

TOYOTA

2027 Land Cruiser

Our Heritage. Your Adventure.

Built with the spirit of the original; engineered with the purpose of today.

See numbered disclaimer footnotes in Info and Disclosures section.

Built to conquer.

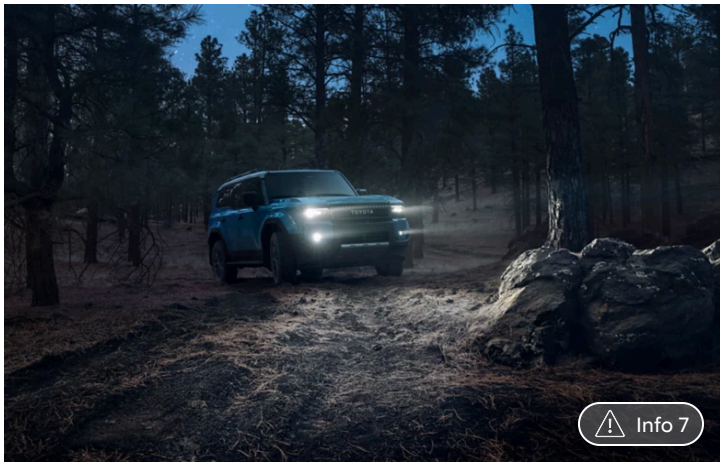

Heritage-Inspired Design

Land Cruiser stays true to its roots with a bold, heritage-inspired design built for modern exploration. Featuring a classic "TOYOTA" heritage grille, squared-off side mirrors and athletic fender flares, this icon is reimagined for today's adventures—whether tackling rugged trails or roaming city streets with confidence.

Classic Style Cues

Rugged elegance in two distinct trims. Land Cruiser 1958 is a back-to-basics homage to the original FJ25, with iconic round headlights and fabric seats. Land Cruiser trim elevates the ride further with more adventure-ready tech, leather-trimmed seating and rectangular headlights inspired by the FJ62.

Rigid Industries® Color-Selectable LED Fog Lights

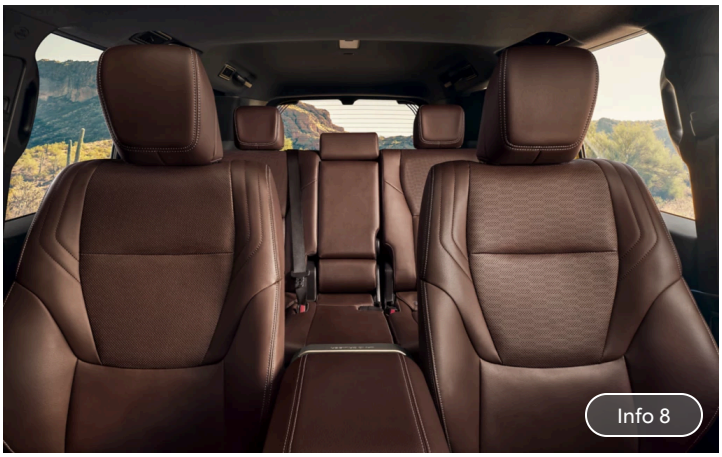

Land Cruiser trim's dual-hue LED fog lights bring more light to your adventures. Effortlessly switch between a crisp white light for low-light driving scenarios or a dynamic yellow beam that enhances contrast in denser conditions. [4]

Conquer every mile in comfort.

Land Cruiser's thoughtfully designed interior is ready to elevate every drive. With features like front-seat and steering wheel warmers, available heated side mirrors and available premium leather-trimmed seating, comfort takes the lead on every journey.

More grit. More glory.

Performance

Full-Time 4WD

Land Cruiser's full-time 4-wheel-drive system provides power continuously to the front and rear axles to improve traction and stability on various surfaces. An electronically controlled 2-speed transfer case allows you to select the right amount of torque for your driving conditions.

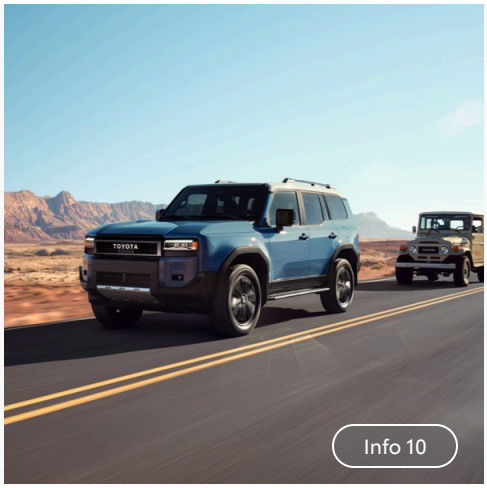

i-FORCE MAX Hybrid Powertrain

Land Cruiser's powertrain combines hybrid tech with an impressive turbo 4-cylinder hybrid engine to generate an electrifying 326 net combined horsepower with 465 lb.-ft. of torque.

Towing Capacity

Bring more along for the ride. With a tremendous towing capacity of 6000 lbs., you'll be able to tackle the trails with whatever you need to take your trek to the next level.

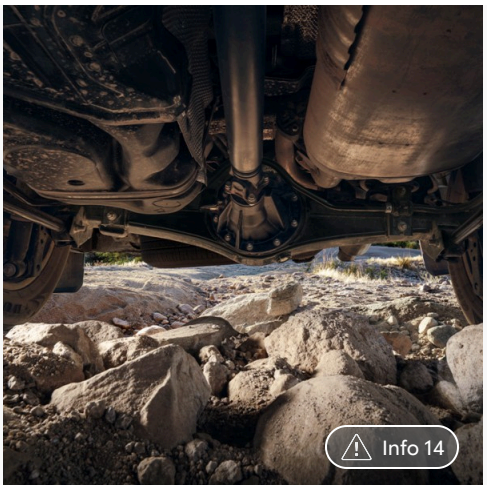

Drive Modes

Three distinct drive modes let you instantly tailor your drive with the touch of a button. Sport Mode indulges your spirited side with the feeling of sharper acceleration, while Eco Mode adjusts throttle input to help maximize your efficiency. Normal Mode blends fuel economy with performance.

Capability

Rear and Center Locking Differentials

More off-road; more control. [11] Engage Land Cruiser's electronically locking differentials with the press of a button to distribute available torque for better traction while maneuvering through challenging terrain.

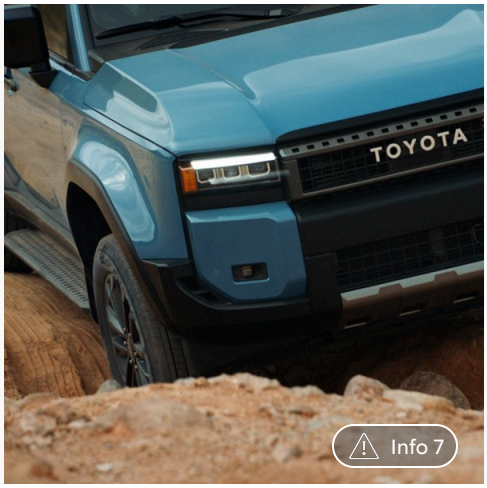

Stabilizer Disconnect Mechanism

While Land Cruiser's frame provides stability to support your everyday drives, sometimes off-road excursions require something different. Activate Land Cruiser's available Stabilizer Disconnect Mechanism (SDM) for greater wheel articulation as you navigate uneven trails and rocky terrain.

Power Inverter

Explore the wilderness without limitations. Land Cruiser's 2400W power inverter [12] integrates the ability to charge and operate your compatible essentials wherever your off-road journey takes you. From laptops to coffee makers, this high-capacity outlet helps you power up your adventures.

Multi-Terrain Select With Crawl Control

Conquer with confidence. Land Cruiser's available Multi-Terrain Select (MTS) helps you navigate varying landscapes with improved traction at different speeds. Crawl Control (CRAWL) [13] helps take on difficult terrain by automatically modulating the throttle and brakes, so you can focus on steering.

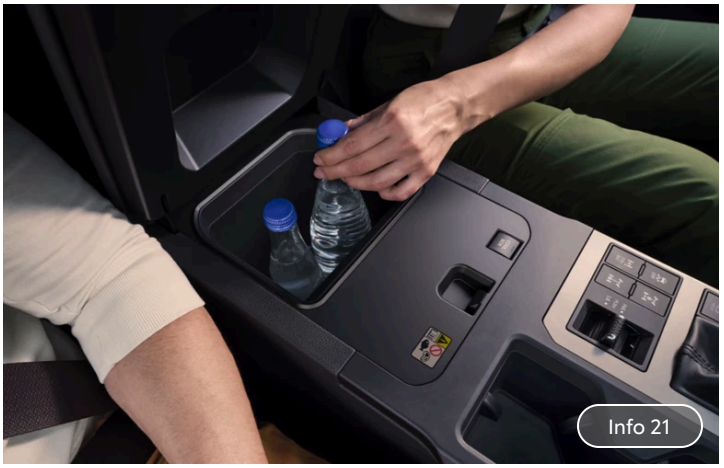

Seamless adventures start here.

Part of unstoppable adventures is experiencing them to the fullest. Equipped with versatile features, Land Cruiser helps make sure you can always be on the move.

Multimedia Screen

Land Cruiser's standard 8-in. or available 12.3-in. Toyota Audio Multimedia touchscreen heightens your experience through sight, touch and voice. With an active trial or subscription, the voice recognition of Toyota's Intelligent Assistant lets you use simple phrases like "Hey, Toyota" to find destinations, stream music and more—keeping you effortlessly connected to every adventure. [15]

Console Cool Box

Land Cruiser's available center-console cool box [16] recirculates air from your air conditioner to help keep your beverages chilled while you explore remote destinations or cruise down city streets.

Qi Wireless Charger and USB-C Ports

Charge ahead. With Land Cruiser's available Qi-compatible wireless charger, [17] you can simply place your Qi-compatible device to wirelessly charge up while on the go. And for more versatility and added convenience, Land Cruiser comes with three USB-C [18] fast-charging ports so you can connect to and power up a variety of devices.

Heated/Ventilated Front Seats

Fine-tune your comfort zone in no time. Standard heated front seats help warm up every drive, while the Premium Package offers heated and ventilated seats to the front and rear outboard seats—making every journey more inviting.

See numbered disclaimer footnotes in Info and Disclosures section.

Head-Up Display

Get a better view of where you're going. The available full-color Head-Up Display (HUD) projects your speed, select safety alerts and other customized driving info right onto the windshield so you can focus on your drive.

60/40 Split Rear Seat

From commutes to campfires, Land Cruiser's 60/40 rear bench configuration balances everyday functionality with outdoor adventures. Fold down either side or both to enjoy ample room for passengers and flexible cargo space that adapts to whatever your adventure calls for.

No Cost Maintenance Plan and Roadside Assistance

Every new Toyota comes with ToyotaCare, [19] a maintenance plan that covers initial normal factory scheduled service and 24-hour Roadside Assistance.

Technology

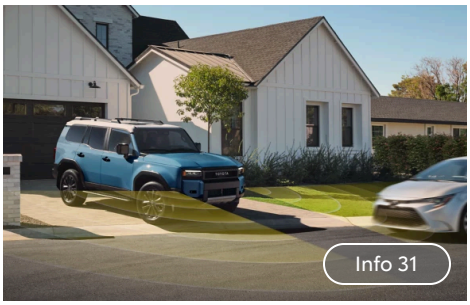

Blind Spot Monitor With Rear Cross-Traffic Alert

Standard Blind Spot Monitor (BSM) [26] is designed to warn you when a vehicle in the next lane enters Land Cruiser's blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA) [27] is designed to help detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

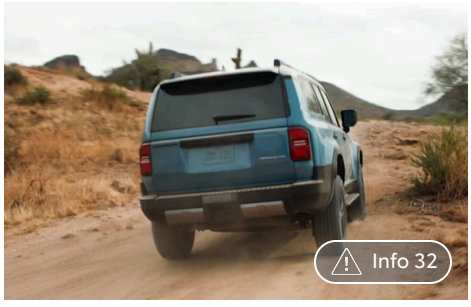

Integrated Backup Camera

Put Land Cruiser in reverse and the standard backup camera [28] automatically activates to show you what's behind your vehicle on the available 12.3-in. multimedia display.

Front Cross-Traffic Alert

Available Front Cross-Traffic Alert (FCTA) [29] is designed to alert you to vehicles approaching the front end of your vehicle. A warning and buzzer are indicated on the Multi-Information Display (MID), and the direction of approach is shown on the available Head-Up Display (HUD), to help give you better awareness of your surroundings.

Multi-Terrain Monitor

When venturing through uncharted territory, Land Cruiser's available Multi-Terrain Monitor (MTM) is designed to help you check your immediate surroundings for potential obstacles, even on the terrain beneath your vehicle. Simply press a button to display front-, rear- and side-camera views on the available 12.3-in. touchscreen.

Audio Multimedia

SiriusXM® 3-Month Trial Subscription

SiriusXM® [33] has premium entertainment that you won't hear anyplace else. With a 3-month trial, [34] you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, sports, news, talk, comedy and more. The SiriusXM® app also features a collection of podcasts, music, personalized Pandora® stations, SiriusXM® video and more.

14-Speaker JBL® Premium Audio

The available JBL® [35] Premium Audio sound system with 14 engineered speakers including subwoofer and amplifier makes you feel like you're in the front row of a performance, even when you're off-road.

Wireless Apple CarPlay®

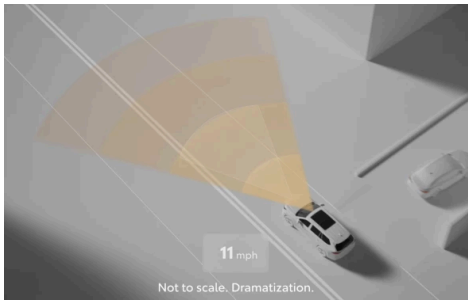

Bring along a familiar interface. With Land Cruiser's wireless Apple CarPlay® [36] compatibility, you can use your compatible iPhone® [37] with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused on your drive.

Wireless Android Auto™

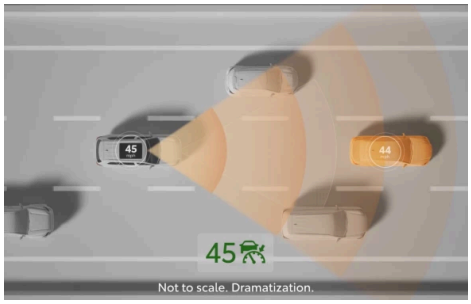

Stay connected on or off the road. Pair your compatible Android™ [38] phone with the audio multimedia system to use Android Auto [39]. Android Auto lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

Toyota Safety Sense™ 3.0 [44]

Pre-Collision System With Pedestrian Detection

PCS w/PD [45] can alert you to potential collisions and may automatically brake.

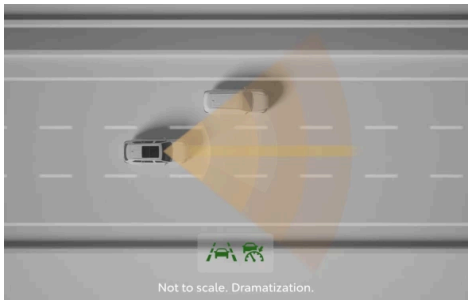

Full-Speed Range Dynamic Radar Cruise Control

DRCC [46] helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA [47] may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA [48] helps you center the vehicle within its lane while DRCC [49] is active.

MORE FEATURES

Road Sign Assist

RSA [50] can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

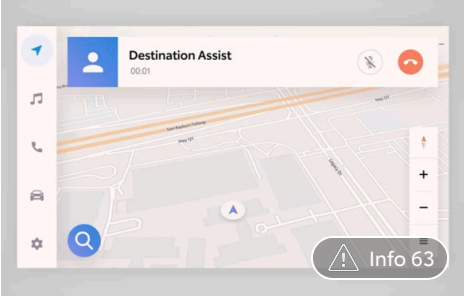

AHB [51] can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA [52] may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Connected Services

Drive Connect

With a Drive Connect trial or subscription, [53] the Cloud Navigation [54] and Intelligent Assistant [15] features help you find where you need to be, while Destination Assist [55] allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 3-month trial included. 4G network dependent.

Wi-Fi Connect

Turn Land Cruiser into a hotspot. With an active Wi-Fi Connect trial or subscription, [56] you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up to 30-day/3-GB trial subscription to get you started. 4G network dependent.

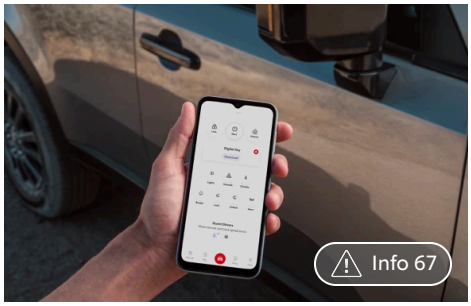

Service Connect

Stay up to date with your Land Cruiser's information, such as status and alerts, maintenance reminders and more. [57] It's a convenient way to help make sure your Land Cruiser is running at its best. 5-year trial included. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button. You also get 24/7 Roadside Assistance [58] and Stolen Vehicle Locator [59] to give you peace of mind that help is on the way. Activation required. 5-year trial included. [60] 4G network dependent.

Remote Connect

Land Cruiser is up to speed with the latest tech. With an active Remote Connect trial or subscription, [61] you can start the engine, lock/unlock doors, and locate your vehicle using the Toyota app [62] through your compatible smartphone or smartwatch. 5-year trial included. 4G network dependent.

LAND CRUISER GRADES

Land Cruiser 1958

Mechanical Features

- ✓ i-FORCE MAX 2.4L turbocharged inline 4-cylinder hybrid powertrain
- ✓ Full-Time 4-Wheel Drive system with Active Traction Control (A-TRAC) and Torsen® [68] limited-slip center differential with locking feature
- ✓ Drive Mode Select (DMS) with Sport, Eco, Normal and Snow Modes
- ✓ Electronically controlled locking rear and center differentials

Exterior Features

- ✓ Rear Land Cruiser badge
- ✓ Heritage-inspired circular LED headlights
- ✓ Front LED integrated fog lights
- ✓ Integrated LED Daytime Running Lights (DRL)
- ✓ Black "TOYOTA" heritage grille
- ✓ 18-in. dark gray metallic alloy wheels

Interior Features

- ✓ Six USB ports [18]
- ✓ Heated front seats
- ✓ Overhead console with LED illumination, LED maplights, and Safety Connect® [60] controls
- ✓ Leather-trimmed shift lever
- ✓ 2400W AC inverter [12]

Audio Multimedia

- ✓ 8-in. Toyota Audio Multimedia touchscreen with 6-speaker audio system, wireless Android Auto™ [39] & Apple CarPlay® [36] compatibility, SiriusXM® [33] 3-month trial subscriptions. See toyota.com/connected-services for details.

INFO AND DISCLOSURES

1. Blind Spot Monitor (BSM) shown. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. Options shown. **2.** Land Cruiser interior shown in Java leather trim with available Premium Package. **3.** Available Safety Connect® trial shown. Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. 4G network dependent. Options shown. **4.** Rigid Industries® is a registered trademark of JST Performance, LLC d/b/a Rigid Industries. **5.** Land Cruiser 1958 shown in Meteor Shower; Land Cruiser shown in Heritage Blue with Grayscape roof with available Premium Package and available 20-in. wheels. Options shown. **6.** Land Cruiser shown in Heritage Blue with Grayscape roof with available Premium Package and available 20-in. wheels; Land Cruiser 1958 shown in Meteor Shower. Options shown. **7.** The Toyota model or models shown are designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Land Cruiser shown in Heritage Blue with Grayscape roof with available Premium Package and available 20-in. wheels. Options shown. **8.** Land Cruiser interior shown in Java leather trim with available Premium Package. Options shown. **9.** Land Cruiser 1958 shown in Meteor Shower. **10.** Land Cruiser shown in Heritage Blue with Grayscape roof with available Premium Package and available 20-in. wheels. Options shown. **11.** The Toyota model or models shown are designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. **12.** Rated for 2400 watts for a single three-prong outlet. See Owner's Manual for limitations. **13.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See Owner's Manual for additional limitations. **14.** The Toyota model or models shown are designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Locking rear differential shown. Options shown. **15.** Intelligent Assistant requires an active Drive Connect trial or subscription. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **16.** Cool Box requires front air conditioning to be on. Cool Box may not operate when outside temperature is 32°F or below. Keep Cool Box closed while driving to help avoid injuries. See Owner's Manual for details. **17.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **18.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **19.** ToyotaCare covers normal factory scheduled maintenance for 1 year or 10,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage, with the following exceptions: (1) ToyotaCare for Mirai is 3 years/35,000 miles and ToyotaCare for vehicle model years 2026 and earlier is 2 years/25,000 miles; and (2) Roadside Assistance for Mirai, Prius, Toyota BEVs and PHEVs is 3 years/unlimited mileage. Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. ToyotaCare valid only in the continental U.S.; Roadside Assistance valid in continental U.S., Hawaii and Canada. See Toyota dealer for details and exclusions. **20.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Available 12.3-in. Toyota Audio Multimedia touchscreen shown. Options shown. **21.** Available console cool box. Options shown. **22.** Available Qi-compatible wireless charging shown. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. Options shown. **23.** Land Cruiser interior shown in Java leather trim with available Premium Package. Simulation shown. Options shown. **24.** Available Head-Up Display (HUD) shown. Options shown. **25.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. Land Cruiser shown in Heritage Blue with Grayscape roof with available Premium Package and available 20-in. wheels. Options shown. **26.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **27.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **28.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **29.** Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. **30.** Integrated backup camera display with projected path shown. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. Options shown. **41.** Available JBL® Audio shown. JBL® is a registered trademark of Harman International Industries, Inc. Options shown. **42.** Apple CarPlay® compatibility shown. Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at https://www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/support/privacy-notice/. Apple CarPlay® is a registered trademark of Apple Inc. Screen depiction accurate at time of posting. Options shown. **43.** Wireless Android Auto™ compatibility shown. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check https://g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit https://www.toyota.com/support/privacy-notice/. Google, Android, Android Auto, Google Maps, and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. Screen depiction accurate at time of posting. Options shown. **44.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **45.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **46.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **47.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **48.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **49.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **50.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **51.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **52.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **53.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **54.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **55.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **56.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things,

operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. **57.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **58.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **59.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **60.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **61.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **62.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **63.** Available Destination Assist, part of Drive Connect, shown. On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. Options shown. **67.** Available Remote Connect shown. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **68.** Torsen® is a registered trademark of Zexel Torsen, Inc. **69.** Extra-cost color. **70.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. **71.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **72.** Never tow beyond a vehicle's published towing capacities. **73.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **74.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **75.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **76.** Do not exceed 120V. See Owner's Manual for additional limitations and details. **77.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **78.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **79.** Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See Owner's Manual for limitations. **80.** Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. **81.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **82.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **83.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **84.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **85.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner's Manual for additional limitations and details.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
