

# VOLVO XC60

PRICE AND SPECIFICATION

# Create your perfect Volvo XC60

Congratulations. You're only a few steps away from your perfect Volvo XC60. This price list contains everything you need to create the car that's exactly right for you.

From selecting the right package and choosing from a range of class leading engines, through to picking the perfect colour and adding the finishing touches, you're in complete control.

Whatever you decide, you'll be choosing Volvo's freshest and most exciting model. The Volvo XC60 comes with City Safety technology as standard – a world-first. This unique laser-based system avoids low-speed collisions by braking automatically in urban traffic. Available in both Front Wheel Drive and All Wheel Drive.

## XC60 S

The S model comes with all the features you would expect from Volvo. Beyond the 17" Segin alloy wheels and RSC (Roll Stability Control) system, the S offers front fog lights, roof rails and rear spoiler. Interior details include electronic climate control, information centre, cruise control, leather steering wheel with remote audio controls, aluminium trim and performance sound audio system with aux input and CD player.

## XC60 SE

The SE is further enhanced with rain sensor, power driver's seat with memory and autofolding power door mirrors with ground lights. Added luxury includes Eriksberg T-Tec/Textile upholstery, autodimming rear view mirror with compass and chrome window trim.

## XC60 SE LUX

The top of the line SE Lux is the ultimate in luxury. Above and beyond SE specification, the SE Lux has chronographic instrument dials, leather upholstery, Nordic Light Oak natural wood trim and both front seats are powered and heated. Further enhancements include luxury floor mats and chrome detailing. 18" Merac alloy wheels, active bending headlamps and rear park assist are all standard.

## PREMIUM

The Premium model is the ultimate upgrade. The combination of Leather-faced Upholstery and Satellite Navigation System (RTI) is designed to complement the existing high level of specification whichever model you choose.

## XC60 **DRIVe**

The DRIVe badge is given to cars in the Volvo range that have the best environmental performance. The 2.4D DRIVe model is equipped with a conventional diesel engine and manual gearbox optimised for extra-low fuel consumption as well as being tailored specifically for low rolling resistance and reduced air drag. With CO<sub>2</sub> at just 159 g/km and fuel consumption of up to 47.1mpg on a combined cycle, this makes the 2.4D DRIVe an attractive choice without compromising on driving pleasure. DRIVe is not currently available as geartronic.

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.

#### Notes

The weight of a vehicle will influence the level of CO<sub>2</sub> emitted and, as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO<sub>2</sub>. However, Vehicle Excise Duty is charged according to the weight and CO<sub>2</sub> emissions of the standard vehicle, as published in this price list. The weight effect of any additional items does not affect the amount of Vehicle Excise Duty payable. A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified. All measurements in mm. The max. output figures are quoted in PS (Pferdestärke), which is the metric equivalent of brake horsepower. NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models.
