

Escape

[Choose your Escape. V6 or the 2.3L 4 cylinder.]

> Escape XLS 2.3L 4 cylinder shown in Crimson Glow with optional front and rear slimline weather shields, side steps and spoiler.

> Escape XLT V6 shown in Ice with Exceed Silver bumper colour.

[The perfect Escape.]

> The Ford Escape 4WD can handle the tough stuff, which makes getting away from it all extremely easy. You have the power to go wherever you want. In fact, its smart on-demand 4WD system is designed to work in two ways to allow for all types of conditions. During normal driving the vehicle works as a front wheel drive. But when the system detects a loss of traction, power is sent to all four wheels to maintain a surer grip on the driving surface. When the going gets really tough select the 4WD lock-up feature even while the vehicle's still moving, and you'll have the confidence to tackle particularly slippery conditions. Choose your means of escape with a V6 range that includes the Limited, XLT and XLS, or you can opt for the XLT or XLS powered by a 2.3L 4 cylinder engine. Ford Escape 4WD. Be empowered.

> Escape Limited shown in Sand Dune with Sand Dune bumper colour.

[**Escape Limited. Without limits.**]

> **Leather Seat Trim.** Soft leather, firm support and very, very luxurious.

> **Side Airbags.*** Seat-mounted side airbags help keep you protected from every angle.

> **Sunroof.** Laminated glass electric tilting/sliding sunroof. Opens in seconds.

> When it comes to escaping why not do it in luxurious style? After all, the Limited has plenty of it to go around with leather seat trim, air-conditioning, 6-disc in-dash CD player and leather wrapped steering wheel. There's also a sunroof, two-tone dashboard, tinted rear privacy glass, electric antenna and sunglasses holder. Not to mention a host of stylish exterior features including alloy wheels, body colour painted bumpers, bodyside cladding and wheel arches. Safety features include driver and front passenger airbags and seat mounted side airbags,* plus an Anti-Lock Braking System to help maintain control during heavy braking situations. All models boast 4-wheel independent suspension, rack and pinion power steering, 4-speed automatic transmission, ventilated front disc brakes and on-demand 4WD at the press of a button. And with cruise control as standard, the Limited is without doubt the dream Escape.

*Seat mounted side airbags fitted to front seats only.

[Escape XLT. Escape into another world.]

> The Escape XLT is a great way to turn cement into snow, or asphalt into a mountain stream. Escaping the concrete jungle has never been easier with a choice of a 2.3L 4 cylinder engine or a mighty V6. The XLT comes with sporty 16-inch alloy wheels, a power antenna, painted bumpers, bodyside cladding and wheel arches. Standard features include front fog lights, 4-wheel independent suspension, a 6-disc in-dash CD player and cruise control.* It also has a perimeter alarm, 4-speed automatic transmission, ventilated front disc brakes, Anti-Lock Braking System with Electronic Brakeforce Distribution and on-demand 4WD at the press of a button, plus Brake Assist on the XLT 2.3L. Inside the list of features is just as extensive. You'll find premium velour trim, power steering, air-conditioning, a leather wrapped steering wheel and driver and front passenger airbags. In short, it has everything you need to escape and discover another world.

> Escape XLT V6 shown in Crimson Glow with Moonlight Grey bumper colour. Tinted bonnet protector and snowboard carrier are optional extras.

*Cruise control standard on XLT models delivered from factory after 15 November 2004.

> Escape XLS V6 in Blaze Red.

[**Escape XLS. Another escape mechanism.**]

> When it comes to escaping, the XLS is your key to freedom. You'll be amazed where it can take you. And with a choice between the 3.0L V6 and the 2.3L 4 cylinder engine, there are even more ways to escape. Safety features include driver and front passenger airbags, front seatbelt pretensioners, ventilated front disc brakes and Anti-Lock Brakes with Electronic Brakeforce Distribution. The XLS also boasts 4-wheel independent suspension, rack and pinion power steering, 4-speed automatic transmission and on-demand 4WD at the press of a button. The 2.3L model also includes Brake Assist. Additional exterior features include roof racks, intermittent rear wiper and bodyside cladding. Inside you'll discover a sporty instrument cluster, CD player, air-conditioning, large central console with lidded storage bin and front door bins. As you can see, just about everything and everyone is catered for.

> Escape XLT V6 shown with Pebble velour trim.

[Inside, it's a great escape.]

> Escape XLS shown with Flint cloth trim.

> This 4WD lock up feature is great for off-roading in slippery conditions.

> Leaving the city behind is easy with cruise control on Escape Limited and XLT* models (V6 Cruise Control pictured).

> When you're behind the wheel of an Escape your world opens up. After all, it's such a great driving experience with power windows, mirrors and door locks, standard CD player (6-disc in-dash on Limited and XLT), and premium 80 watt 4-speaker AM/FM stereo radio. The Escape is also very cool, with standard air-conditioning and solar tinted windows. On the Limited, a sunroof and rear privacy glass are also standard. Plus there's a stack of other great features to assist you in getting away from it all in total comfort and style. And we've made it tough for others to escape with your Escape 4WD thanks to the Securilock engine immobiliser.

*Cruise control standard on XLT models delivered from factory after 15 November 2004.

[Making your ownership experience even more rewarding.]

A great vehicle is just the beginning.
