

> MUSTANG COBRA

“TWIST THE KEY, POP THE RIGHT FOOT AND JUST LISTEN.”

Kevin Hepworth 'The Sunday Telegraph' 11th February 2001.

MUSTANG COBRA V8. CATEGORY: AWESOME

> Reintroducing a dynamic experience of supercar proportions. Ford Mustang is back in town, and once again communicating in the pure and unmistakable language of the driving enthusiast. A 240 kW 4.6 litre all alloy V8 engine that can race from zero to 100 kmh in 5.6 seconds. The standing quarter mile in 13.8. Soul stirring performance made even more exhilarating by the superiority of the engineering and the superb comfort and functionality of the driving environment.

**WANTED:
SEEKERS OF
FREEDOM AND
EXCITEMENT.**

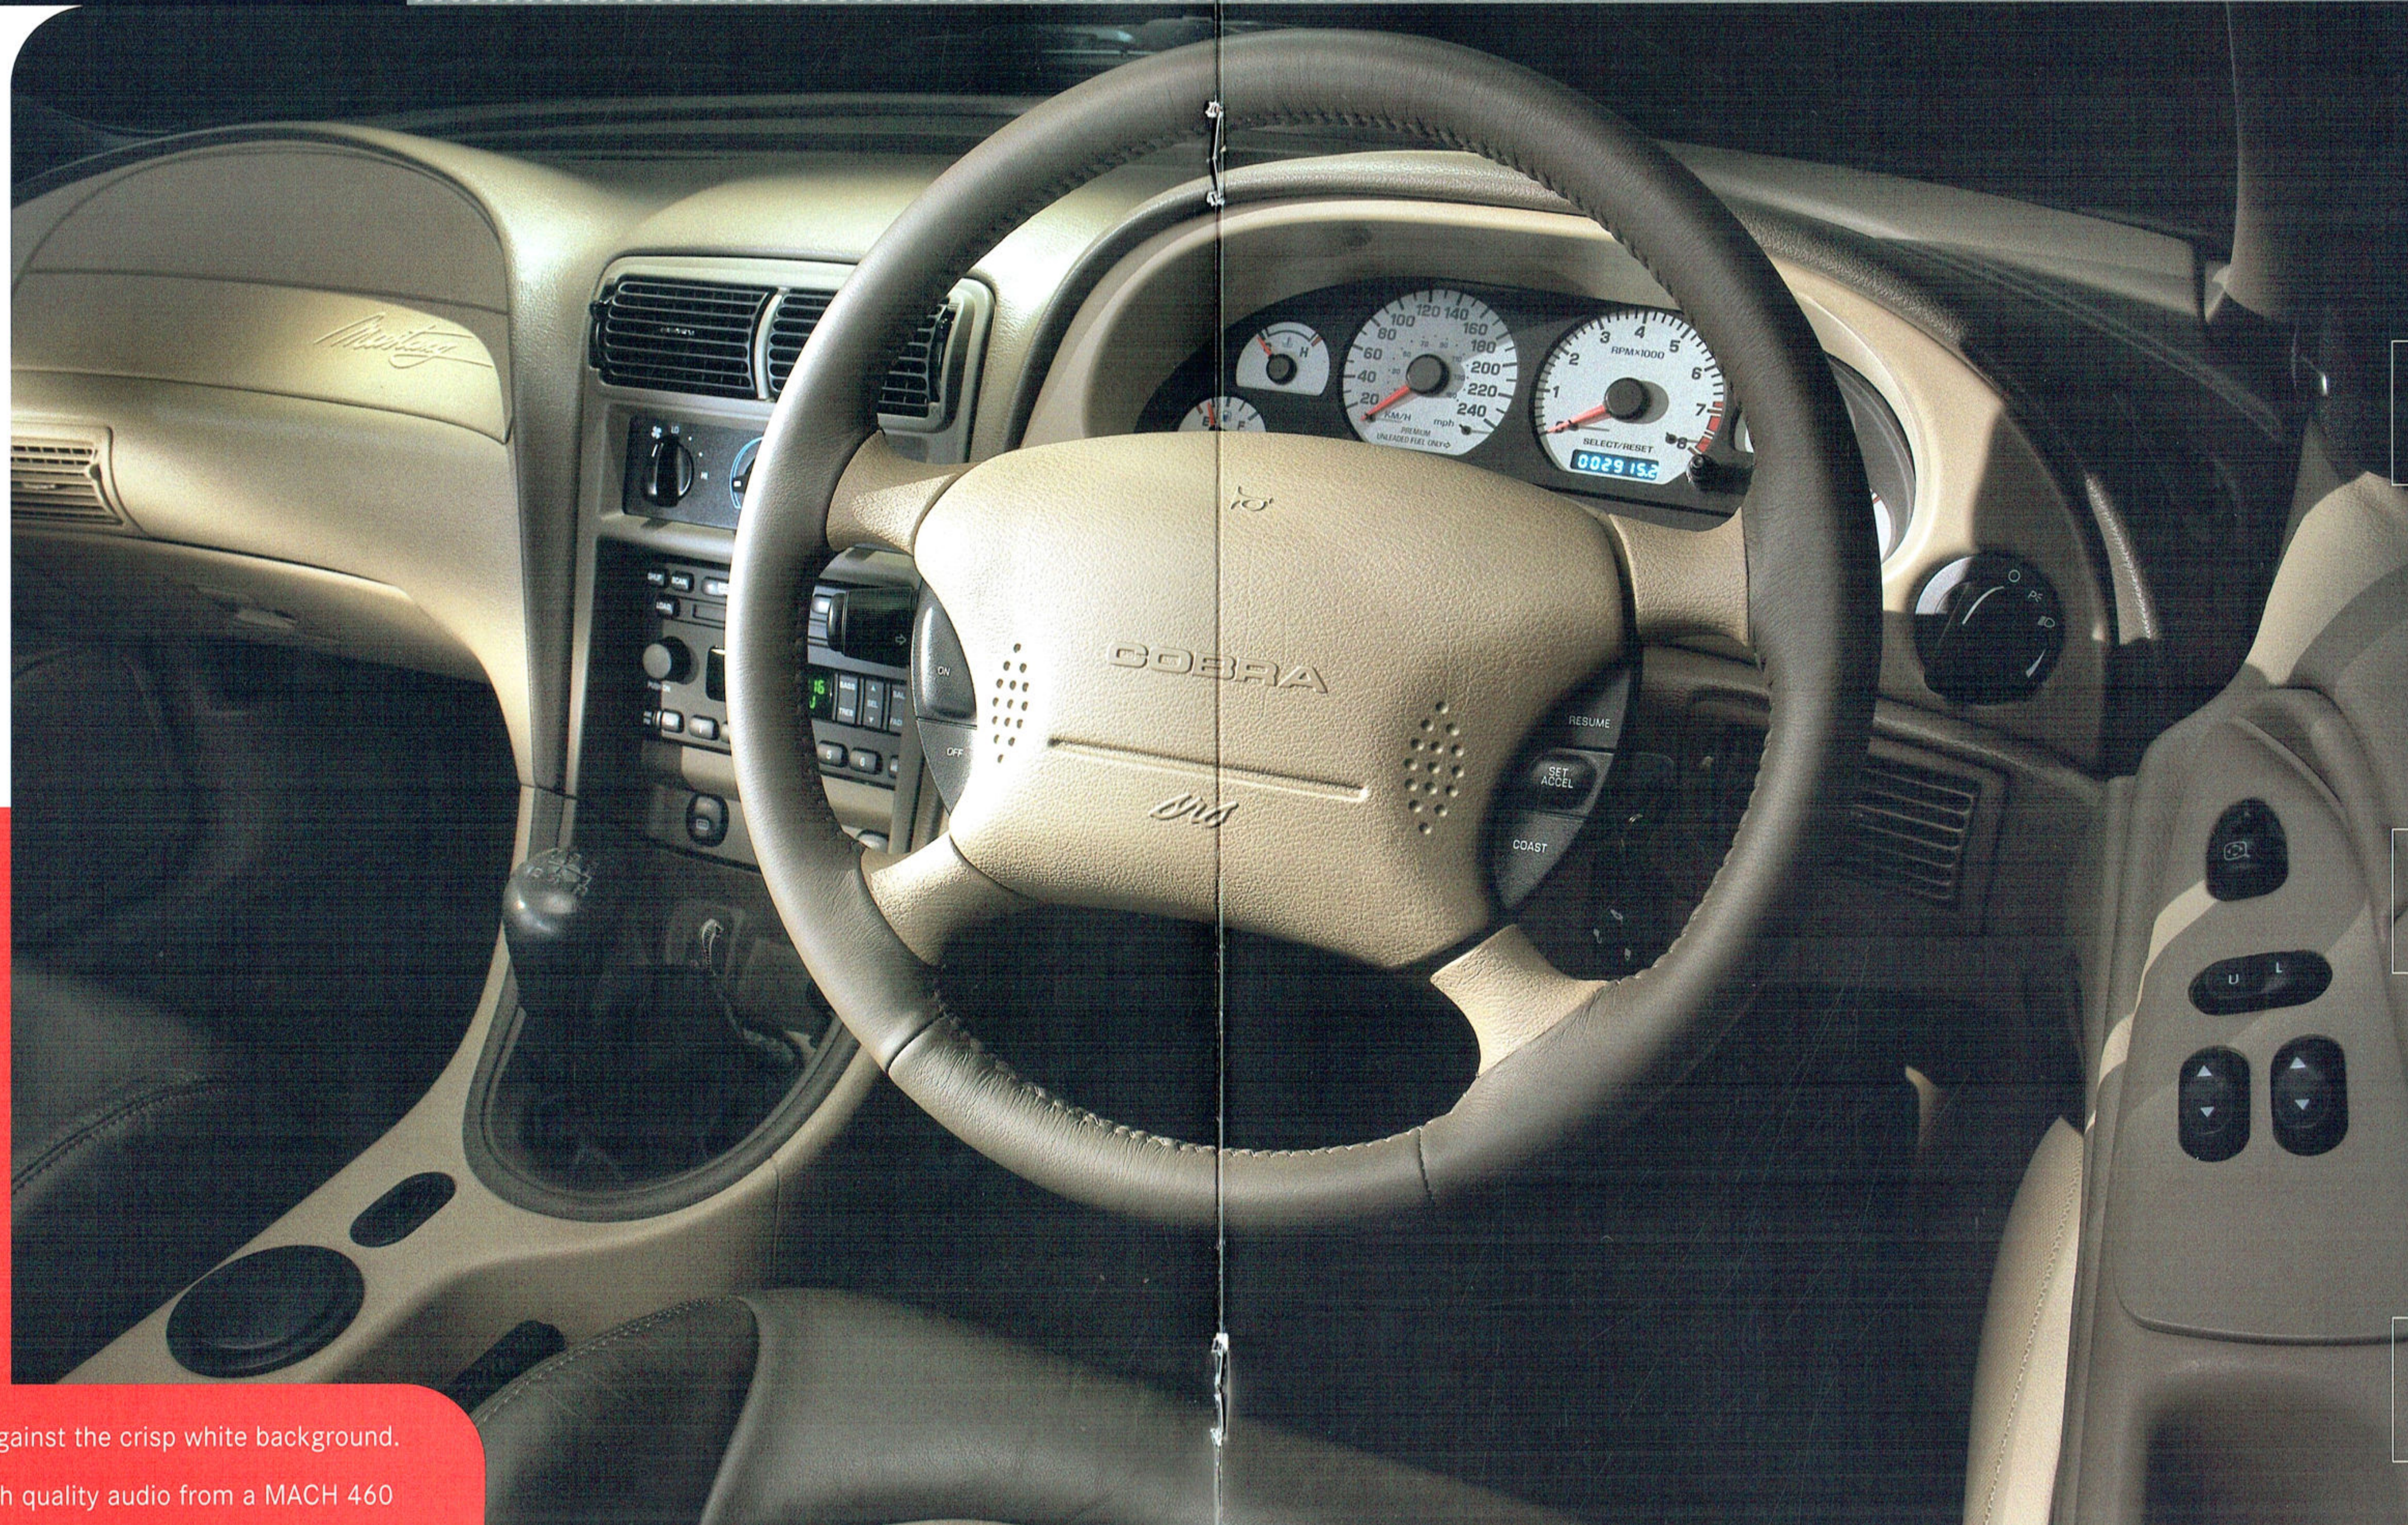

> Mustang convertible holds many top-down pleasures (and all the better to enjoy the aggressive note of that V8 engine). In other respects it is identical to the coupe. Cobra's muscular design includes styling cues that will instantly alert (even taunt) observers, communicating that this Mustang is the top of the line: at the rear, tricolour tail lamps and the name 'COBRA' across the fascia; up front, round driving lights and deep air intake.

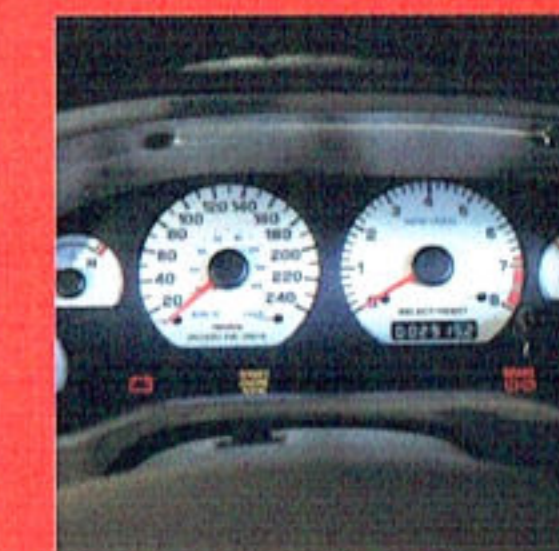

**A COCKPIT
BASED ON
THE THRILL
OF DRIVING.**

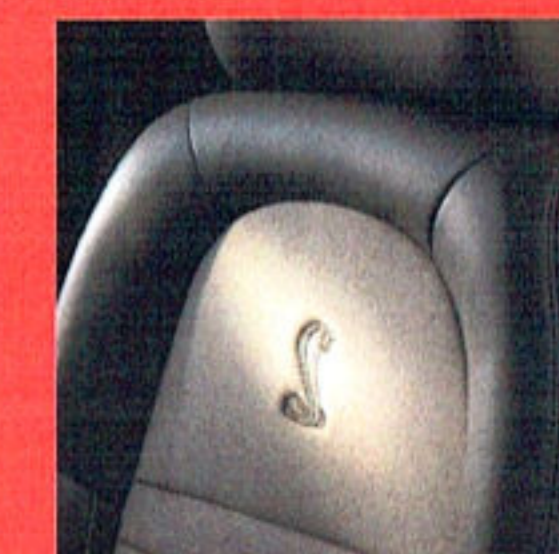

> The pure performance of Mustang Cobra's advanced engineering takes on a truly sensuous quality inside. There's so much visual and tactile pleasure in the way the instruments are arranged and how the controls feel and respond to your touch. At night, with stunning effect, the instrument numerals turn blue against the crisp white background. Appropriately, Mustang presents high quality audio from a MACH 460 AM/FM stereo cassette with 6-stack, in-dash CD player.

> High performance from the MACH 460 AM/FM stereo cassette with 6 stack in-dash CD.

> Mustang Cobra's comprehensive instrument display. At night, the numbers turn blue for better visibility.

> Leather-trimmed seats, with signature Cobra emblem embossed on suede seat inserts.

**PERFORMANCE
WITH A
LUXURIOUS
FLAVOUR.**

> Smell the rich leather. Feel the way the driver's seat, with 6-way power adjustment, holds you in a perfect driving position. Enjoy the quality appointments that are focused on personal comfort and driving pleasure. The Mustang Cobra cockpit is inspired, in part, by the fact that the sheer thrill of driving is sure to lure you to distant destinations. Hence, the real world concession: a versatile 50/50 split folding rear seat* back to accommodate your luggage.

* Coupe only.

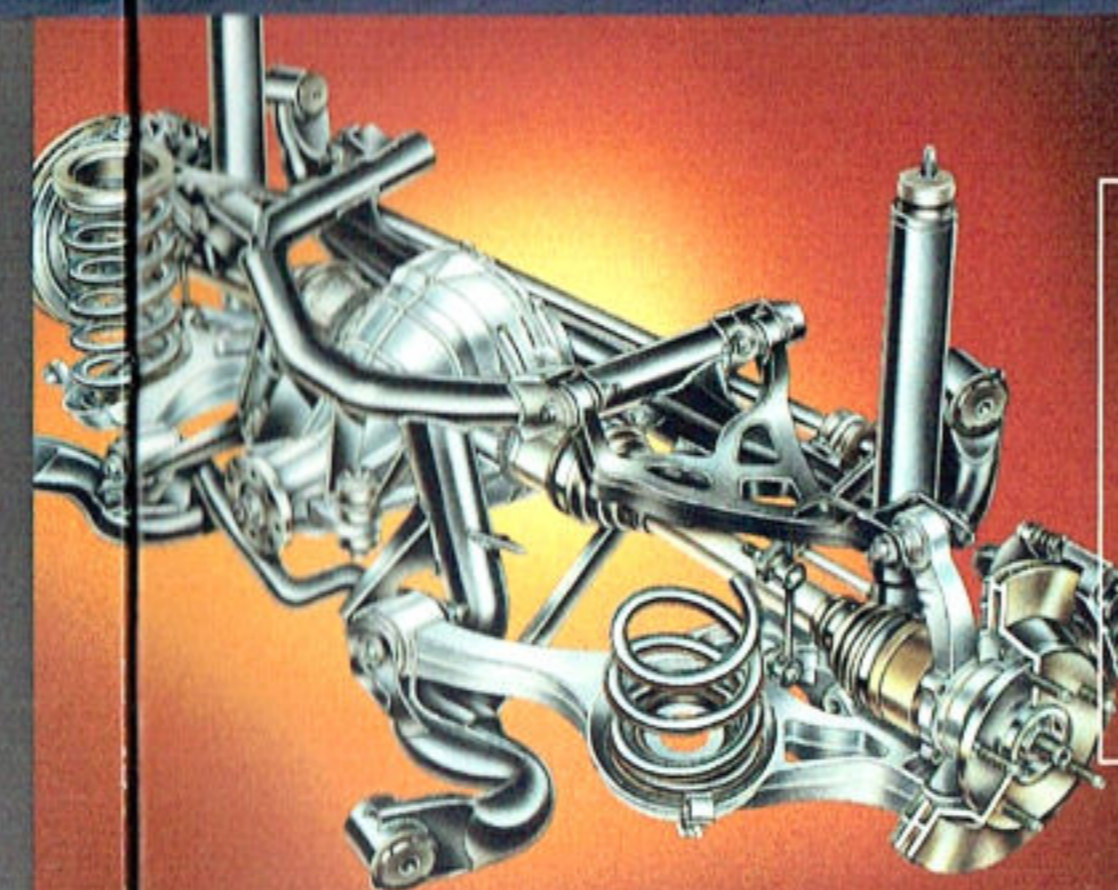

THE STUFF THAT DREAMS ARE MADE OF.

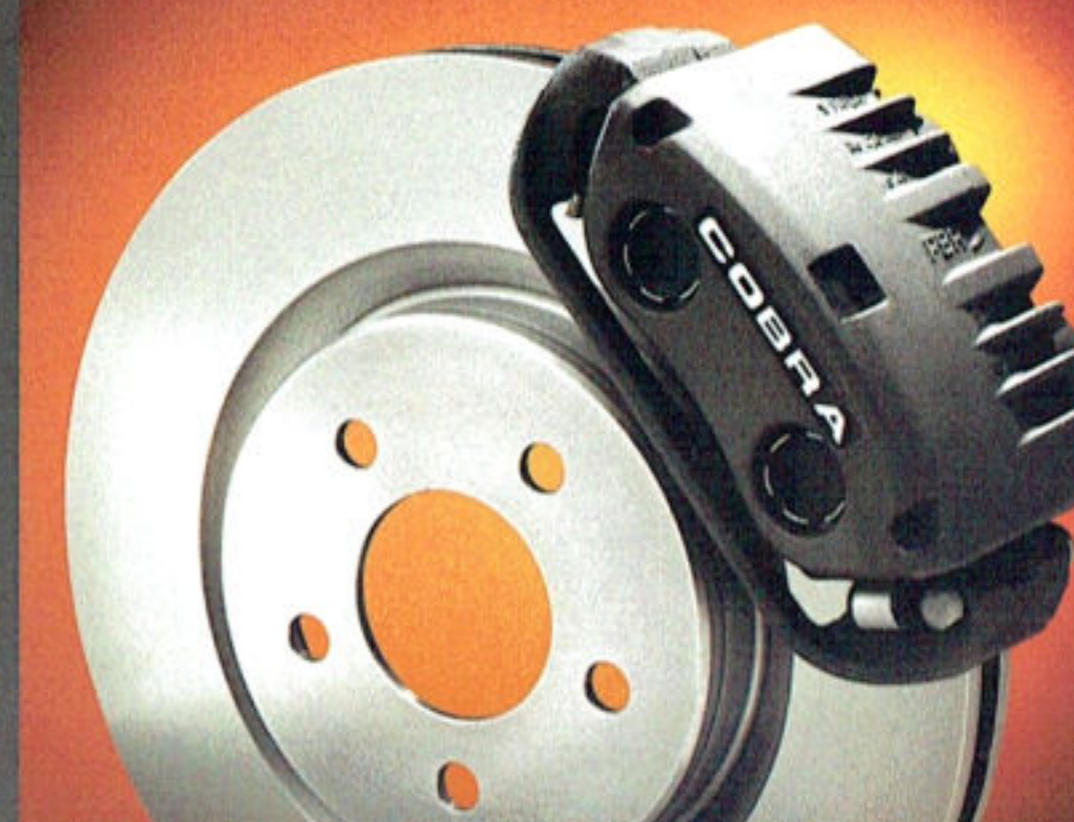

> Mustang Cobra specifications resemble a 'Who's Who' of automotive engineering. The high revving all-alloy 4.6 litre quad-cam V8 powerplant is fitted with a forged steel crank-shaft made by Kruppe Gerlach-Werke in the US. The transmission is a Tremec™ T45 5-speed manual. Mustang performance is matched to fade-resistant Brembo™ brake rotors with PBR™ calipers and 4-channel ABS. Traction control provides excellent all-weather capabilities.

The potent and smooth revving aluminium-alloy 32-valve V8 has double overhead cams and a 6,800 rpm redline.

The taut, controlled motions of the independent rear suspension system transmit a wealth of information to the driver.

PBR™ calipers clamp on 13-inch Brembo™ rotors which deliver excellent stopping power and resistance to fade.

AN OWNERSHIP EXPERIENCE YOU'RE GOING TO LOVE

FTE PREMIUM SERVICE EXPERIENCE

New Vehicle Warranty.*

Covers your Mustang against defects in factory materials or workmanship for the first 3 years or 100,000 km – whichever occurs first.

When fitted at or prior to the time of vehicle delivery, Ford Approved Accessories are also covered by the Ford 3 Year/100,000 km 'Bumper to Bumper' Warranty.

5 Year Perforation Corrosion Warranty.†

Covers the original vehicle's body against perforation corrosion for the first five years of its life.

FTE Premium Service is the key to maintaining your Mustang in peak operating condition at all times. It is a truly personalised and interactive service experience. At your FTE servicing dealership, you will be assigned your own personal FTE Dealer Service Representative. This person will come to know your vehicle almost as well as you do. You are free at any time to call and discuss any aspect of your Mustang driving experience. When it's time for service, your FTE Dealer Service Representative will run through all the details with you. Any work is agreed upon by you before it is carried out. And all work is conducted by specially trained FTE Dealer technicians. A loan vehicle will be offered to you whenever your Mustang is at an FTE dealership for service. You are always welcome to consult with your FTE Dealer service technician. And while your Mustang is naturally covered by the Ford warranties explained in this brochure, normal service repairs are performed to an agreed up-front price. In addition to FTE Premium Service there is FTE Premium Assist* (AA Roadside Assist in New Zealand) for three years.

Ford Credit Financial Services.

Ford Leasing and Red Carpet Options are available to approved applicants of Ford Credit Australia Limited and Ford Credit New Zealand Limited. Enquire at your Authorised FTE Dealer.

Fleet Communication Centre.

Our Fleet Communication Centre is available to assist fleet customers with information on FTE products and services. Call 1800 673 207 or 0800 FTEBYFORD (0800 383 293) in New Zealand.

Valuable benefits also include:

- > Free fuel to get you on your way should you inadvertently run out.
 - > Centralised service booking facility.†
 - > Emergency vehicle access/replacement of lost keys.
 - > Travel advice/benefits.
- Among the many benefits offered in the event of a mechanical breakdown are:
- > Roadside Assistance.
 - > Emergency towing/transportation.
 - > Emergency accommodation.
 - > Urgent message relay.
 - > Accident co-ordination.
 - > Medical advice.
 - > Legal advice.

For further information visit www.fte.ford.com.au or www.ford.co.nz on the Internet, or phone 1800 035 666 or 0800 FTEBYFORD (0800 383 293) in New Zealand.

*Conditions and exclusions apply. See your Authorised Ford Dealer for details. †Not available in New Zealand.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser. The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order. *FORD MOTOR COMPANY OF AUSTRALIA LIMITED.
