C. Soft Luggage Cover.

Help protect your luggage and other rooftop cargo with this heavy-duty, cotton-lined vinyl luggage cover. Soft, yet durable construction provides 9.5 cubic feet of storage capacity and easily accommodates odd-shaped items. **Note:** Only available for Aerostar Vans equipped with the factory-installed roof rack.

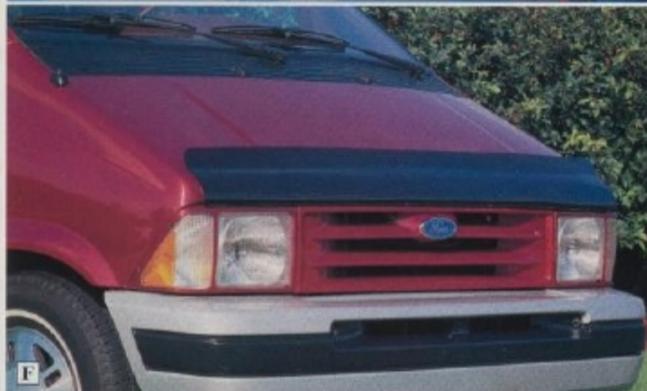

D. Genuine Ford Air Conditioning.

Helps provide optimum driving comfort for Aerostar owners. Dealer-installed unit is designed to help maintain a "factory fresh" look. Only available through your Ford dealer.

E. Rear Air Deflector.

Aerodynamically styled black anodized aluminum deflector adds a stylish accent as it helps keep your rear window free of dust and dirt. Can be painted to match your Aerostar. Dealer installation recommended.

F. Aero Hood Deflector.

Durable, smoke-colored Lexan® deflector helps protect your hood and windshield from insects, dirt and other airborne debris. Aerodynamic design enhances Aerostar's sporty appeal.

G. Carpeted Floor Mats.

Deluxe, custom fit mats feature plush carpet color-keyed to match your Aerostar's interior perfectly. Specially designed backing helps keep mats in place. Available in mocha, ruby red, dark regatta blue and smoke with embroidered vehicle name. Customized front mats available for Eddie Bauer edition vehicles. Front mats packaged in pairs; rear first seat and second seat mats packaged individually.

H. Universal Floor Mats.

These durable mats feature rich polypropylene carpet with a sewn, matching vinyl edge binding. Nibbed backing helps prevent slipping. Available with or without imprinted Ford oval in sand beige, scarlet, regatta blue, smoke, titanium and raven. Two mats per set.

A. Cargo Retention Net.

This sturdy, braided cord net secures groceries, sporting goods or other loose cargo to help keep your Aerostar's storage areas neat and clean. Soft, flexible netting won't mar finished surfaces.

B. Aerostar Console.

This streamlined console mounts between the driver and passenger seats to provide front and rear seat occupants with storage capacity for beverages, cassettes and even an automatic garage door opener. Top opens to reveal a large interior compartment. Available in mocha, ruby red, dark regatta blue and smoke.

C. Stereo Headphones.

These lightweight headphones plug into jacks in the rear control console of Aerostars equipped with the Super Sound System. They feature frequency response of 20-20,000 Hz and a 6 1/2-ft. cord.

D. Sunroof.

Always a sporty favorite, our pop-up Sunroof provides fresh air in the summer and solar heating in the winter. Sturdy, double-frame aluminum design offers added durability with factory-installed appearance. Glass can be completely removed for open-air traveling. Dealer installation recommended.

E. Class I Trailer Hitch.

Designed specifically for use with all Aerostar models. Black painted hitch with 2,000-lb. towing capacity and tongue weight rated at 200 lbs. Attaches permanently to vehicle bumper. Uses 1 7/8" or 2" ball (must be ordered separately). See your salesperson for your van's towing capacity. Dealer installation recommended.

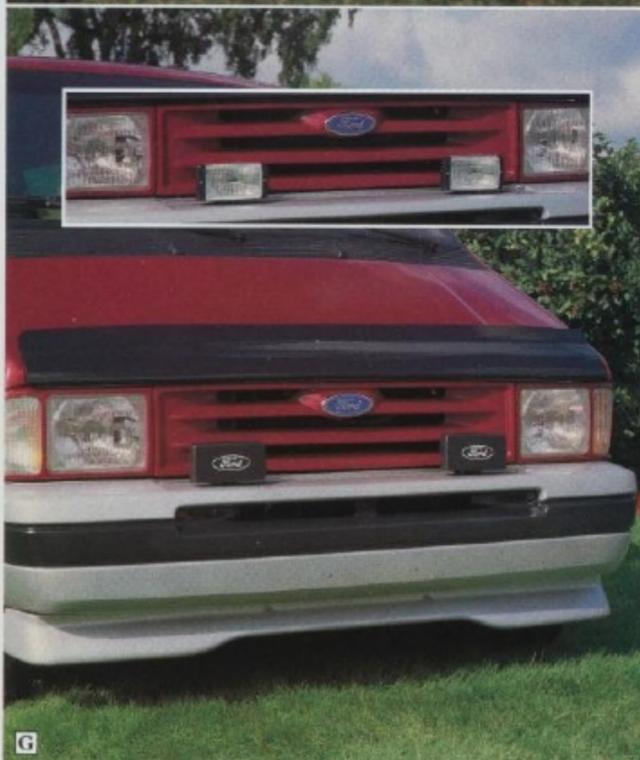

F. Class II Trailer Hitch.

Receiver style hitch mounts to frame without relocating underbody spare tire carrier. Features towing capacity of 3,500 lbs. and tongue weight rated at 300 lbs. Ball mount included. See your salesperson for your vehicle's towing capacity. Dealer installation recommended.

G. Fog Lights.

These sporty, high-performance lights penetrate rain, fog or snow with quartz-halogen bulbs enclosed in black plastic housings. Kit includes protective lens covers dressed up with the classic Ford oval. Dealer installation recommended.

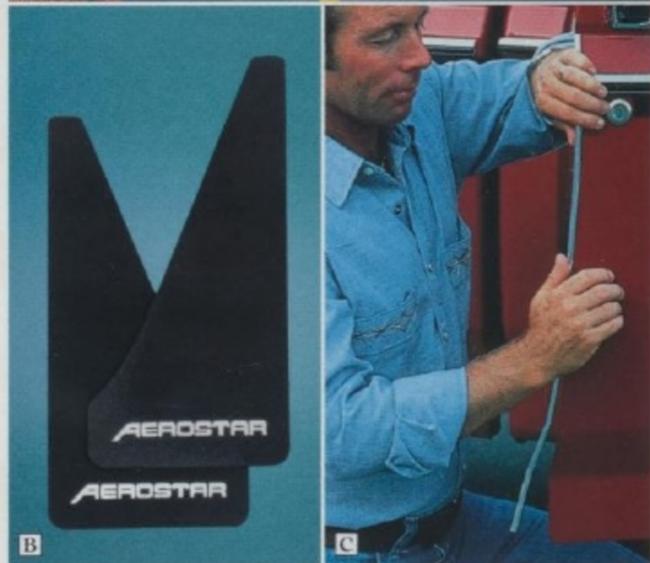

A. Engine Block Heater.

An enclosed heater coil installs permanently in your Aerostar's engine block to help provide faster winter starting with less fuel waste and battery drain. Plugs into any 110-volt outlet. Includes cap designed to help protect plug when not in use. Dealer installation recommended.

B. Splash Guards.

A low cost way to help protect your van's finish from mud, salt and other road debris. Available in black polyethylene with white Aerostar logo treatment. Two splash guards per set.

C. Door Edge Guards.

Designed to help shield door edges from potential nicks and dings. Preformed polished aluminum guards are molded to fit Aerostar door contours exactly.

SPECIFY GENUINE FORD COLLISION REPAIR PARTS...

Genuine Ford sheet metal and plastic replacement collision parts, such as the hood, doors, fenders and bumper components, are the right choice — and for all the right reasons. Genuine Ford parts are equal to original parts in fit, finish, structural integrity and corrosion protection. Ford parts are the same as those used on new vehicles which are certified to meet all Federal Motor Vehicle Safety Standards. And all Ford sheet metal parts are covered by the exclusive Ford Lifelong Sheet Metal Guarantee. Ask your dealer to see a copy of this limited warranty. Don't settle for imitations. Ask your insurer to authorize genuine Ford collision parts.

QUALITY CAR CARE PRODUCTS...

Our premium Car Care Products are specially formulated to enhance the beauty and performance of Ford-built vehicles. Each product is thoroughly tested by Ford engineers to ensure it meets or exceeds the engineering, performance and safety specifications of today's high-tech vehicles. In fact, these convenient, top-of-the-line products are the same ones used by Ford and Lincoln-Mercury dealers across the United States. So contact your dealer today and insist on genuine Ford Car Care Products.

QUALITY CARE

It may be your car,
but it's still our baby.™
