The Volvo XC60 range at a glance.

ES

The ES model comes with all the features you would expect from Volvo. Beyond the innovative City Safety technology, 17" Segin alloy wheels and RSC (Roll Stability Control) system, the ES offers electrically adjustable and heated door mirrors, roof rails and rear spoiler. Interior details include electronic climate control, floor mats, passenger airbag cut-off switch, information centre, cruise control, leather steering wheel with remote audio controls, aluminium trim and performance sound audio system with aux input, a CD player and a 5" display screen.

SE

The SE is further enhanced with a rain sensor, rear park assist, power operated tailgate and autofolding power door mirrors with ground lights. Added luxury includes Eriksberg T-Tec/Textile upholstery, Bluetooth® handsfree system, autodimming rear view mirror and a high performance audio system with USB input and 8 speakers.

SE LUX

Our most luxurious variant is the SE Lux. Above and beyond SE specification, the SE Lux has leather-faced upholstery, power adjustable driver's seat with memory function, active bending xenon lights with headlight cleaning system and 18" Zephyrus alloy wheels.

R-DESIGN

A unique power steering system and 18" Cratus alloys wheels together with the R-DESIGN chassis enhance the handling of this model. Visual presence is complemented with silver matt door mirrors, unique rear exhaust pipes, together with R-DESIGN leather-faced upholstery, front sport seats with side support, R-DESIGN leather steering wheel and unique aluminium interior trim.

PREMIUM

The Premium model is the ultimate upgrade. The combination of leather-faced upholstery, integrated satellite navigation system (including two free annual map updates), high performance multimedia audio system with 7" colour display screen and DAB (Digital Audio Broadcasting) radio is designed to complement the existing high level of specification whichever variant you choose.

On the road.

How much will it cost to get behind the wheel of your own Volvo XC60? Simply decide which model variant and engine type are right for you and then take a look at the full price list.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2011 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

Standard features. The right equipment.

It's essential that your Volvo comes equipped with everything you need. Below you'll find the standard equipment lists for each model variant and as you'd expect, there is an array of industry-leading, cutting-edge safety innovations.

• = standard, o = optional, n/a = not available, nco = no cost option, u (£) = upgrade (price)

(i) Must be ordered in conjunction with high performance multimedia audio or premium sound audio system

(ii) Cannot be combined with active four-c chassis.

(iii) Cannot be combined with load compensating suspension.

(iv) Upgrade price refers to heated seat option required to complete winter pack content.

(v) Cannot be ordered in conjunction with heated rear seats.

(vi) Must be ordered in conjunction with rain sensor and autofolding power door mirrors with ground lights. Queue Assist not available with manual transmission.

(vii) Fully fitted accessory price; fitted post registration at retailer.

(viii) Extension for fourth bike available at extra cost.

Technical specifications. In fine detail.

The nuts and bolts of your Volvo XC60. Whatever you need to know about your new car – whether that's fuel consumption, CO₂ emissions, top speed or boot space – you'll find it here.

INSURANCE RATINGS Insurance ratings may vary depending on model line and specification. For details, please refer to: www.thatcham.org/abigrouprating

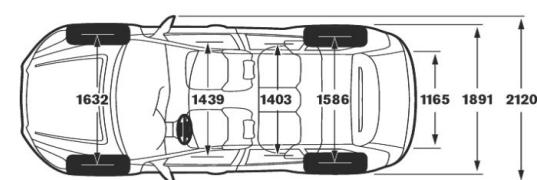

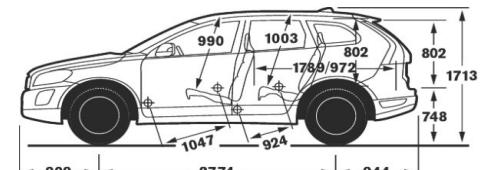

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/16/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (v) All diesel models are fitted with a particulate filter.

Notes
The weight of the vehicle will influence the level of CO₂ emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. However, vehicle tax is paid according to the weight and CO₂ emissions of the standard vehicle, as published in this price list.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified.

Auto = Geartronic Automatic Transmission

Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost.
Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models. Volvo Car UK Limited, Globe Park, Marlow, Buckinghamshire, SL7 1YQ.
