

2000 TAURUS

Driver & Passenger
Front Crash Test Rating*

*U.S. Government Preliminary Results. Data is still under review and will be posted on the NHTSA website upon final approval.

SPECIFICATIONS

At Ford, curiosity has always been the clearest path to innovation. Or, in this case, reinvention. Whether it's the innovative Personal Safety System, a roofline that stretches higher than before, or optional power adjustable pedals that can move forward or backward with the push of a button. We never stop asking, "What if?"
