

TOYOTA

2026 RAV4 Plug-in Hybrid

RAV up the fun.

Feel the fun come alive. Designed to fuel your passion for adrenaline and adventure, the all-new RAV4 Plug-in Hybrid blends powerful performance with versatile capability and next-gen tech.

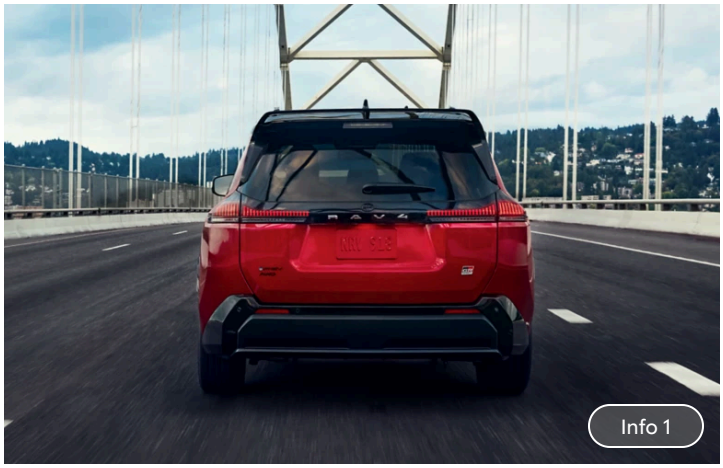

Bold attitude in every curve.

RAV4 Plug-in Hybrid's exterior combines athletic energy with confident presence. From sporty accents to rugged details, every trim delivers a design that's ready to stand out and perform, wherever your journey takes you.

Purposeful Exterior Design

Every trim combines dynamic energy with RAV4 Plug-in Hybrid's signature style. From the sleek piano-black accents of SE and XSE, to the aerodynamic features of GR SPORT, and the rugged resilience of Woodland's tough exterior, RAV4 Plug-in Hybrid delivers bold looks that capture the spirit of your active life.

Striking LED Taillights

RAV4 Plug-in Hybrid's rear design is enhanced by LED taillights that wrap around to the fenders. Their crisp, bright light creates a clean, modern look that stands out down to every detail.

Distinctive LED Headlights

Command attention day and night. LED headlights deliver crisp, efficient illumination, while stylish Daytime Running Lights (DRL) elevate your presence with bold radiance.

RIGID Industries® Integrated Fog Lights

Illuminate the road ahead with available high-performance LED fog lights from Rigid Industries®, [3] seamlessly integrated into Woodland's rugged front bumper, to boost visibility and add aggressive flair.

GR-Inspired Design

From the team behind the GAZOO Racing lineup, GR SPORT features a sculpted front end with a bold grille and active cooling ducts, along with a rear spoiler, that add a sleek, athletic finish.

Woodland Rugged Exterior

Built to navigate unpaved roads and take you straight to the trailhead, Woodland's elevated ground clearance, robust front grille and adventure-forward design transform rugged looks into real-world capability.

20-In. Wheels

For those who take corners seriously, GR SPORT's 20-in. black alloy sport wheels and summer performance tires deliver grip and attitude. XSE's 20-in. multi-spoke black alloy sport wheels balance sleek design with everyday performance.

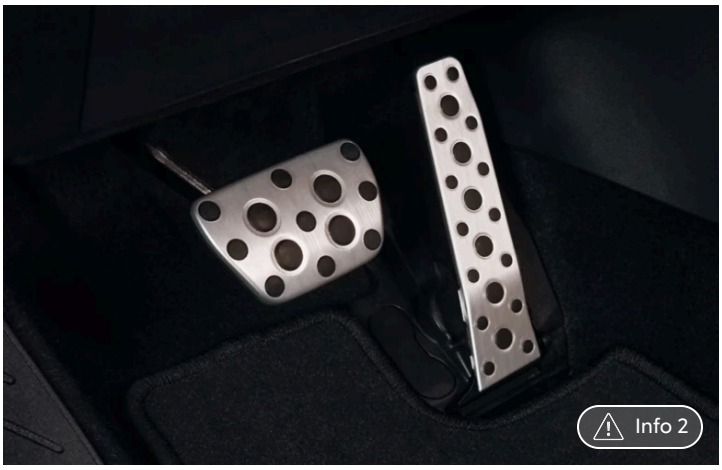

Adaptable comfort for every adventure.

Step inside a space built to move with you, where a flexible layout, smart features and bold design put you in control.

Modern Interior Cabin

From bold stitching to striking accents, every inch of RAV4 Plug-in Hybrid's interior is built to stand out. Make the cabin your own with the choice of sporty fabric, durable SofTex® trim, or Ultrasuede®-[5] and SofTex®-trimmed seats that bring bold texture and tailored comfort to every journey.

GR SPORT Aluminum Sport Pedals

Engineered for grip and style, GR SPORT's aluminum sport pedals deliver the feedback and confidence every driver craves.

Power-Adjustable Seats

Both driver and passenger can customize their ideal seat positions with RAV4 Plug-in Hybrid's available 8-way power-adjustable front seats, while the driver's seat also features available memory settings for added convenience.

Heated and Ventilated Front Seats

Never run hot or cold. With available heated and ventilated front seats, RAV4 Plug-in Hybrid lets you dial in comfort your way.

Versatile Cargo Space

Load up and head out. With 63.5 cu. ft. of flexible cargo space with the fold-flat seats folded down, RAV4 Plug-in Hybrid makes room for gear, grit and everything in between.

Distinctly Woodland Interior

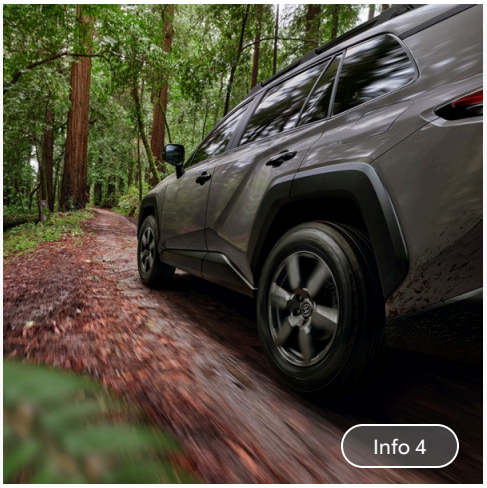

Woodland's interior channels the spirit of the wild with orange stitching inspired by trail-ready gear, bringing energy to the seats, steering wheel and center console. Distinctive patterns on the door and dash, plus a side dash compartment, make every drive feel like a call to adventure.

All-out power for every moment.

Performance

Plug-in Hybrid Power

Feel the rush of 324 net combined horsepower, delivering thrilling acceleration and powerful performance where it counts most.

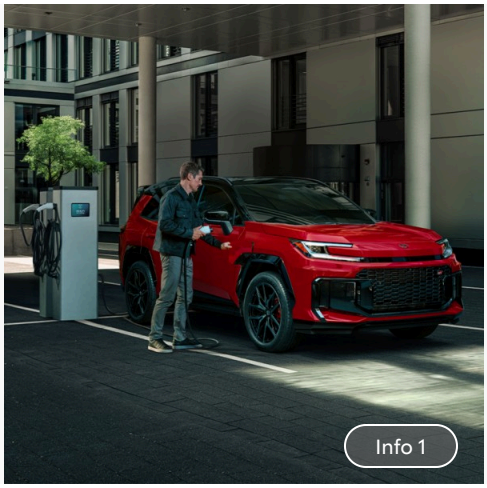

Impressive Acceleration

0-60 MPH in just 5.4 seconds: [9] RAV4 Plug-in Hybrid proves power, style and versatility can coexist.

Paddle Shifters

Amplify your drive with available paddle shifters that put precise control right at your fingertips.

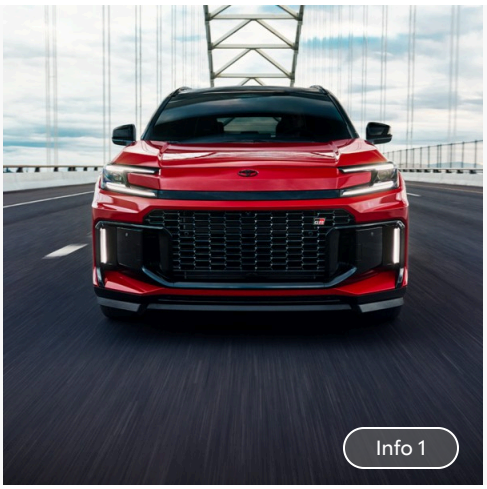

EV-Only Range Rating

Enjoy all-electric driving, with an impressive EPA-estimated 54-mile all-electric driving range rating on SE [10]—and a hybrid engine that's ready to kick in when you need to go farther.

Handling

GR-Tuned Suspension

Engineered with precision-tuned shocks and struts, the GR-tuned suspension sharpens handling while smoothing out the ride, so you stay in control and ready for action.

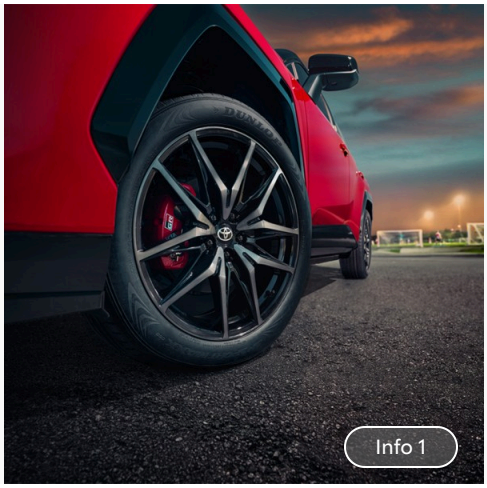

GR-Tuned Electronic Power Steering

Developed by GAZOO Racing, this GR-tuned steering system tightens your grip on the road and sharpens your every turn.

GR-Tuned Front and Rear Crossmember Braces

Reinforced for maximum rigidity, these braces tighten the chassis and are designed to deliver sharp, controlled handling around every corner.

Summer Performance Tires

Designed for tight turns and fast moves, these tires deliver sharp grip and quick-fire response when it counts.

Capability

Impressive Towing Capacity

Tow trailers, gear and more with 3500 lbs. of towing capacity on Woodland, SE and XSE, designed for your active life.

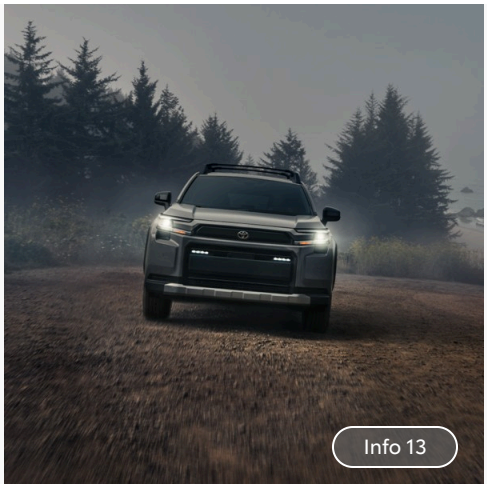

3D Multi-Terrain Monitor

Whether it's dirt, gravel or an uneven path, Woodland's 3D Multi-Terrain Monitor (MTM) helps you see what's underfoot, so you can push forward with confidence.

18-In. Wheels With All-Terrain Tires

Whether you're on the road or off the beaten path, Woodland's standard 18-in. wheels with all-terrain tires [11] provide confident traction, control and added ground clearance.

Standard All-Wheel Drive

Confidence when you need it most. RAV4 Plug-in Hybrid's All-Wheel Drive (AWD) automatically adjusts power to each wheel, helping you stay grounded, no matter where the road takes you.

Tech that empowers your every move.

12.3-In. Digital Gauge Cluster

Command your drive with a standard, fully customizable 12.3-in. digital gauge cluster that extends your multimedia touchscreen experience while keeping your performance data front and center.

12.9-In. Audio Multimedia Touchscreen

Tap into the latest. An available new 12.9-in. display brings Toyota's most advanced multimedia system yet, making every interaction more intuitive, responsive and connected.

Advanced Park

RAV4 Plug-in Hybrid's available Advanced Park [14] makes fitting into a tight spot as simple as pressing a button. Just sit back, take your hands off the wheel, and watch this advanced system work its magic.

Available Traffic Jam Assist

This available feature helps you navigate the ebb and flow of stop-and-go traffic on controlled-access highways by providing control of the vehicle at speeds under 25 mph. [15] Requires an active Drive Connect trial or subscription. [16] 5G network dependent.

Available Digital Rearview Mirror With HomeLink®

Get a full digital view of what's behind you, even in low light, with a live rear camera feed and auto-dimming mirror. Built-in HomeLink® [17] controls let you operate your garage doors, gates and more, right from the mirror.

Available Head-Up Display

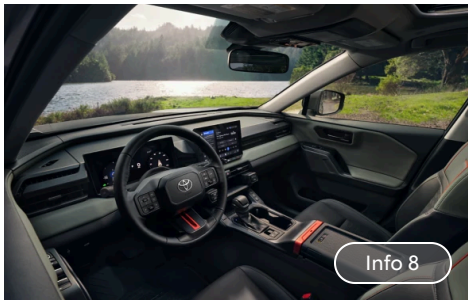

Stay focused on the road ahead with key info—speed, directions and more—projected right onto the windshield, all in your line of sight.

Audio Multimedia

SiriusXM® 360L Plan 3-Month Trial

Debuting on RAV4, the SiriusXM® [22] 360L Plan trial has premium entertainment that you won't hear anyplace else. With the SiriusXM® 360L 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free, on-demand, music, sports, news, talk, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

Toyota Audio Multimedia

Stay connected to every adventure. RAV4 Plug-in Hybrid features Toyota's newest Audio Multimedia system, designed to enhance every moment while heightening your interaction through sight, touch and voice activation.

Wireless Apple CarPlay®

Bring along a familiar interface. With RAV4 Plug-in Hybrid's wireless Apple CarPlay® [23] compatibility, you can use your compatible iPhone® [24] with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

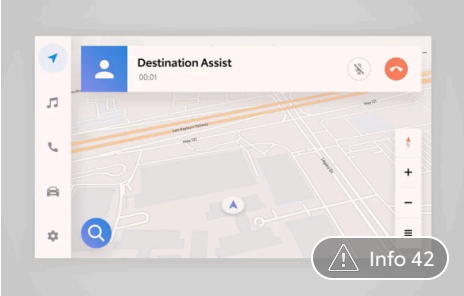

Stay connected on the road. Pair your compatible Android™ [25] phone with the audio multimedia system to use Android Auto™ [26] to get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

JBL® Premium Audio System

Enhance the soundtrack to every adventure with RAV4 Plug-in Hybrid's available JBL® [27] Premium Audio system. With nine speakers, an amplifier and subwoofer, this next-gen system brings your audio to life.

Connected Services

Drive Connect

With an active Drive Connect trial or subscription, [16] the Cloud Navigation [32] and Intelligent Assistant [33] features help you find where you need to be, while Destination Assist [34] allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included on select trims. 5G network dependent.

Wi-Fi Connect

Turn RAV4 Plug-in Hybrid into a hotspot. With an active Wi-Fi Connect trial or subscription, [35] you can easily connect up to ten devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include a 30-day trial with Unlimited Hotspot Data to get you started. 5G network dependent.

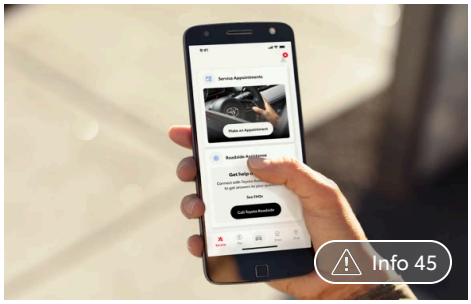

Remote Connect

RAV4 Plug-in Hybrid is up to speed with the latest tech. With an active Remote Connect trial or subscription, [36] you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app [37] through your compatible smartphone or smartwatch. 1-year trial included. 5G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button. [38] You also get 24/7 Roadside Assistance [39] and Stolen Vehicle Locator [40] to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial included. 5G network dependent.

Service Connect

Stay up to date with your RAV4 Plug-in Hybrid's information, such as status and alerts, maintenance reminders and more. [41] It's a convenient way to help make sure your RAV4 Plug-in Hybrid is running at its best. 5-year-minimum trial included. 5G network dependent.

Safety and Convenience

Blind Spot Monitor With Rear Cross-Traffic Alert

RAV4 Plug-in Hybrid's standard Blind Spot Monitor (BSM) [46] is designed to warn you when a vehicle enters your blind spot and Rear Cross-Traffic Alert (RCTA) [47] helps detect vehicles approaching from the sides as you reverse.

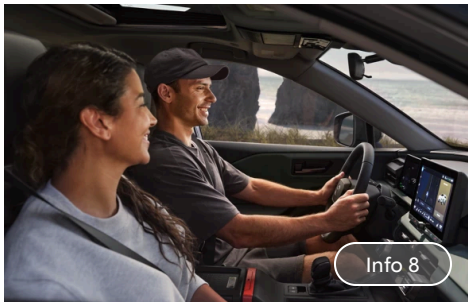

Panoramic View Monitor With 3D

The Panoramic View Monitor (PVM), [48] now with 3D view, helps you see multiple angles as you navigate tight turns, narrow space and tricky parking.

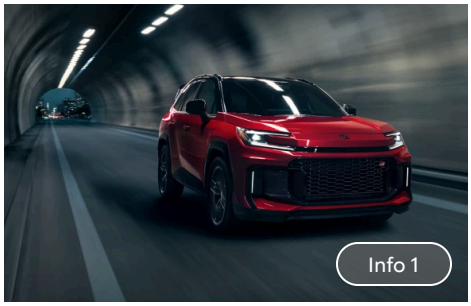

Drive Recorder Dash Cam

From unexpected moments to everyday drives: The standard Drive Recorder Dash Cam [49] helps document portions of your journey by capturing front and rear video under certain conditions.

Eight Airbags

RAV4 Plug-in Hybrid comes standard with a driver and front passenger Advanced Airbag System with driver and front passenger seat-mounted side airbags, driver knee airbag, front passenger seat-cushion airbag, in addition to front and rear side curtain airbags —eight airbags total. [50]

Star Safety System™

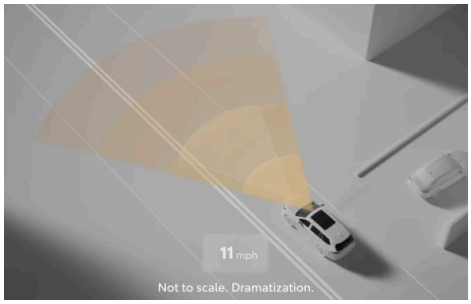

Every new RAV4 Plug-in Hybrid is built with our Star Safety System™, an advanced integration of safety technologies designed to enhance traction, braking and more. Armed with these safety features, RAV4 Plug-in Hybrid is designed to help keep you out of harm's way.

No Cost Maintenance Plan and Roadside Assistance

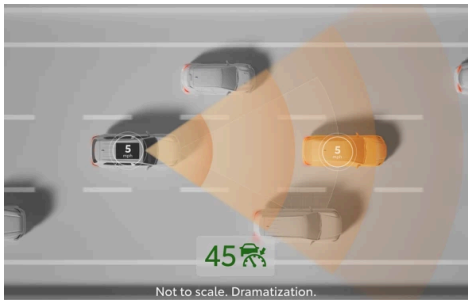

Every new Toyota comes with ToyotaCare, [51] a maintenance plan that covers initial normal factory scheduled service and 24-hour Roadside Assistance.

Toyota Safety Sense™ 4.0 [55]

Pre-Collision System With Pedestrian Detection

PCS w/PD [56] can alert you to potential collisions and may automatically brake.

Full-Speed Range Dynamic Radar Cruise Control

DRCC [57] helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Automatic High Beams

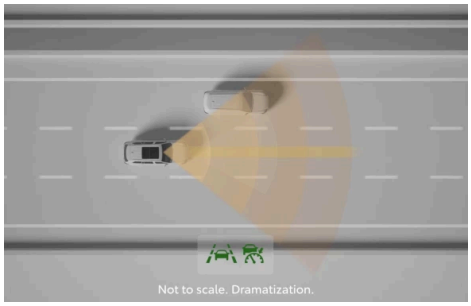

AHB [58] can automatically toggle between high and low beams based on the vehicle's surroundings.

Lane Departure Alert With Steering Assist

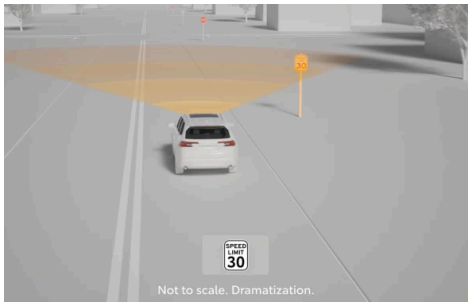

LDA w/SA [59] may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

MORE FEATURES

Lane Tracing Assist

LTA [60] helps you center the vehicle within its lane while DRCC [61] is active.

Road Sign Assist

RSA [62] can recognize certain road signs and display them to you inside the vehicle.

Proactive Driving Assist

PDA [63] may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Powerfully dynamic.

Hybrid Powertrain

Hybrid Electric Vehicles use a combination of gas engine and electric motor(s) to help maximize power and efficiency.

Plug-in Hybrid Powertrain

Plug-in Hybrid Electric Vehicles combine a gas engine with a larger battery, powered by an external charge, to help maximize efficiency and driving range.

See numbered disclaimer footnotes in Info and Disclosures section.

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The RAV4 Plug-in Hybrid EV is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Plug-in Hybrid EV

RAV4 Plug-in Hybrid is a part of the Plug-in Hybrid EV Family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above and Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

INFO AND DISCLOSURES

1. GR SPORT shown in Supersonic Red with Midnight Black Metallic roof. Prototype shown with options. **2.** GR SPORT interior shown in Black SofTex® and BRIN•NAUB® synthetic suede trim. BRIN•NAUB is a registered trademark of AUNDE Boshoku. Prototype shown with options. **3.** Rigid Industries® is a registered trademark of JST Performance, LLC d/b/a Rigid Industries. **4.** Woodland shown in Urban Rock. Prototype shown with options. **5.** Ultrasuede® is a registered trademark of Toray Industries, Inc. **6.** Limited interior shown in Black SofTex® trim. Prototype shown. **7.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. Woodland shown in Urban Rock. Prototype shown with options. **8.** Woodland interior shown in Mineral SofTex® trim. Prototype shown with options. **9.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **10.** EPA-estimated 54-mile combined all-electric driving range rating for RAV4 Plug-in Hybrid SE; 52-mile combined all-electric driving range rating for 2026 RAV4 Plug-in Hybrid XSE; 49-mile combined all-electric driving range rating for 2026 RAV4 Plug-in Hybrid GR SPORT and Woodland on a full charge. Operates at speeds up to 84 mph. For comparison purposes only. Mileage will vary for many reasons, including vehicle's condition and how/where you drive. Battery capacity also decreases with time and use, which will reduce range. See www.fueleconomy.gov. **11.** Use of all-terrain tires may significantly impact the attainable range of the vehicle. **12.** Never tow beyond a vehicle's published towing capacities. Woodland shown in Urban Rock. Prototype shown with options. **13.** Woodland shown in Urban Rock. Prototype shown with options **14.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings. Before operating, review Owner's Manual for instructions and limitations. **15.** Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. **16.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and active trial or subscription required. Data charges may apply. **17.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **18.** RAV4 Limited shown in Storm Cloud. Prototype shown with options. **19.** RAV4 Limited shown in Storm Cloud. Prototype shown with options. Simulation shown. **20.** Available digital rearview mirror shown. **21.** Available Head-Up Display shown. **22.** Services will automatically stop at the end of your trial subscription period unless you decide to continue services. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Services subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite services not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. visit https://www.toyota.com/support/privacy-notice/. Google, Android, Android Auto, Google Maps, and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. **31.** Available 9-speaker JBL® Premium Audio shown. JBL® is a registered trademark of Harman International Industries, Inc. **32.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and active trial or subscription. Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **33.** Intelligent Assistant requires an active Drive Connect trial or subscription. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and active trial or subscription. Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **34.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and active trial or subscription. Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Active trial or subscription required. Terms of Use apply. **35.** Wi-Fi Connect services not available everywhere or in every vehicle, may vary and are subject to change at any time without notice. Services require 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when the 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then Connected Services will not work, and Toyota will need to discontinue impacted services. Services also require account registration through the Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. **36.** Use only if aware of vehicle surroundings and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child).. Remote Connect services vary and are subject to change at any time without notice. Services require 5G network availability, an active cellular network, a cellular network connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when the 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then Remote Connect will not work, and Toyota will need to discontinue impacted services. Services also require account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Digital Key requires Bluetooth® connectivity. Not available on manual transmissions. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Active trial or subscription required. Terms of Use apply. **37.** Certain services require an active Remote Connect trial or subscription that depends on an active compatible cellular network, cellular network connection, and GPS signal. Services also require account registration and acceptance of the Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and the Connected Services Privacy Notice at https://www.toyota.com/privacyvts/. Data charges may apply. **38.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 5G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for 5 years. 5G network dependent. **39.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **40.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **41.** Service Connect services may vary and are subject to change at any time without notice. Services require 5G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when the 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then Service Connect will not work, and Toyota will need to discontinue impacted services. Services also require account registration through the Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see

https://www.toyota.com/support/privacy-notice/. The Service Connect trial is included for 5 years. 5G network dependent. **42.** Drive Connect shown. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for 5 years. 5G network dependent. **45.** Service Connect shown. Service Connect services may vary and are subject to change at any time without notice. Services require 5G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when the 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then Service Connect will not work, and Toyota will need to discontinue impacted services. Services also require account registration through the Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Service Connect trial is included for 5 years. 5G network dependent. **46.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **47.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **48.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **49.** Drive Recorder may not record under all conditions. Use in accordance with applicable laws. See Owner's Manual for limitations. **50.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **51.** ToyotaCare covers normal factory scheduled maintenance for 1 year or 10,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage, with the following exceptions: (1) ToyotaCare for Mirai is 3 years/35,000 miles and ToyotaCare for vehicle model years 2026 and earlier is 2 years/25,000 miles; and (2) Roadside Assistance for Mirai, Prius, Toyota BEVs and PHEVs is 3 years/unlimited mileage. Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. ToyotaCare valid only in the continental U.S.; Roadside Assistance valid in continental U.S., Hawaii and Canada. See Toyota dealer for details and exclusions. **52.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. GR SPORT shown in Supersonic Red with Midnight Black Metallic roof, and Woodland interior shown in Mineral SofTex® trim. Prototypes show. **53.** Panoramic View Monitor shown. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **54.** Drive Recorder Dash Cam shown. Drive Recorder may not record under all conditions. Use in accordance with applicable laws. See Owner's Manual for limitations. **55.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **56.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **57.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **58.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **59.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **60.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **61.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **62.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **63.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a

substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **64.** EV Mode allows for operation solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations. **65.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **66.** Extra-cost color. **67.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **68.** Never tow beyond a vehicle's published towing capacities. **69.** When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details. **70.** When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See Owner's Manual for limitations. **71.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **72.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **73.** Do not exceed 120V. See Owner's Manual for additional limitations and details. **74.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **75.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **76.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. **77.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **78.** Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See Owner's Manual for additional limitations and details. **79.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **80.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **81.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. **82.** When Vehicle Proximity Notification System is active, it is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects and to drive the vehicle in a safe and attentive manner to avoid making contact. **83.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **84.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **85.** Pre-Collision System with Pedestrian Detection (PCS w/PD) is designed to help detect a vehicle, pedestrian, bicyclist, or motorcyclist and provide an audio/visual forward-collision warning under certain circumstances. If you don't react, the system is designed to provide automatic emergency braking. **86.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **87.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
